Guiding Your Child To A More Creative Life:

Guiding Your Child to a More Creative Life Fredelle Bruser Maynard, 1973 Your Six-Year-Old Louise Bates Ames, Frances L. Ilg, 2012-01-18 The six year old is a complex child entirely different from the five year old Though many of the changes are for the good Six is growing more mature more independent more daring and adventurous this is not necessarily an easy time for the little girl or boy Relationships with mothers are troubled most of the time Six adores mother but whenever things go wrong it s her fault It used to be at Five that she was the center of the child s universe now the child is the center of his own universe Parents need the expert advice of Drs Ames and Ilg during this difficult year to explain parent child relations friendships with peers what six year olds excel at how they see the world what it feels like to be entering the first grade Children need patience and understanding to help make this transition easier **Your Three-Year-Old** Louise Bates Ames, Frances L. Ilg, 1980-08-15 A three year old is a real puzzle to parents sometimes anxious to please and befriend sometimes strong willed and difficult to get along with At the heart of the three year old s personality is often an emotional insecurity and this causes a host of problems for parents Drs Ames and Ilg recognized authorities on child behavior and development help parents understand what s going on inside that three year old head what problems children have and how to cope with the toddler who is sometimes friend sometimes enemy Included in this book Jealousy of a new sibling Toilet training How to improve a child s eating habits Friendships with peers Common fears Developing language skills Nursery school Books for parents and three year olds Louise Bates Ames and her colleagues synthesize a lifetime of observation of children consultation and discussion with parents These books will help parents to better understand their children and will guide them through the fascinating and sometimes trying experiences of modern parenthood Donald J Cohen M D Director Yale Child Study Center Irving B Harris Professor of Child Psychiatry Pediatrics and Psychology Yale School of Medicine *It's OK Not to Share and Other Renegade Rules for Raising Competent and Compassionate Kids* Heather Shumaker, 2012-08-02 Parenting can be such an overwhelming job that it s easy to lose track of where you stand on some of the more controversial subjects at the playground What if my kid likes to rough house isn t this ok as long as no one gets hurt And what if my kid just doesn t feel like sharing In this inspiring and enlightening book Heather Shumaker describes her quest to nail down the rules to raising smart sensitive and self sufficient kids Drawing on her own experiences as the mother of two small children as well as on the work of child psychologists pediatricians educators and so on in this book Shumaker gets to the heart of the matter on a host of important questions Hint many of the rules aren t what you think they are The rules in this book focus on the toddler and preschool years an important time for laying the foundation for competent and compassionate older kids and then adults Here are a few of the rules It s OK if it s not hurting people or property Bombs guns and bad guys allowed Boys can wear tutus Pictures don t have to be pretty Paint off the paper Sex ed starts in preschool Kids don t have to say Sorry Love your kid s lies IT S OK NOT TO SHARE is an essential resource for any

parent hoping to avoid PLAYDATEGATE i.e. your child's behavior in a social interaction with another child clearly doesn't meet with another parent's approval

Your Five-Year-Old Louise Bates Ames, 2012-01-18 A five year old is a wonderful fun loving exuberant child But what's going on inside that five year old head What stages of development does a child this age go through and what should parents know that can help their five year old handle this impressionable year Recognized authorities on child behavior and development Drs Ames and Ilg answer these and many other questions offering both invaluable practical advice and enlightening psychological insights Included in this book Characteristics of age Five The child and others Discipline Accomplishments and abilities The child's mind School The five year old party Individuality Stories from real life Good books and toys for Fives Books for parents Louise Bates Ames and her colleagues synthesize a lifetime of observation of children consultation and discussion with parents These books will help parents to better understand their children and will guide them through the fascinating and sometimes trying experiences of modern parenthood Donald J Cohen M D Director Yale Child Study Center Irving B Harris Professor of Child Psychiatry Pediatrics and Psychology Yale School of Medicine

Your Four-Year-Old Louise Bates Ames, 2012-01-18 What is it about four year olds that makes them so lovable What problems do four year olds have What can they do now that they couldn't do at three Drs Ames and Ilg recognized authorities on child behavior and development discuss these and scores of other questions unique to four year old girls and boys and they offer parents practical advice and enlightening psychological insights Can Your Four Year Old make you a happier less stressed and more efficient parent You bet Find out about Embarrassing moments how to deal with a four year old's fascination with bowel movements belly buttons body parts and forbidden words without turning red Words that will work a miracle what to say to give your child an instant smile raise self esteem and change behavior quicker than criticism Hyperactivity how to determine if your always on the go four year old is truly hyperactive Kindergarten readiness school too soon can cause lifelong problems so note this warning for parents of fall babies Encouraging creativity fifteen activities you can initiate to stimulate your child's natural talents and have a great time too Your child's body type round and plump or bony and angular does it predict behavior temperament and social success and more
