**Fragment-based Drug Discovery** Daniel A. Erlanson, Wolfgang Jahnke, 2016-02-23 From its origins as a niche technique more than 15 years ago fragment based approaches have become a major tool for drug and ligand discovery often yielding results where other methods have failed Written by the pioneers in the field this book provides a comprehensive overview of current methods and applications of fragment based discovery as well as an outlook on where the field is headed The first part discusses basic considerations of when to use fragment based methods how to select targets and how to build libraries in the chemical fragment space The second part describes established novel and emerging methods for fragment screening including empirical as well as computational approaches Special cases of fragment based screening e g for complex target systems and for covalent inhibitors are also discussed The third part presents several case studies from recent and on going drug discovery projects for a variety of target classes from kinases and phosphatases to targeting protein protein interaction and epigenetic targets

**Fragrance of The Soul** Dr. Dhiraj Raja, 2025-09-02 Not every love story ends in joy Some only wish to be remembered Love doesn't always stay sometimes it lingers as echoes a silence too deep a fragrance returning unexpectedly a sentence unfinished yet unforgettable Rajeev once dreamed of a life with Akeera Their love was fleeting imperfect yet genuine It ended like an unsent letter tucked away still close to the heart Meera came later not to replace but to live beside the quiet Her love was gentle accepting the past without erasing it But the past does not stay silent forever Years later Ayaan appears a boy searching for someone he never knew Three people Three forms of love One truth never lost only waiting This isn't a love triangle but a story of longing memory and the unfinished truths we carry Of what almost was Of what still is Of what refuses to be forgotten Some stories don't seek endings They ask to be felt like rain on parched glass the scent of old paper or a truth waiting patiently to be seen
