## **Fragmentation Of The Church And Its Unity In Peacemaking:**

The Fragmentation of the Church and Its Unity in Peacemaking Jeffrey Gros, John D. Rempel, 2001 The Gospel Places Peacemaking at the center of Christian identity Over the centuries however churches have divided over the role and place of the peacemaking imperative in their lives and teachings This volume offers deep ecumenical discussion of the relationship of the church to its peacemaking mission from the standpoints of history and the contemporary context Contributors representing ten major faith traditions Lois Y Barrett Alexander Brunett Murray W Dempster Donald F Durnbaugh John H Erickson Eric W Gritsch Jeffrey Gros Paul Meyendorff Lauree Hersch Meyer Thomas H Olbricht Thomas D Paxson Jr James F Puglisi John D Rempel Alan P F Sell and Glen H Stassen address this crucial topic from the perspective of their own churches and explore paths that could lead to the reconciliation of existing differences

**A Pilgrim People** Gerald W Schlabach, 2019-10-28 Recent decades have seen a steady trend in Roman Catholic teaching toward a commitment to active nonviolence that could qualify the church as a peace church As a moral theologian specializing in social ethics Schlabach explores how this trend in Catholic social teaching will need to take shape if Catholics are to follow through Globalization he argues is an invitation to recognize what was always supposed to be true in Catholic ecclesiology Christ gives Christians an identity that crosses borders To become a truly catholic global peace church in which peacemaking is church wide and parish deep Catholics should recognize that they have always properly been a diaspora people with an identity that transcends tribe and nation state

**Growing Consensus II** Lydia Veliko, Jeffrey Gros, 2005 Growing Consensus II is a comprehensive collection of the major American ecumenical documents between 1992 and 2004 Among churches included are Catholic historic Protestant Orthodox Anabaptist and Evangelical

*Peacebuilding Is A Mission Mandate* Levi Williams, 2004 This book takes a fresh look at the Christian concepts of mission and discipleship defining them as expanding Gods circle of friends and widening membership in Gods family through transforming conflicts and building relationships on various levels ranging from inter personal to international

**Ecumenical Directions in the United States Today: Churches on a Theological Journey** Antonios Kireopoulos, Juliana Mecera, 2014-05-14 Proceedings of a conference held in July 2007 at Oberlin College

**Formation for Life** Glen Stassen, Rodney L. Petersen, Timothy A. Norton, 2013-08-16 From all corners of the world both inside cities and in the remote countryside the cry for just peace rings out loud and strong But as many will note in this book the cry for just peace isn t enough for just peace requires active faith working hands and willing hearts Gathered in this volume are essays written from a wide variety of perspectives religious traditions nationalities and ages from a sixteen year old high school student to an eighty four year old senior professor that seek to offer insight toward answering one question How are just peacemaking faith formation and discipleship connected within a twenty first century context

**The Limits of Hospitality** Jessica Wroblewski, 2012 Practicing hospitality is central to building a civil society not to mention living a Christian life It can be enriching and joy filled but it can also be profoundly demanding and sometimes even

dangerous In *The Limits of Hospitality* Jessica Wroblewski explores the ethical questions surrounding the practice of hospitality particularly hospitality that is informed by Christian theological commitments While there is no algorithm that distinguishes between ethically legitimate and illegitimate boundaries the variety of circumstances in which hospitality is relevant and the nature of hospitality itself make advocating firm and fixed boundaries difficult How much more so for Christians for whom the practice of hospitality should be a manifestation of agape a participation in God's eschatological welcome extended to all people through Jesus Christ Are limits to hospitality then merely a regrettable concession to our finite and fallen condition Wroblewski offers a rich theological reflection that will interest anyone who has a role in the practice of hospitality in community Whether such communities are families households churches educational institutions or nation states

*Faith and Order in the U.S.A.* William A. Norgren, 2011-07-06 Since its founding in 1957 the National Council of Churches Commission on Faith and Order has worked to draw churches out of isolation into discussion on points of agreement and disagreement in faith order and worship In *Faith and Order in the USA* William Norgren a long time executive director of the Faith and Order Commission takes a look at its background history and major initiatives He shows how the Commission originally limited in its scope to mainline Protestant Episcopal and Orthodox church bodies fostered fruitful dialogue not only between its founding churches but also over time with Roman Catholic Southern Baptist Evangelical Pentecostal Adventist holiness and peace churches contributing to greater friendship harmony and partnership among many Christian churches in America

*Pentecostals and Nonviolence* April Alexander, 2012-11-09 *Pentecostals and Nonviolence* explores how a distinctly Pentecostal charismatic peace witness might be reinvigorated and sustained in the twenty first century To do so the book examines the nature of the early Pentecostal commitment to nonviolence and investigates the possibilities that might emerge from Pentecostals and Anabaptists entering into conversation and worship with each other Contributors engage the arguments surrounding the heritage of Pentecostal pacifism in the United States and then move toward exploring nonviolence and peacemaking as crucial for contemporary Christianity as a whole Ranging from theology testimony and pastoral ministry to interchurch relations activism and protest this diverse collection of essays challenge and invite the whole church to the task of peacemaking while exploring the distinctive and often neglected contributions from the Pentecostal charismatic tradition

