Gun Laws Of America Every Federal Gun Law On Thes With Plain English Summaries:

Gun Laws of America Alan Korwin, Michael P. Anthony, 1997 States federal gun laws word for word and gives a plain English summary of each Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of Gun Control in the United States A Reference Handbook enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate *Encyclopedia of Gun Control and Gun Rights* Glenn H. Utter, 2000 A listing of the court cases personalities laws and groups involved in the regulation of guns The book begins with an essay on the issues in the gun control battle and a short guide to the court cases and groups involved placing them in the opposing camps The entries which are balanced and well written include photographs and charts Libr J The Heller Case Alan Korwin, David B. Kopel, 2008 **Gun Laws of America** Alan Korwin, Michael P. Anthony, 1995 States federal gun laws word for word and gives a plain English summary of each **Guns in American Society** Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of Guns in American Society An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work

returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of **Guns in American Society** is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

Guns in American Society Jaclyn Schildkraut, Gregg Lee Carter, 2022-12-01 The revised third edition of the landmark **Guns in American Society** provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States **Guns in American Society An Encyclopedia of History Politics Culture and the Law** is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective

The Publishers Weekly ,1905 **The Arizona Gun Owner's Guide** Alan Korwin,1998 Explains the laws about gun ownership possession and use including the Brady Law and complete concealed weapons details in easy down to earth language **Arkansas Law Notes** ,1995 Criminal Justice Phyllis B. Gerstenfeld,2006 Gun Laws of America Alan Korwin, Michael P. Anthony,1999-10 These up to date comprehensive gun owner s guides give you the straight scoop on gun ownership possession and use Actual laws are reprinted with all the key laws and regulations spelled out in plain English A must for those who own or may own a gun

Magill's Legal Guide Frank Northen Magill, Timothy L. Hall, R. Kent Rasmussen,2000 Volume 1 Current Publications in Legal and Related Fields ,2003 **Forthcoming Books** Rose Arny,1998 **Gun Control and the Constitution** Robert J. Cottrol,2023-06-14 First Published in 1993 This volume is a collection of legal and historical material of the second amendment that includes court cases and decisions law review articles and gives a balanced view of both sides of the debate

Recent Acquisitions Ohio State University. College of Law. Library,1996 Congressional Record United States. Congress,1968 **A Clash of Arms** DIANE Publishing Company,1994-03 **The Politics of Gun Control** Robert J. Spitzer,2025-08-28 Since its initial publication in 1995 this book has become the classic work on every important element of the tumultuous national gun debate in America This new edition brings together the latest developments and research in gun

politics policy law history and criminology to provide a comprehensive and accessible source widely used by scholars journalists and in classrooms In this era of polarized politics this book provides a unique window into how and why that polarization drives our politics Among the new topics covered in this edition are the Supreme Court's new foray into applying history to evaluate modern gun laws the effects of political whipsawing between Democratic and Republican control of government and the consequences of that for gun laws violence and policy New to the Tenth Edition Analysis of the Supreme Court's *Rahimi* decision that for the first time implemented its controversial history based standard for judging the constitutionality of current gun laws Highlights the whiplash between the pro gun policy actions of the Biden administration and the second Trump administration's about face to roll back those initiatives Chronicles the rise and nearly cataclysmic implosion of the once vaunted National Rifle Association as self created problems brought it to the brink of disaster and as legal actions against the NRA finally came to an end Elucidates the scramble of other gun rights groups to replace the NRA as the nation's foremost anti gun law organization Presents new and updated statistical research on gun ownership in America gun related fatalities public opinion support of red flag laws and other gun control measures After a surge in gun violence and gun ownership both have receded to pre pandemic levels and the murder rate continues its decline after a short upsurge Includes new pedagogical features of chapter summaries and discussion questions in each chapter
