### **Fourth Down And Long Everything Is Possible When You Believe:**

*Fourth Down and Long* Tony Lotti, 2005-03 Ever heard the saying It can't get any worse I made the mistake of saying that and since this game I swore I would never say it again You see once you say that it can't get any worse it usually does Now I say it will only get so bad that eventually it has to get better I will never forget what happened next in this game I went into the huddle to call the play and one of my linemen looked at me and said Lotti I don't feel well I just don't feel like blocking Not the phrase a quarterback wants to hear from his linemen One after another echoed the same phrase I don't feel well It was late in the game when this started and one after another each player started getting sick I tried to get substitutions for the sick players but there was a problem Players and coaches on the sidelines were getting sick The illness was hitting one person after another and we knew something was definitely wrong
