Fragments of a Dream Leopolda z Lobkowicz Dobrzensky,1985 *Fragments of a Dream : Pioneering in Dysart Township and Haliburton Village* Leopolda z L. (Leopolda z Lobkowicz) Dobrzensky,Dysart (Ont.),1992 **Alexander Niven** Kim Emmerson,2015-05-25 Set in the late 1800s this well researched biography takes us into the heart of newly settled Upper Canada and the rich beginnings of Haliburton County Ontario We get a thoughtful and thorough look at the history of the area as we meet Alexander Niven surveyor politician farmer adventurer educator and influential businessman in a blossoming locale We meet Niven s contemporaries who alongside this versatile surveyor formed and shaped this back woods settlement into the beautiful area we are familiar with today This very informative and entertaining biography will immerse you in the exciting and sometimes trying times of the period and paint a picture of early settlement in Haliburton County

Surviving Four Migrations: The Loucks of Haliburton Orie Loucks,2012-06-02 A history of the Loucks family France to Germany to New York State and Ontario from the 1620 s to the present Handbook on Participatory Action Research and Community Development Stoecker , Randy,Falcón, Adrienne,2022-04-08 This Handbook is a critical resource for carefully considering the possibilities and challenges of strategically integrating participatory action research PAR and community development CD Utilizing practical examples from diverse contexts across five continents it looks at how communities are empowering themselves and bringing about systemic change **Walter Gordon and the Rise of Canadian Nationalism** Stephen Azzi,1999 From the 1950s to the 1970s Walter Gordon was the voice of English Canadian nationalism first as chair of the Royal Commission on Canada s Economic Prospects then as a minister in Lester B Pearson s cabinet and finally as founder and honorary chair of the Committee for an Independent Canada In the late 1960s many Canadians heeded Gordon s call for limits on the level of American investment in Canadian industry and joined with him to form a broad movement to limit American influence in Canada White Settler Reserve Ryan Eyford,2016-07-01 In 1875 Icelandic immigrants established a colony on the southwest shore of Lake Winnipeg The timing and location of New Iceland was not accidental Across the Prairies the Canadian government was creating land reserves for Europeans in the hope that the agricultural development of Indigenous lands would support the state s economic and political ambitions In this innovative history Ryan Eyford expands our understanding of the creation of western Canada his nuanced account traces the connections between Icelandic colonists the Indigenous people they displaced and other settler groups while exposing the ideas and practices integral to building a colonial society **Within and Without the Nation** Karen Dubinsky,Adele Perry,Henry Yu,2015-01-01 Moving beyond well known comparisons with Britain and the United States the fifteen essays in this collection connect Canada with Latin America the Caribbean and the wider Pacific world as well as with other parts of the British Empire **Inventing Sam Slick** Richard A. Davies,2005-01-01 Thomas Chandler Haliburton 1796 1865 was one of pre confederation Canada s best known authors His popular Sam Slick the Clockmaker character was a household name not only

in his home country but also in England and the United States Born in Windsor Nova Scotia Haliburton was not only a writer but also a lawyer judge politician and historian He gained fame for his writing in 1836 with *The Clockmaker or the Sayings and Doings of Samuel Slick of Slickville* for a Halifax newspaper It became a hit in England and was followed by six sequels Although Haliburton tried to put Sam Slick aside and work in other genres he found himself invariably returning to the character in his later books This commitment to Slick resulted in a curious effacement of Haliburton's own personal gentlemanly identity which he spent the second half of his life affirming by fostering links with socially well connected family in England In the public imagination however he remained linked with Sam Slick Based on over ten years of archival research Richard A Davies's scholarly biography of Haliburton is the first since 1924 It is an engaging examination of a controversial and contradictory Canadian writer and significant figure in the history of pre confederation Nova Scotia

