Fragile Geometry Joseph Lanza,1989 A survey of the work of the British filmmaker his vision of a decentered world depicted in such films as *Don't Look Now* *The Man Who Fell to Earth* and *Walkabout* **Films of Nicholas Roeg** John Izod,1992-06-18 Audiences respond to three things in the films of Nicolas Roeg their power their style and the fact that they puzzle them The author argues that all three elements are tied together with the power of the films springing from their source in ancient mysteries **Dark Forces at Work** Cynthia J. Miller,A. Bowdoin Van Riper,2019-11-06 *Dark Forces at Work* examines the role of race class gender religion and the economy as they are portrayed in and help construct horror narratives across a range of films and eras These larger social forces not only create the context for our cinematic horrors but serve as connective tissue between fantasy and lived reality as well While several of the essays focus on name horror films such as *IT* *Get Out* *Hellraiser* and *Don't Breathe* the collection also features essays focused on horror films produced in Asia Europe and Latin America and on American classic thrillers such as Alfred Hitchcock's *Psycho* Key social issues addressed include the war on terror poverty the housing crisis and the Time's Up movement The volume grounds its analysis in the films rather than theory in order to explore the ways in which institutions identities and ideologies work within the horror genre **British art cinema** Paul Newland,Brian Hoyle,2019-07-23 This is the first book to provide a direct and comprehensive account of British art cinema Film history has tended to view British filmmakers as aesthetically conservative but the truth is they have a long tradition of experiment and artistry both within and beyond the mainstream Beginning with the silent period and running up to the 2010s the book draws attention to this tradition while acknowledging that art cinema in Britain is a complex and fluid concept that needs to be considered within broader concerns It will be of particular interest to scholars and students of British cinema history film genre experimental filmmaking and British cultural history **The Blackwell Companion to Postmodern Theology** Graham Ward,2008-04-15 This Companion provides a definitive collection of essays on postmodern theology drawing on the work of those individuals who have made a distinctive contribution to the field and whose work will be significant for the theologies written in the new millennium The definitive collection of essays on postmodern theology drawing on the work of those individuals who have made a distinctive contribution to the field Each essay is introduced with a short account of the writer's previous work enabling the reader to view it in context Discusses the following disciplines Aesthetics Ethics Gender Hermeneutics Phenomenology Heideggerians and Derrideans Edited by Graham Ward one of the most outstanding and original theologians working in the field today *Don't Look Now* Mark Sanderson,2019-07-25 *Don't Look Now* released in 1973 confirmed director Nicolas Roeg as one of the most stylish and innovative British directors of the postwar period Adapted from a short story by Daphne du Maurier it is both a complex study of how people come to terms with grief and a chilling tale of murder set among the canals and churches of Venice Featuring telling performances by Julie Christie and Donald Sutherland as the couple whose daughter has tragically died *Don't*

t Look Now depicts the way in which the macabre and the everyday are intertwined In his lucid subtle account Mark Sanderson describes the collaboration between director and actors that sustained the film s emotional richness He returns to du Maurier s original text and to the traditions of Gothic writing that underpin Don t Look Now s combination of horror melodrama and black comedy Sanderson examines the film s intricate visual style uncovering the way in which particular motifs are used to amplify its depiction of two terrible deaths He finds compensation for the film s grimly fatalistic view of life in its celebration of sexual relationships and the power of recollection The book includes an exclusive and in depth interview with Roeg as well as rare and unpublished comments from Christie In his foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Jason Wood places Don t Look Now in the context of Roeg s film making career and draws upon Roeg s revealing insights into the film s production
