Choosing Gratitude Nancy DeMoss Wolgemuth,2009-08-04 Gratitude is a choice If we fail to chose it by default we choose ingratitude And once allowed into the heart ingratitude does not come by itself but with a lot of other seedy companions that only succeed in stealing joy To not choose gratitude daily and deliberately is more costly than we usually realize And when we do choose a lifestyle of heartfelt humble gratitude we are mindful of the benefits received from our gracious Savior and those He has placed around us By intentionally thanking God and others bitterness and entitlement are replaced with joy and the humble realization of just how undeserving we really are Derived from a popular Revive Our Hearts radio series Choosing Gratitude Your Journey to Joy challenges and equips the reader to live a life of intention A life based on thankfulness for the freedom Christ has provided and for the blessings of others As a bonus a 30 day plan of journaling

prayer and activities to help the reader on her path to joy is included *Good Sex 2.0: What (Almost) Nobody Will Tell You About Sex* Zondervan, 2009-12 Hollywood and Catholic Women Kathryn Schleich, 2012-03-23 In this second edition of her exploration of Catholic women in film and television author Kathryn Schleich presents an in depth feminist point of view while addressing important questions about the role of women in both the Church and Hollywood Throughout Schleichs extensive research she noticed that themes of fear mistrust and even hatred of women were prevalent While examining such deeply ingrained attitudes it soon became evident to Schleich that Catholic women still have a long way to go in Hollywood As she carefully explores the sexual tension between Sister Benedict and Father OMalley in *The Bells of St Marys* the brutal murder of Theresa Dunn in *Looking for Mr Goodbar* and the stereotype shattering Grace Hanadarko of *Saving Grace* Schleich offers an insightful portrayal of womens oppression within the Catholic Church and explores whether Catholic women are better off today This study encourages contemplation of the place of Catholic women within the ever changing spheres of cinema and television ultimately encouraging movement toward the goal of achieving equal status for women in all realms of life **Redeeming the Gospel** David A. Brondos, For many people today the Christian gospel as traditionally articulated has become irrelevant and meaningless making it necessary to rethink our understanding of the gospel Redeeming the Gospel examines the central themes traditionally associated with Lutheran theology including especially law and gospel the work of Christ and the doctrine of justification by grace through faith in order to deconstruct and reconstruct our understanding of the gospel so that it may be proclaimed in a way that responds to the needs and concerns of our world today **A Religious Encyclopædia, Or, Dictionary of Biblical, Historical, Doctrinal, and Practical Theology** Schaff, 1883
