

how to Be a Great Storyteller

by Anna Vital

"Remember Mark who lived in our garage last year?"

frontload
your story with who, when, where

"You know how Mark makes money?"

Setup a question

(meanwhile show emotion)

delay
the answer

"None of Mark's friends knew this until yesterday..."

mask
the questions you ask

"He sells his ideas."

now give the answer

"If you saw his empty office, you might guess."

give a faint clue

(is Mark hiding something?)

let people make wild assumptions

"Yesterday at his surprise party Dick asked Mark how he makes money."

keep the mystery ball rolling

(What was the surprise party about?)

let every answer produce more curiosity

(people remember stories that made them feel something)

leave the ends loose

"Then Mark gave me one million bucks cash to hold in my hands. I felt like a rockstar."

tell them how it felt

"Mark showed him a list of ideas he sold to Google. He made 2 million on that alone."

fill all necessary details

Isn't holding another person's million pointless?

How can you sell ideas?

Guide To Story Telling
