Gun Runners Daughter:

The Gun Runner's Daughter Neil Gordon,2011-12-07 In 1995 Neil Gordon's Sacrifice of Isaac was one of the most acclaimed novels of the year Newsday said it immediately vaults Gordon into the company of John le Carr and Graham Greene The Washington Post called it one of those rare works of fiction that are both edifying and almost sinfully pleasurable The San Francisco Chronicle described it as the best kind of page turner Now Neil Gordon returns with The Gun Runner's Daughter an equally compelling tale of moral and psychological suspense the story of two lawyers who fall in love while they are on opposite sides of an arms dealing scandal For twenty seven years Allison Rosenthal has lived the life of the liberal elite from summers in Martha's Vineyard to her studies at Yale But when her father is indicted on federal charges and his profession arms dealing is exposed to public scrutiny her placid life changes radically And when her secret childhood lover is named as her father's prosecuting attorney she must decide where her loyalties lie in a trial that is rocking the presidential administration Does family come before politics Love before law Truth before loyalty These are the questions the gun runner's daughter must face as she tries to negotiate the dangerous and murky world of her father's profession and the ambiguous morality of power politics in America and Israel In this audaciously entertaining intellectual thriller Neil Gordon brings the personal and political together with the mastery of a great storyteller *Cynthia, a Daughter of the Philistines* Leonard Merrick,1896 *Counter Strike* Patricia Bates,2022-04-18 A woman with secrets A man with honor Can love survive Alex Caden a ghost a blip on a screen Kidnapped by an unknown foe her rescue comes at the hands of an elite Navy SEAL team But nothing is as it seems and danger lurks in the shadows Now hunted by those who want her silenced she's forced to rely on her rescuer Slade Lake has dedicated his life to keeping civilians safe When he saves Alex he knows as soon as he sees her that they're meant to be together With killers dogging their every step and secrets unfolding can they find love or will the enemies from the shadows destroy everything The Gun-runner Bertram Mitford,1893 12 Miles South of Nowhere Al Ferber,2005-12-13 12 Miles South Of Nowhere is covered by dark unforgiving terrain of the heart of the soul of unfulfilled dreams dashed against cruel rock formations But it beckons to the curious as do many uncharted territories with promises of the as yet unfound unexplored like a bottle of whiskey that promises heaven and oblivion even though you've been there a thousand times before *OF RUMOURS LIVED AND TOLD* ANN CORREA,2016-08-08 On a lazy Sunday afternoon after a lunch of succulent pork and chilled beer Andrea settles down with her uncle and aunt to retell family stories of Akkai a Roman Catholic nun and Andrea's great aunt who died under mysterious circumstances This gets Andrea thinking about the lives of the other nuns in the family like bold and brassy salsa dancing great aunt Deidre who left the convent to be the Principal of a college others soft and steely like Akkai and the don like Stella Marie a nursing superintendent Andrea realizes these women have played a large part in the architecture of her childhood in the Mangalorean Catholic community of Bangalore As she talks to family members about the nun aunts Andrea unearths some peculiar and quirky aspects Through

whispered stories in the family she comes to appreciate the porous convent walls the nun aunts and the family navigate But she also encounters unexpected reticence from some of the family whose memories of the nun aunts are somewhat differently textured This richly human memoir tells the story of how a young girl finds her way through a flood tide of recollections and emotion to navigate the tricky shoals of family ties in an effort to bring closure to the family past
