Gullivers Troubles Or The Setting Of American Foreign Policy

David Mayers

Gullivers Troubles Or The Setting Of American Foreign Policy:

GULLIVER'S TROUBLES, OR THE SETTING OF AMERICAN FOREIGN POLICY STANLEY HOFFMANN,1968

Force and accommodation in world politics ,1991 *George Kennan and the Dilemmas of US Foreign Policy* David Mayers,1990-04-12 Drawing upon a wealth of original research David Mayers fascinating life of George Kennan examines his participation in the process of making foreign policy and interprets his political and philosophical development within a historical framework He presents an engaging and lucid account of Kennan s training his rise to prominence during the late 1940s and his policy failures and his later role as critic of America s external policy advocate of détente with the Soviet Union and proponent of nuclear arms limitation Mayers also explores Kennan s complicated relationships with such prominent political figures and analysts of his time as Dean Acheson John Foster Dulles and Walter Lippmann **Henry Kissinger**

and the American Approach to Foreign Policy Gregory D. Cleva,1989 This analysis of Henry Kissinger s historical philosophy statecraft and views on international politics reveals Kissinger to be a transitional figure who urged a conversion of American foreign policy from an insular to a continental approach **The Politics of United States Foreign Policy** James M. Scott,Jerel A. Rosati,2020-01-21 This is a deep and well thought out framework for studying U S foreign policy Its focus on institutions and decision making sets it apart from other texts and its ability to help students think systematically and empirically is a major plus Matthew Zierler Michigan State University What are the factors that shape and determine the foreign policy choices of the United States The Politics of United States Foreign Policy helps students consider the players processes and politics that drive U S decisions and involvement in foreign policy James Scott and Jerel Rosati emphasize that society government and global forces have a role to play in the struggle over competing values when it comes to foreign policymaking The book discusses historical patterns the president s ability to influence both at home and abroad and the tension between democracy and national security Now at CQ Press the Seventh Edition has been updated to cover developments since the end of the Obama administration the transition to the Trump administration the challenges of changing international and domestic contexts and the increasingly partisan political environment The authors provide a comprehensive text that blends substance theory and stimulating analysis **The United States and Israel** Abraham

Ben-Zvi,1993 Ben Zvi also shows how former Prime Minister Shamir s decision to build settlements in the occupied territories aggravated an already tense situation between the U S and Israel and he concludes with comments on the Gulf War and the return to power of the Labor Party in 1992 *Foreign Policy* Ernest Petrič,2013-01-15 Foreign Policy From Conception to Diplomatic Practice represents an original and important contribution to the study of foreign policy uniquely framed by the experiences of small and new countries Ambassador Ernest Petrič artfully brings together academic expertise and years of diplomatic experience to provide a thorough treatment of national and international environments the foreign policy decision making process and an original analysis of the means of foreign policy and diplomacy The role of the United

Nations the EU strategic actors and the role of foreign policy as a diplomatic instrument are examined Finally a reflection of the foreign policy concerns of small and new countries with special attention to Slovenia and legal aspects are offered Foreign Policy From Conception through Diplomatic Practice successfully integrates scholarly theory with empirical evidence The book s clear and evocative style will appeal to foreign policy professionals academics and students of diplomacy international relations and international law American Exceptionalism Hilde Eliassen Restad,2014-12-17 How does American exceptionalism shape American foreign policy Conventional wisdom states that American exceptionalism comes in two variations the exemplary version and the missionary version Being exceptional experts in U S foreign policy argue means that you either withdraw from the world like an isolated but inspiring city upon a hill or that you are called upon to actively lead the rest of the world to a better future In her book Hilde Eliassen Restad challenges this assumption arguing that U S history has displayed a remarkably constant foreign policy tradition which she labels unilateral internationalism The United States Restad argues has not vacillated between an exemplary and a missionary identity Instead the United States developed an exceptionalist identity that while idealizing the United States as an exemplary city upon a hill more often than not errs on the side of the missionary crusade in its foreign policy Utilizing the latest historiography in the study of U S foreign relations the book updates political science scholarship and sheds new light on the role American exceptionalism has played and continues to play in shaping America s role in the world This work will be of great interest to students and scholars of US foreign policy security studies and American politics **Fifty Key Thinkers in International Relations** Martin Griffiths,2013-03-07 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **Korea's Foreign Policy Dilemmas** Sung-Hack Kang,2010-12-13 Koreans historically consider their country as a victim of foreign powers sometimes seeing themselves as a shrimp among whales In fact Korea s national status has to a great extent been determined by the historical rivalries between the great powers This collection of essays produced over time by one of Korea s leading political scientists probes many of the fundamental post Korean War issues South Korea has wrestled with in the context of its foreign policy positions not least the question of how it actually defines its foreign policy its relationship with the United States and the ever present security issues Other essays examine the role of the US on the Korean peninsula after the end of the Cold War what policy directions South Korea should take towards North Korea what is North Korea s security policy and what are the conditions for reunification This thought provoking volume provides a valuable overarching framework towards a more informed understanding of how South Korea s relationship with the outside world has evolved in the twentieth century and the manner in which it is likely to do business in the twenty first Pursuing the National Interest Karl K. Schonberg,2003-10-30 The history of twentieth century American foreign policy presents an indictment of classical and structural realism and systemic theories of international relations more generally Examining five crucial movements of transition in American foreign policy making before and after each of the world wars and the end of the Cold War Shonberg

