County, Iowa ,1962 White Diaspora Catherine Jurca,2011-11-28 This is the first book to analyze our suburban literary tradition Tracing the suburb s emergence as a crucial setting and subject of the twentieth century American novel Catherine Jurca identifies a decidedly masculine obsession with the suburban home and a preoccupation with its alternative the experience of spiritual and emotional dislocation that she terms homelessness In the process she challenges representations of white suburbia as prostrated by its own privileges In novels as disparate as Tarzan written by Tarzana California real estate developer Edgar Rice Burroughs Richard Wright s Native Son and recent fiction by John Updike and Richard Ford Jurca finds an emphasis on the suburb under siege a place where the fortunate tend to see themselves as powerless From Babbitt to Rabbit the suburban novel casts property owners living in communities of their choosing as dispossessed people Material advantages become artifacts of oppression and affluence is fraudulently identified as impoverishment The fantasy of victimization reimagines white flight as a white diaspora Extending innovative trends in the study of nineteenth century American culture Jurca s analysis suggests that self pity has played a constitutive role in white middle class identity in the twentieth century It breaks new ground in literary history and cultural studies while telling the story of one of our most revered and reviled locations the little suburban house at number one million and ten Volstead Avenue that Edith Wharton warned would ruin American life and letters Shakespeare Cut Bruce R. Smith,2016 Video cuts in Shakespeare productions by companies like the Wooster Group and Toneelgroep Amsterdam cut and paste searches of Shakespeare s texts in online databases cut scenes from Shakespeare in video games mp3 files of famous Shakespeare speeches by famous

actors mash ups using Shakespeare clips on YouTube not to mention customary cuts to Shakespeare s scripts in stage productions and films all are examples of how Shakespeare is being consumed today through cuts In distracted times Shakespeare has in more ways than one been driven to distraction Shakespeare Cut considers these contemporary practices but it also takes the long view of how Shakespeare s texts have been cut apart in creative ways beginning in Shakespeare s own time The book s five chapters consider cuts cutting and cutwork from a variety of angles 1 as bodily experiences 2 as essential parts of the process whereby Shakespeare and his contemporaries crafted scripts 3 as units in perception 4 as technologies situated at the interface between figure and life and 5 as a fetish in western culture since 1900 Printed here for the first time are examples of the cut ups that William S Burroughs and Brion Guysin carried out with Shakespeare texts in the 1950s The illustrations range from seventeenth century promptbooks to the earliest photographs of Shakespeare performers in the 1840s and 50s to cards from The Shakespeare Game published in 1900 to Wyndham Lewis s lithograph of Timon of Athens for the first issue of BLAST in 1914 to stills from contemporary multimedia productions like Toneelgroep s Kings of War publisher website *Jack Kerouac's On the Road* Harold Bloom,2004 Presents ten critical essays published between 1973 and 2001 on Jack Kerouac s On the Road and includes a chronology a bibliography and an introduction by Harold Bloom **The Will to Empower** Barbara Cruikshank,1999 Combining knowledge of social policy and practice with insights from poststructural and feminist theory the text demonstrates how democratic citizens and the political are continually recreated **University of Chicago Law School roundtable** ,1997 Bibliography of Agriculture ,1963