Telfer, 2004-05-05 In the 1880s the provincial government dispatched land surveyors to explore the northern Ontario hinterland in preparation for settlement *Thinking Through Tourism* Julie Scott, Tom Selwyn, 2021-01-14 The study of tourism has made key contributions to the study of anthropology This volume defines the current state of the anthropology of tourism examining political economic ideological and symbolic themes An extraordinarily rich collection of case studies illustrate topics as diverse as hospitality sex and tourism enchantment colonial and neo colonial consumption and the relation between tourism and gender and ethnic boundaries as well as questions of global economic and cultural systems modernism and nationalism The book also covers practical and policy issues relating to urban rural and coastal planning and development *Thinking through Tourism* assesses the enormous potential contribution that analysis of tourism can offer to mainstream anthropological thinking The volume opens up new avenues for enquiry and is an essential resource for students and scholars of anthropology geography tourism sociology and related disciplines

Frontiersmen and Settlers William C. Wonders, 2002 The chronicle of the Bell family is one which will be familiar to thousands of other Canadians whose ancestors were part of a massive immigration from the British Isles to Ontario in the early 19th century Originally the Bells were one of the troublesome riding clans of the Scottish borders Another Bell group originated as an offshoot from Clan MacMillan in western Argyllshire Many moved or were moved to Ireland in the early 17th century Plantation of Ulster where their descendants remain to the present as Ulster Scots By the early 19th century severe economic depression land pressures and increased friction with the native Irish were widespread It led to a major emigration of Ulster Scots to North America and particularly to Upper Canada Their imprint on the character of Ontario persists to the present After describing the nature and character of the countryside and of the Bells generally in the Scottish Borders and in Ulster the author follows his maternal ancestors as they experience the hardships of emigration in 1832 the cholera year and deal with the demands of pioneering in a new country Originally they settled just southwest of Peterborough but subsequently were attracted northwards when the Haliburton Highlands were opened for settlement There

the Canadian Shield provided severely limited prospects for farming and the family relocated to north Simcoe County When the Canadian Northwest was opened for settlement in the late 19th century several family members moved to what became today's Prairie Provinces Those that remained in Ontario abandoned farming in the early 20th Century in favour of city life in a rapidly growing Toronto Today's descendants are widely dispersed across central and western Canada and in the western United States The author draws on a wide spectrum of material official records contemporary newspapers and published accounts family records letters and interviews to provide a vivid backdrop for the lives of his Bell family over time Material and information has been collected by him over twenty five years in Scotland Ireland Canada and the United States Reaction from Readers There are several reasons to buy and read this book if you would like to be inspired by the methodology of a trained academic researcher and writer this is a book for you This is a work that speaks to us directly and immediately from the times and circumstances under consideration Len Chester Families Magazine May 2004 A valuable addition to the Ontario pioneering literature Dr J D Wood Professor of Geography York University Toronto We do wish to congratulate you again for your outstanding book It is impossible to imagine the tremendous amount of research that you did We find the amount of detailed history throughout so fascinating as well as the social and geographic study of communities Mr Mrs Millburn Jones genealogists of Peterborough Ontario The definitive chronicle of the Bell family migration meticulously authored by a professor of international renown Denis Bell Canadian Representative of the Bell Family Association Clan Bell Association will be a most helpful reference aid for those searching Bell ancestors You are to be congratulated on such an impressive piece Fintan Mullan Executive Director Ulster Historical Foundation I just finished your book and felt at the end that your family history was virtually our family history This is a wonderful study that I would call middle history somewhere between global history and individual history biography Congratulations What a tremendous amount of research you have done I hope that this book becomes well known because undoubtedly it will save others a good deal of time in their family research A really strong point of the work is the well reconstructed social and physical back

Bibliographie Annuelle D'histoire Ontarienne, 1983 **Canadian Books in Print**, 1989 *Labouring Lives* Paul Craven, 1995 For twenty years labour and working class history has emphasized the struggle for workplace control between

skilled craftsmen and factory owners in Ontario's major industrial cities. This preoccupation not only has left the great majority of the province's working people in the shadows of history but has isolated labour history from such other new histories as women's history, ethnic history, and the history of mobility. This collaborative volume argues for a more nuanced account of the diversity of working people's experience in the nineteenth century. It presents detailed studies of a broad range of occupations and institutions that figured prominently in workers' lives. These include the more common jobs: farm labour, housework, lumbering, and the more pervasive institutions: the church, the law, the family, as well as new accounts of industrial labour in small town factories and on the railways. The themes explored include class formation, the nature and meaning of work, labour relations, and the character of economic and social change in nineteenth century Ontario.