argues that the national interest resides mostly in the eye of the beholder and that the idiosyncratic perceptions beliefs and values of individuals are of vital importance in the policy process Thus America s recent experiences in global politics interpreted through the lens of national ideology has defined and created the ultimate shape of a new foreign policy

American Foreign Policy Glenn P. Hastedt,2017-02-01 Glenn Hastedt s clear and succinct introduction to the field prepares students to think about America s changing role in the world and to develop the critical thinking skills needed to participate in the debate about the conduct and content of American foreign policy He begins by asking What do we mean by foreign policy and what is the national interest Next Hastedt looks to the past and examines the defining experiences that have helped to shape American foreign policy today Third he looks at how American foreign policy is made in the current hyperpartisan political climate Here Hastedt examines the various institutions and how they come together to make policy as well as the policy instruments available to decision makers And finally he encourages students to wonder What s next The eleventh edition reflects the latest headlines including more extensive discussions of hybrid warfare cyber wars drones and an assessment of Obama s foreign policy There are new case studies on ISIS authorization of force resolutions women in combat the climate agreement the Iran nuclear agreement Obama s opening to Cuba and the future of COIN And new Historical Lessons boxes feature the War Powers Act the integration of the military the Kyoto Agreement NAFTA and Afghanistan This book is accompanied by a learning package designed to enhance the experience of both instructors and students Test Bank The Test Bank includes a variety of test questions and is available in either Word PDF or Respondus formats For every chapter in the text the Test Bank includes a complete test with a variety of question types including multiple choice true false and essay formats Our Test Bank is most flexibly used in Respondus test authoring software which is available in two forms Check with your university to see if you have a site license to the full program Respondus 4.0 which offers the option to upload your tests to any of the most popular course management systems such as Blackboard If you don t have a Respondus license or do not care about having your tests in a course management system you can use our test bank file in Respondus LE The LE program is free and can be used to automate the process of creating tests in print format Visit the Respondus Test Bank Network to download the test bank for either Respondus 4.0 or Respondus LE If you prefer to use our Test Bank in Word or PDF please Sign In if you are a registered user or Register then email us at textbooks@rowman.com Companion Website Accompanying the text is an open access Companion Website designed to reinforce the main topics For each chapter flash cards and self study quizzes help students master the information they learn in the classroom Students can access the Companion Website from their computer or mobile device at textbooks.rowman.com/hastedt11e Between Peace and War Richard Ned Lebow,2020-08-31 This is an updated edition of the now classic original of the same title It has three new substantial chapters a prologue a chapter on new evidence on World War I and an epilogue The updated edition contains the now famous typology of international crisis the original critique of deterrence the emphasis on agency and the

turn to political psychology to explain sharp departures from rational policy making The new chapters update and reevaluate these arguments and approach a critical hindsight assessment in light of post Cold War developments

