Fragile Vebels Rights Obligations:

Mothering from the Field Bahiyyah M. Muhammad, Melanie-Angela Neuilly, 2019-06-14 Mothering from the Field offers both a mosaic of perspectives from real women scientists experiences of conducting field research while raising children and an analytical framework to understand how we can redefine methodological and theoretical contributions based on mothers experiences in order to revolutionize how we conceptualize research

Arab Family Studies Suad Joseph, 2018-07-10 Family remains the most powerful social idiom and one of the most powerful social structures throughout the Arab world To engender love of nation among its citizens national movements portray the nation as a family To motivate loyalty political leaders frame themselves as fathers mothers brothers or sisters to their clients parties or the citizenry To stimulate production economic actors evoke the sense of duty and mutual commitment of family obligation To sanctify their edicts clerics wrap religion in the moralities of family and family in the moralities of religion Social and political movements from the most secular to the most religious pull on the tender strings of family love to recruit and bind their members to each other To call someone family is to offer them almost the highest possible intimacy loyalty rights reciprocities and dignity In recognizing the significance of the concept of family this state of the art literature review captures the major theories methods and case studies carried out on Arab families over the past century The book offers a country by country critical assessment of the available scholarship on Arab families Sixteen chapters focus on specific countries or groups of countries seven chapters offer examinations of the literature on key topical issues Joseph s volume provides an indispensable resource to researchers and students and advances Arab family studies as a critical independent field of scholarship

Masculinities in a Global Era Joseph Gelfer, 2013-06-20 Masculinities in a Global Era extends the conversation of masculinity studies by analyzing global masculinities from a psychological perspective Canvassing a broad array of psychological aspects such as the construction of identity the negotiation of power coping with trauma and sexuality this volume shows how masculinities are experienced performed and embodied in geographically dispersed communities Importantly Masculinities in a Global Era fulfills a much needed but elusive need within the study of masculinities a forum in which the often polarized approaches of pro feminists and men s rights advocates can begin to move beyond their entrenched historical positions towards a more fruitful and nuanced future

محمد جبالى Muhammad Jibālī, 2005 Marriage holds a position of perpetual significance because of the central role it plays in human life It is not surprising therefore that the scholars of Islam have discussed it extensively through the ages Under the contemporary influence of non Islamic cultures however misconceptions have crept into various areas of Islam spilling into marriage divorce and other family related matters Viewing the needs of the Muslims who live in non Islamic environments and realizing that most Islamic writings on marriage are restricted in scope we find quite a large gap that needs to be filled for the benefit of the English speaking Muslims which is what we attempt to accomplish over the span of this 4 book set that covers various aspects of marriage

according to the authentic Sunnah This book covers the obligations of the two spouses the wife s rights and the husband s rights It contains biographies of the Mothers of the Believers paints very realistic pictures from the life of the Prophet Mohammed with his wives and the interpretation of the hadith of Umm Zar *Quest for Love and Mercy* Muḥammad Mustafā al- Jibālī,2005 **Pleadings, Minutes of Public Sitzings and Documents / Mémoires, Procès-Verbaux Des Audiences Publiques Et Documents, Volume 34 (2023)** Itlos,2024-10-31 This volume contains the documents from Request for an Advisory Opinion submitted by the Commission of Small Island States on Climate Change and International Law Le pr sent volume contient les documents concernant Demande d avis consultatif soumise par la Commission des petits tats insulaires sur le changement climatique et le droit international International Law for Small-Scale Fisheries Julia N. Nakamura,2025-03-27 This book provides an original and groundbreaking account of the applicability and key contributions of international law to small scale fisheries a fisheries subsector that has been historically overlooked by governments and international legal scholarship Small scale fisheries constitute most of the world s capture fisheries workforce they sustain the livelihoods of fishers and their communities while building and transmitting traditional knowledge and culture Significant attention has been given to small scale fisheries by the international community over the past decade building the momentum for dedicated research on such a topic Nevertheless the literature examining small scale fisheries from an international legal perspective remains scarce This book fills this gap by systemically examining different international legal regimes to unravel the normative foundations for securing the meaningful participation of small scale fisheries peoples in international fisheries management It connects the ecosystem approach a key principle of international fisheries law and the human rights regime to elucidate the benefits that participatory international fisheries management brings to enhance both the ecological and social aspects of fisheries sustainability It also examines the extent to which fisheries governance is democratic and provides an enabling framework for the integration of fishers knowledge into international fisheries management It is thereby oriented toward more justice and fair outcomes for small scale fisheries This book will be a valuable resource for academics and researchers with an interest in the governance of fisheries in international law the law of the sea environmental law and human rights law as well as to practitioners and policymakers working on the development and implementation of laws and policies governing fisheries and natural resources **Particularly Sensitive Sea Areas** Markus J. Kachel,2008-04-30 Designations of large Particularly Sensitive Sea Areas PSSAs triggered a controversial debate within the International Maritime Organisation IMO concerning the legal basis of PSSAs the relationship between the IMO s PSSA guidelines and UNCLOS as well as the competency of IMO to adopt mandatory protective measures in these areas As a result IMO conducted a review process which led to substantially updated guidelines adopted in late 2005 This book provides a detailed analysis of the PSSA guidelines and protective measures available in PSSAs Emphasis is placed on their legal basis and the implications for coastal states jurisdiction over vessel source pollution **Pleadings, Minutes of Public Sitzings and**
