F.'S STORY YUSUF DEMİR,2024-10-19 When the protagonist of this book opened their eyes in a town they didn t
recognize feeling as lost as a fish out of water they were uncertain about which path to take The character s name could have
been any name ever invented but to leave this possibility open we decided to represent them with just one letter F F doesn t
know where they came from all they know is that they are about to embark on an unknown journey These two unknowns
initially preoccupied F s mind intensely but the ordinary busyness of daily life seemed to dull this intensity somewhat F is a
person strong enough to be well intentioned but they lack the strength and courage to put their good intentions into practice
F is aware of this This ironic state of mind causes them to fail almost every test of their good intentions This greatly disturbs
F and at one point they vow to eliminate the disproportion between their ideals and their actions no matter what they will act
as their ideals dictate Will F be able to achieve this We don t know for sure but we sincerely hope so The Dead of Life
Chris Berrer,2011-09-01 The Dead of Life is a world that is quickly consumed by an unnatural force gripping the dead Driven
by their hunger for flesh of the living they sweep across the lands beneath the seas unchecked Even with the collapse of the
federal government an organization of scientists works diligently for a way of combating the viruses that is responsible for
reanimating the dead All a while leaving those who have will to live struggle for survival with no law to bind ethics the worst
of humanity arises but for your own life how much are you willing to sacrifice How much is too much till you no longer see
yourself as human At what cost *Bad Guy's Clothes* Tommy Nocerino,2020-06-26 Who is killing the leading actors on
Broadway Why are they being murdered Detective Sergeant Dante Lane of the New York City Metropolitan Police
Department is assigned to find the killer With hardly a clue and no witnesses he has to dig into the odd world of the theater
coming across a variety of characters At the same time he is in a personal battle with the local crime boss operating extortion
and vice shielded by the corrupt city political machine In the tumultuous era known as The Gay Nineties Lane under the
guidance of his mentor and friend Police Commissioner Theodore Roosevelt is empowered to take the mob head on Can he
alone defeat the organized gang s reign of terror Can he find and bring to justice the killer that s destroying the rising New
