**The Real Axis of Evil** Stephen Kaposi, 2004-09 In The Real Axis of Evil author Stephen Kaposi has utilised extensive research to provide a tough and uncompromising indictment of the US invasion of Iraq Western imperialism globalisation the Israeli treatment of the Palestinians and the Police State being created in the name of security He reveals clearly how the mainstream media has provided a pro establishment coverage to convince people of the need for war and increased security measures that are intended to control their populations He demolishes the facades of George W Bush and Tony Blair to reveal dangerous war makers intent on controlling the world and

destroying opposition to their new Empires He shows why Iraq has descended into chaos by revealing the extraordinary level of opposition to America not just in Iraq but around the world The Real Axis of Evil is the necessary perspective to the sanitised pro American image the mainstream media has built to deceive people of the real world situation The Real Axis of Evil provides the truths that the government and their media allies don t want you to know and do their best to cover up

*Bush League Diplomacy* Craig R. Eisendrath, Melvin A. Goodman, 2012-08-06 Fifty years ago the United States founded the United Nations promoted the Universal Declaration of Human Rights used economic aid as a tool for creating stability and viewed collective agreements and cooperation as the principal methods of sharing the costs and the risks of security Today under the leadership of George W Bush the main tool of foreign policy is military force not diplomacy America is going it alone and paying the price both abroad and at home In this comprehensive critique of the Bush administration s handling of international relations Craig R Eisendrath and Melvin A Goodman both senior fellows at the Center for International Policy demonstrate the folly and the dangers of abandoning diplomacy and relying on military force as the chief means of conducting U S foreign policy The authors argue that a policy of bullying will sow seeds of resentment and mistrust among our potential allies and encourage nations hostile to our interests to seek nuclear and other weapons of mass destruction as a last resort method of protecting themselves against a belligerent world power Eisendrath and Goodman foresee the international community becoming dangerously unstable not more secure under a Pax Americana maintained by military might On the domestic front the authors warn that a policy emphasizing the power of the executive branch at the expense of Congress and suspending long standing civil rights under the pretext of national security threatens the Constitution Finally the economic effect of huge military expenditures financed by deficit spending has the potential of eroding domestic tranquility for decades This trenchant review by two experienced foreign policy analysts will serve as a wake up call to the dangerous militarism at the heart of the Bush agenda Craig Eisendrath Philadelphia PA a former diplomat is a senior fellow at the Center for International Policy in Washington D C an adjunct professor at Temple University the author with Melvin A Goodman and Gerald E Marsh of *The Phantom Defense America s Pursuit of the Star Wars Illusion* among other books and the editor of *National Insecurity U S Intelligence After the Cold War* Melvin A Goodman Washington D C a former CIA official is a senior fellow at the Center for International Policy chairman of the International Relations Department at the National War College and an author of books on defense and international relations **The Statesman's Yearbook 2005 B.**