The A to Z of NATO and Other International Security Organizations Marco Rimanelli, 2009-09-14 The North Atlantic Treaty Organization NATO is a military alliance established by the signing of the North Atlantic Treaty on April 4 1949 The treaty was signed by Belgium the Netherlands Luxemburg France United Kingdom United States Canada Portugal Italy Norway Denmark and Iceland Today there are a total of 26 countries that belong to NATO The A to Z of NATO and Other International Security Organizations covers the Atlantic Alliance s origins structure and organization through a chronology an introductory essay a bibliography and over 1 000 cross referenced dictionary entries on its Secretaries Generals its Supreme Allied Commanders Europe plus all affiliated organizations created to enhance NATO s reach in a broader Euro Atlantic security architecture e g North Atlantic Consultative Council Euro Atlantic Partnership Council NATO Russia Charter NATO Ukraine Charter and NATO Mediterranean Dialogue Partners This book also covers other related regional organizations with security responsibilities in Europe and worldwide where they interact with NATO either currently e g ANZUS ASEAN European Union Organization of African Unity Organization of American States Organization on Security and Cooperation in Europe and United Nations or in the past e g CENTO European Defence Community SEATO Warsaw Pact and Western European Union

Ideology and National Identity in Post-communist Foreign Policy Rick Fawn, 2004-03-01 A comparative analysis of the foreign policies of eight post communist states which considers the extent to which official communist ideology has been replaced by nationalism and establishes how these states express their national identities through foreign policy

Atlantis Lost Sebastian Reyn, 2010 Summary Contents Part 1 Separate worlds different visions Chapter One From the Atlantic to the Urals De Gaulle s European Europe and the United States as the ally of ultimate recourse Chapter Two The Atlantic Community in American foreign policy An ambiguous approach to the Cold War alliance Part II Dealing with De Gaulle Chapter Three Organizing the West Eisenhower Kennedy and de Gaulle s Tripartite memorandum proposal 1958 1962 Chapter Four Of Arms and Men Kennedy De Gaulle and military strategic reform 1961 1962 Chapter Five Whose kind of Europe Kennedy s tug of war with de Gaulle about the Common Market 1961 1962 Chapter Six The Clash Kennedy and de Gaulle s Rejection of the Atlantic Partnership 1962 1963 Chapter Seven The demise of the last Atlantic project LBJ and De Gaulle s attack on the multilateral force 1963 1965 Chapter Eight De Gaulle throws down the gauntlet LBJ and the crisis in NATO 1965 1967 Chapter Nine Grand Designs Go Bankrupt Conclusions

American Foreign Policy Since WWII 19th Edition Steven W. Hook, John Spanier, 2013 Allowing students to truly grasp the functions and frequent dysfunctions of America s foreign policy agenda this book has long set the standard in guiding students through the complexities of the field

Decade of Decisions William B. Quandt, 1977 Lektor Quandt analyserer formuleringen af amerikansk politik over for den arabisk israelske konflikt

The American Approach to Foreign Affairs Roger S.

Whitcomb,2001-02-28 America's foreign relations tradition for all its successes has not always served the American people well Utilizing tradition as a framework of analysis of the historic American approach to foreign affairs this book critically examines the country's international conduct over time leading to a number of provocative and controversial conclusions The first section deals with ideas ideals and ideology in American history that provide a context and value structure that have long conditioned the American people's conception of the world The second part critically examines the problematic American national style of interacting with others The nation's parochial approach to problem solving is explicated in the third section The fourth part centers upon the country's historic isolationist interventionist impulse a two sided often contradictory dynamic The fifth section is an extended analysis of the country's approach to alliance building after World War II as a case study of its approach to foreign affairs in the past The final section proposes that America's traditional values and decision making style have often been incompatible and this contradiction has brought forth the exorcising role of violence in American's relationships with others

Maestri of Political Science Donatella Campus,Gianfranco Pasquino,Martin Bull,2011-06-01 This book continues the editors work started in the volume Masters of Political Science of highlighting and re evaluating the contributions of the most important political scientists who have gone before Its basis is the belief that the future development and sophistication of the discipline will benefit from a critical understanding of the works of early political giants whose contributions are presented and analysed Gabriel A Almond Raymond Aron Philip Converse Maurice Duverger Stanley Hoffmann Paul Lazarsfeld Arend Lijphart Elinor Ostrom William H Riker Stein Rokkan and Susan Strange The editors review and consider the contributions of these maestri to the study of contemporary democracy political culture electoral systems political communication the transformation of capitalism and state formation in Europe Maestri of Political Science is aimed not only at a new generation of political scientists but is a valuable opportunity for established scholars to see new light through old windows