*Bodies of Peace* Myles Werntz, 2014 *Bodies of Peace* argues that Christian nonviolence is both formed by and forms ecclesial life creating an inextricable relationship between church commitment and resistance to war In this volume Myles Werntz examines the work of John Howard Yoder Dorothy Day William Stringfellow and Robert McAfee Brown demonstrating how each thinker's advocacy for nonviolent resistance depends deeply upon the ecclesiology out of which it comes The volume argues that any account of an ecclesially informed resistance to war must be open to a multitude of approaches not as pragmatic concessions but as a foretaste of ecumenical unity

**Can a Renewal Movement Be Renewed?** Michael Kinnamon, 2014-05-18 Does ecumenism have a future What would it mean to take the next step in

ecumenical and interfaith relations Is the ecumenical movement a movement for peace What can the churches say together about the church What can the churches say together about the environment Can the tension between unity and justice be overcome Has the ecumenical movement become too political What is the way forward for Catholic Protestant relations How can the Orthodox help others understand them better How are interfaith relationships as challenging as they are necessary How can we deal with the tough issues in Jewish Christian relations Are councils of churches a thing of the past What does it take to be an ecumenical leader What will it take to revitalize the ecumenical movement Why care about Christian unity when there are so many other things to worry about

**Ecumenical Christian Dialogues and the Catechism of the Catholic Church** Jeffrey FSC. Gros, 2006 *Faith and Order* Norman A. Hjelm, 2005 The aim of Faith and Order the global movement now nearly a century old is to proclaim the oneness of the church of Jesus Christ and to call the churches to the goal of visible unity in one faith and one eucharistic fellowship expressed in worship and in common life in Christ in order that the world may believe The movement encompasses classical church traditions Roman Catholic Orthodox Protestant and increasingly traditions not always present in discussions concerning unity Pentecostal Evangelical and Third World independent churches A Conference on Faith and Order in North America is projected within the near future This conference to which all church bodies in Canada and the United States are being invited will center on the theme The Church Its Faith and Its Unity Traditions with differing visions of unity and different views of Scripture sacraments ministry authority and experience will encounter each other in deep theological reflection in prayer and worship in serious quest for that unity which will lead the church to faithful witness in the present time Published in anticipation of this groundbreaking event Faith and Order Toward a North American Conference includes statements regarding the rationale and importance of the projected conference descriptions of the aims and accomplishments of Faith and Order and initial reflections concerning the conference theme Meant to foster awareness of the issues surrounding the Faith and Order movement this small book is designed for use by laity and clergy in study groups in congregations seminaries and a variety of ecumenical contexts Contributors Donna Geernaert Jeffrey Gros Norman A Hjelm Dale T Irvin Kevin Mannoia William G Rusch George Vandervelde *The Morally Divided Body* Michael Root, James J. Buckley, 2012-09-01 At the same time as Catholic and evangelical Christians have increasingly come to agree on issues that divided them during the sixteenth century reformations they seem increasingly to disagree on issues of contemporary morality and ethics Do such arguments doom the prospects for realistic full communion between Catholics and evangelicals Or are such disagreements a new opportunity for Catholics and evangelicals to convert together to the triune God's word and work on the communion of saints for the world Or should our hope be different than simple pessimism or optimism In this volume eight authors address different aspects of these questions hoping to move Christians a small step further toward the visible unity of the church *Religion and Public Policy* Sumner B. Twiss, Marian Gh. Simion, Rodney L. Petersen, 2015-02-26 Examines human rights in relation to religion and the

role of religion in perennial issues of war and peace      **The Spirit Poured Out on All Flesh** Amos Yong, 2005-07-01 The Pentecostal movement has had an incredible impact on the shape of worldwide Christianity in the past century Estimates are that Pentecostals and charismatics make up approximately one fourth of Christians worldwide and the numbers are only expected to grow With these developments comes the need for thoughtful Christians of all persuasions to better understand Pentecostal theology In fact Amos Yong believes that Pentecostal theology can be a great gift to the church at large Yong presents a thoroughly Pentecostal theology of salvation the church the nature of God and creation He also provides a fascinating survey of the state of worldwide Pentecostalism examining how Pentecostal theology is influencing Christian churches in other countries      A History of Lutheranism Eric W. Gritsch, In a clear nontechnical way this noted Reformation historian tells the story of how the nascent reforming and confessional movement sparked and led by Martin Luther survived its first battles with religious and political authorities to become institutionalized in its religious practices and teachings Gritsch then traces the emergence of genuine consensus at the end of the sixteenth century followed by the age of Lutheran Orthodoxy the great Pietist reaction Lutheranism's growing diversification during the Industrial Revolution its North American expansion and its increasingly global and ecumenical ventures in the last century      *The Ten Commandments* William P. Brown, 2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown's *The Ten Commandments* will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field      "You Shall Not Kill" Or "You Shall Not Murder"?
