*Crossing Textual Boundaries in International Children's Literature* Lance Weldy,2011-01-18 As the first part of the title indicates my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well If we believe that no text is an island then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry I included the word boundaries into the title because we never get tired of voicing our opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more emphasis on children s literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales

cultura y del entretenimiento en México. Es por último una invitación a reflexionar sobre la función del espectáculo en el suministro de imágenes para una memoria colectiva que guarda mucha relación con lo que somos o creemos ser Salvador Plancarte. Cartelera del cine en México, 1904 Juan Felipe Leal, 2013-06-01. Modelo ejemplar de investigación sociolítica y cultural es el que construye Juan Felipe Leal quien en este segundo tomo de la colección Cartelera del cine en México 1903-1911 rescata para placer de los espectadores curiosos el repertorio temático del cine inicial. Haciendo propias las palabras del autor diremos que la mayor parte de la producción del cine primerizo fue no ficcional: escenas de clowns, boxeadores, acróbatas, contorsionistas y prestidigitadores; exhibiciones de forzudos y animales amaestrados; danzas, actos de mímica y meros de ilusionismo y magia; travelogues, actualidades y corridas de toros; y la menor parte de ella fue ficcional: noticias reconstruidas, anuncios publicitarios, escenas eróticas, relatos cínicos, pasiones cristianas, adaptaciones de clásicos de la literatura o del teatro y melodramas. Señal advierte Leal a partir de 1903 tuvo lugar un ascenso de las películas ficcionales y una caída de las vistas no ficcionales. Transformación a la que corresponde un progresivo abandono de las funciones educativas, informativas y publicitarias del medio y un reforzamiento cada vez mayor de su papel de entretenimiento. Además las cintas fueron incrementando su longitud de los 30 o 40 segundos de duración de los primeros a os se transcurrió al minuto y medio a los 3 minutos, a los 5 minutos, a los 12 minutos y así sucesivamente hasta llegar a verdaderos largometrajes. El libro que el lector tiene en sus manos nos transporta como en un viaje por medio de la máquina del tiempo ideada por H. G. Wells al cine de los orígenes que se presentaba como un compendio de temas y motivos sacados de las tradiciones culturales más variadas desde el periodismo hasta la literatura clásica e infantil, desde el circo y el teatro de variedades hasta la literatura mágica desde el turismo hasta la narrativa religiosa. Todo esto lo recrea Juan Felipe Leal en detalle y profundidad. Más no sólo nos ofrece sus textos sino también una abundante recopilación de fotogramas, fotografías, estampas, grabados, dibujos, carteles, programas de mano y anuncios publicados en revistas y periódicos. Imágenes en suma que recogen el espectáculo de una época. Cartelera del cine en México 1904 es más un objeto de colección y la serie completa a la que pertenece que llegar a doce volúmenes lo es a nosotros Francisco Sánchez. *Haven't I Seen You Somewhere Before?* James L.
