Fox And Geese And Fences

R. C. Bell

Fox And Geese And Fences:

Fox and Geese and Fences Robin Hansen,1983 *Fox and Geese and Fences* Robin Hansen,1983 Only a few knitters in Maine still use the traditional patterns of their great grandmothers Fortunately Robin Hansen has searched out these talented craftspeople and has reconstructed lost patterns from surviving examples Her popular book includes 11 designs in sizes for infants children and adults

Ultimate Mittens Robin Hansen,2011-11-01 Filled with a wide array of classic knitting patterns this book is in essence the ultimate mitten book The patterns are organized from simple to difficult and their origins range from traditional Scandinavian and Canadian Maritime patterns to more contemporary sewn and windblock patterns from right here in Maine Rounding out the patterns is useful information on caring for and repairing woolens tips for adding details such as buttons straps or leather palms to mittens and a list of yarn suppliers

Favorite Mittens Robin Hansen,2006-02-24 Robin Hansen can justifiably claim to be the person who started the groundswell of interest in roots knitting patterns for mittens When *Fox Geese Fences A Collection of Traditional Maine Mittens* was published a generation ago it was an instant success and nary a knitter above the age of thirty has not heard of it It was followed by a second equally inspiring collection *Flying Geese Partridge Feet More Mittens from Up North Down East* Favorite Mittens is a compilation of some of the most popular traditional designs from Robin s groundbreaking first two books presenting these tried and true patterns in a new format with step by step directions revised and updated for ease of knitting thanks to the helpful feedback Robin has gotten from the knitters who flock to her workshops all around the country

Fashion and Costume in American Popular Culture Valerie Oliver,1996-09-24 Providing a convenient and unique look at fashion and costume literature and how it has developed historically this volume discusses monographic and reference literature and provides information on periodicals research centers and costume museums and collections It also provides a new way of looking at the literature through a database of 58 Library of Congress subject headings It covers topics from jeans to wedding dresses and features popular examples of how clothing is used and reflected in our culture through the literature discussed Of interest to scholars students and anyone curious about the unique power clothing holds in our lives Various types of reference sources are discussed including other guides to the literature encyclopedia dictionaries biographical dictionaries specialized bibliographies and indexing and abstracting services Electronic CD ROM and online databases equivalents are included in the presentation of indexing and abstracting services with major networks such as OCLC RLIN Lexis Nexis and Dialog mentioned as well In addition a list of 123 research centers mainly libraries is provided and arranged geographically by state some 176 costume museums and collections of costumes located at colleges and universities are listed alphabetically and a list of 278 periodicals on fashion costume clothing and related topics is provided A database of some 58 clothing and accessory subject headings is analyzed in the Worldcat database with the literature of the top ten specific clothing and accessory subject terms limited to media publication format are covered Additionally histories of

costume and fashion in the U S and works which concentrate on psychological sociological or cultural aspects are outlined
An appendix including the clothing and accessory database and author and subject indexes conclude the volume
