librarian will want to use to develop and enhance multi media skills The digital age has created a divide between music librarians and their patrons traditional models of interaction have been superseded or replaced by electronic communication and virtually all librarians have felt the ensuing decline of their users information seeking skills Music librarians can now be proactive in reaching out to patrons digitally with videos and podcasts since editing technologies for both platforms have become inexpensive and easy to use In *A Music Librarian's Guide to Creating Videos and Podcasts* Katie Buehner and Andrew Justice give music librarians the step by step instructions for creating their own content in both Mac and PC platforms This ready reference on videos should find home in every library and also many personal collections

Directions in Music Cataloging Peter H. Lisi, Richard Griscom, 2012-01-01 In *Directions in Music Cataloging* ten of the field's top theoreticians and practitioners address the issues that are affecting the discovery and use of music in libraries today Anyone who uses music in a library be it a teacher researcher student or casual amateur relies on the work of music catalogers and because these catalogers work with printed and recorded materials in a wide variety of formats they have driven many innovations in providing access to library materials As technology continues to transform the discovery and use of music they are exploring ways to describe and provide access to music resources in a digital age It is a time of flux in the field of music cataloging and never has so much change come so quickly The roots of today's issues lie in the past and the first part of the volume opens with two articles by Richard P Smiraglia that establish the context of modern music cataloging through research conducted in the early 1980s The second part explores cataloging theory in its current state of transition and the concluding part looks to the future by considering the application of emerging standards The volume closes with a remembrance of A Ralph Papakhian 1948 2010 the most prominent music cataloger of the past thirty years a figure who initiated many of the developments covered in the volume and who served as a teacher and mentor for all of the contributors

Careers in Music Libraries IV Misti Shaw, Susannah Cleveland, 2022 Music librarianship offers meaningful and fulfilling work to people from varied backgrounds As libraries adapt to everchanging economic demographic cultural and technological landscapes it is essential for music library workers to possess a keen understanding of what is needed to remain relevant and to thrive Whether contemplating a new career in music libraries expanding liaison responsibilities in music seeking paths for professional development or feeling eager to reinvigorate a music library career readers can turn to this book to gain practical and approachable guidance to succeed In this substantially expanded edition of *Careers in Music Librarianship III* experienced expert professionals have updated their pragmatic advice and insight from the previous edition to reflect the realities and challenges of today's landscape Since music library work takes place in both traditional and non traditional settings this edition incorporates advice on a wide range of topics not covered in earlier editions including paraprofessional employment liaison work archives settings and transitions from performance based careers Geared toward workers in music libraries rather than simply to those who are or aspire to be librarians this volume is intended to support

people on an array of potential career paths All who work in music libraries will find both inspiration and straightforward guidance in this indispensable book **Collection Development Policies** Linda S Katz,2003-12-22 Get the tools you need to build a collection development policy that will help your library run efficiently today and in the future Considering the amount and variety of topics being published effectively organizing and guiding a library in today's accelerated world is no easy task *Collection Development Policies* New Direct *Cataloging Sheet Music* Music Library Association. Working Group on Sheet Music Cataloging Guidelines,2003-07-08 Discussions are designed to expand the music cataloger's understanding of publishing practices peculiar to sheet music While much of the content emphasizes the description of the music there are also sections devoted to subject access to illustrations first line chorus refrain text illustrators engravers and publishers and extensive reproductions of title pages from the 18th through mid 20th centuries accompanied by examples of the cataloging are also included **Careers in Music Librarianship II** Paula Elliot,Linda Blair,2004-02-09 Following in the footsteps of *Careers in Music Librarianship* MLA 1990 this resource examines the profession as it responds to these changes without losing sight of the human element within it *Careers in Music Librarianship III* Susannah Cleveland,Joe C. Clark,2014-01-01 Music librarianship a profession that brings joy and satisfaction to many is subject to constant change that requires in turn continual adaptation from its practitioners so that they become comfortable with new technologies and formats changing standards and fresh approaches Relevant and solid training and education are crucial to success in this field but they alone are insufficient to guarantee placement or promotion Recent economic shifts have created additional instability leaving graduates from programs in librarianship sometimes unemployed and with little feedback about the quality of their experience and education while their employed counterparts likewise have little knowledge of their skills relevance to the current job market Knowledge of training education and current employer expectations for music librarians can help ease such concerns and pave the way for a successful career or career change As with the two previous editions of *Careers in Music Librarianship* this volume provides career resources and guidance for current and future librarians as well as insights for mentors and educators working with these populations With this volume the contributors provide a selection of readings that can help people in and considering this profession to make realistic informed and strategic decisions about how to succeed in it As the profession changes so must the professionals within it and everyone involved with music librarianship will benefit from the guidance offered in this exciting new book *Music Description and Access* Jean Harden,2018-01-01 *Music Description and Access* Solving the Puzzle of Cataloging is both a textbook for students and a handbook and reference source for practicing catalogers The bulk of the book is a step by step guide to cataloging music materials with dozens of examples showing images of published scores or audio recordings Content and encoding are treated separately using RDA and MARC21 Interspersed in the chapters on practical cataloging are short Historical Asides essays putting particular devices or conventions into context These essays supplement a chapter on cataloging history which follows an introductory

chapter that sets the stage for the task at hand The book ends with a chapter by Maristella Feustle on describing and providing access to music special collections using both archival and rare music cataloging standards Aids in navigating the book include an index plus multiple lists and tables A bibliography and a list of cataloging tools that are available online are also given
