Guide to the Vicksburg Campaign Leonard Fullenkamp, Stephen Bowman, Stephen Lee Bowman, Jay Luvaas, 1998 In the same week that Union forces triumphed at Gettysburg they also captured the river fortress at Vicksburg Mississippi Although much less memorialized than Gettysburg the fall of Vicksburg was every bit as crucial to the Union cause Pitting Ulysses S Grant and William T Sherman against John Pemberton and Joseph Johnston the victorious Vicksburg Campaign helped revive a war weary North gave it absolute control of the Mississippi River severed the western Confederacy from the East and further constricted the South's ability to wage war as the Union drove ever deeper into its heartland It also gave Grant the campaign's chief architect a dramatic venue for demonstrating his maturing skills and intelligence as a strategist and field commander Unlike other volumes in the U S Army War College Guides to Civil War Battles series this one examines an entire campaign looking at many interlinked battles and joint Army Navy operations as they played out over seven months and thousands of square miles of rivers streams swamps lakes forests hills and plains surrounding Vicksburg In addition to detailed coverage of the actual Siege of Vicksburg the book also chronicles the battles at Jackson Port Gibson Raymond Champions Hill and Big Black Ridge Like the other volumes in the series this one combines eyewitness accounts with maps illustrations and tour directions to illuminate the events for both tourists and arm chair travellers For anyone interested in learning more about this relatively neglected but pivotal Civil War campaign the Guide to the Vicksburg Campaign is must reading

Giambrone, 2011

The Vicksburg Campaign Kevin Dougherty, 2015-03-06 The Union victory at Gettysburg is widely considered the turning point of the Civil War but many scholars consider the capture of Vicksburg the decisive action Building on a well established body of literature including the author's previous work this book provides a comprehensive narrative and single volume reference work on the Vicksburg Campaign The action is traced from Farragut's failed navy only efforts to bypass the city through Grant's botched series of canal schemes to his brilliant series of maneuvers that left Pemberton and his garrison besieged for more than 40 days Key Union and Confederate players are identified and the strategic circumstances that made Vicksburg the linchpin of the Western Theater are described Appendices include information about Vicksburg National Military Park the Federal and Confederate Orders of Battle and the Medal of Honor at Vicksburg Staff Ride Handbook for the Vicksburg Campaign, December 1862-July 1863 Christopher Richard Gabel, 2001 **Vicksburg Campaign Trail, Feasibility Study**, 2005 **Vicksburg and the Opening of the Mississippi River, 1862-63**, 1985 Describes the 14 month defense of Vicksburg Mississippi by Confederate forces and the 47 day siege of Vicksburg by Union naval and land forces which led to the complete opening of the Mississippi River This publication is based on a previous publication by William C Everhart **An Educational Guide to the National Park System** Carol Smallwood, 1989 A guide to the unique resources available from 327 national park system facilities **The Vicksburg Campaign, 1863** Chris Mackowski, 2025-04-30 A fully illustrated account of the Vicksburg Campaign including modern color photography and covering the river war inland battles siege operations and more By the end of March 1863 Major General Ulysses S Grant was at a crossroads in his military career His bold attempts in the late fall 1862 and winter of 1862-63 had all come up fall short of his objective get his army on high ground north and east of Vicksburg and capture the last major obstacle on the Mississippi River Grant had been stymied by the difficult region's swampy bayous as well as Confederate resistance at key locations that thwarted his advances and prolonged his army's miserable dispositions in the sickly camps of Louisiana

bottomland Confederate Lieutenant General John C Pemberton had performed well using his interior rail lines and intelligence networks to place blocking forces or obstructions that delayed or derailed Grant's movements. Realizing his career was on the line, Grant chose the riskiest operation he could have concocted. In a joint military operation, Grant marched two of his army corps down the roads and along the bayous of Louisiana, repairing them as they progressed while Acting Rear Admiral David Dixon Porter led his ironclad gunboats with transports past the Confederate heavy artillery defending Vicksburg's riverfront. Grant hoped to get enough boats below the city to enable a crossing of the Mississippi River. Then he would force a march into the state and arrive at Vicksburg's back door from the east. In doing this, Grant would sever his main line of logistics and supply, something his subordinate officers thought was a disastrous mistake. Grant would take the risk in a zero-sum game: he would capture Vicksburg or destroy himself and his army doing so. This Casemate Illustrated examines the movements of the Union and Confederate armies from March 1863 through July 1863, the joint operational cooperation between the U.S. Army and U.S. Navy, the delayed and indecisive Confederate operations to stop the Federal initiative, and how the individual soldiers conducted the one of the greatest campaigns in American military history to control the Father of Waters, the Mississippi River.

The Battle of Gettysburg, fought on July 1, 2, and 3, 1863, changed the course of an epic war. Unlike other volumes on Gettysburg, this guide provides a unique blend of documentary sources and terrain descriptions with 25 stops arranged in the order of the actual battle as it unfolded. It combines official reports and observations of the commanding officers in their own words to recreate one of the pivotal encounters of the Civil War.

**Army History**, 2001 The Essential Guide to the Battle of Coffeeville, Mississippi Don Sides, 2015-09-02 In the fall of 1862 General U S Grant began his overland Vicksburg Campaign through the heart of Mississippi His route began in Grand Junction Tennessee ran down the Mississippi Central railroad through Holly Springs Mississippi over the marshy Tallahatchie River bottom through Oxford Water Valley past Coffeeville on to Grenada and eventually to the state capital at Jackson From there he would move west on the Southern rail line to Vicksburg capture it and in the process control the state of Mississippi and the Mississippi River But first he had to get past Pemberton's Rebels in north Mississippi Pemberton constructed strong fortifications on the Tallahatchie River but fell back to Grenada when the Union sent a flanking maneuver from Helena Arkansas Before Grant could reach Pemberton his cavalry was stopped in a hard fought clash at Coffeeville This action threw Grant's progress into neutral and provided time for the Rebs to regroup and plan a counter strike On the early morning of December 20 the Rebel cavalry struck Grant's main Mississippi base in Holly Springs ending the Mississippi Central Railroad campaign forcing the Federals out of Mississippi to re-plan the Vicksburg Campaign Learn what led to these battles how the out-manned and out-gunned Confederates fought and won them what effect it had on the Vicksburg Campaign and how it was part of the High Tide of the Confederacy
