Guns Off Gloucester:

Guns Off Gloucester Joseph E. Garland, 1975 **Twin Lights of Thacher Island, Cape Ann** Paul St.

Germain, 2010-05-03 Thacher Island was named for Anthony Thacher who in 1635 lost his four children and other family members in a shipwreck during the most severe storm to ever hit the Massachusetts coast Only Anthony and his wife Elizabeth survived The lighthouses have played an important role in several wars including the Revolutionary War and World Wars I and II when the navy established a radio compass station to protect the coast from enemy submarines A ship bearing a U S president almost wrecked on Thacher Island and the island was used as a witness protection site for a Mafia criminal Twin Lights of Thacher Island Cape Ann captures the history adventures and intimate stories from over 200 years of lighthouse keepers living on the island including how the two towers were built and how scientific discoveries were applied to improve the lights over the years **Fitz H. Lane** James A. Craig, 2006-08-01 Fitz H Lanes maritime masterpieces are known throughout the world but the man himself has eluded both historians and art critics for over a century The Luminist painters successful career began in his early childhood in picturesque Gloucester Massachusetts and his talents developed and matured over time making him one of the nations premier nineteenth century artists Throughout his career Lane painted with a vitality and attention to detail that was purely American at heart and it is in pursuit of this ideal that James Craig embarks on a detectives investigation to reconstruct with accuracy and honesty the details of a man about whom much has been written but little revealed Few clues remain today about the artist who so thoroughly embodied the American spirit during one of humanitys most dramatic and confusing historical epochs Lanes era was one of great change for America and both he and his art were there to capture that spirit This dazzling and exhaustive effort provides the first glimpse behind the canvas beyond the career and into the soul of Fitz H Lane Passionate stunning and thrilling this is a narrative that returns life and color to a man intent on preserving and presenting the life of the culture he loved James Craig has given Gloucester back one of her favorite sons *HMS Gloucester* Ken Otter, 2017-05-30 On 22 May 1941 the cruiser HMS Gloucester The Fighting G was sunk by aircraft of the Luftwaffe during the Battle of Crete Of her crew of 807 men only 83 survived to come home at the end of the War in 1945 It is unknown how many men went down with the ship and how many died in the sea clinging to rafts and flotsam during the many hours before the survivors were finally rescued by boats searching for German soldiers who were victims of a previous British naval attack The fact that Allied destroyers were in the proximity and were not sent to the rescue was a result of poor naval communications and indecision by the local fleet commanders Gloucester had been low on anti-aircraft ammunition and her crew exhausted before being dispatched from the main fleet to search for the stricken destroyer HMS Greyhound With only HMS Fiji as company she came under attack from German bombers and when Gloucester s ammunition was finally exhausted she suffered several direct hits and was set ablaze from stem to stern and left out of control This book looks at the ship s history and operational successes from her launching in 1937 to her final

demise It includes many firsthand accounts from the surviving crew and the author's painstaking research has revealed the awful truth about one of the Royal Navy's greatest disasters during World War Two

The Fisherman's Son Joseph M. Orlando, 2004-05-27 The Fisherman's Son set on the rustic and rocky coast of Gloucester New England's oldest seaport is a tale of legal and emotional conflict passion and a people's quest for justice John Palermo Sicilian by birth was sent by his dying Papa alone and terrified at the tender age of ten to live with the Amicos in Gloucester Accepted by a loving family and taken in by a community wedded to the sea John grew to cherish and finally to defend his people against those forces who would steal their rights and their dignity The Fisherman's Son is a legal thriller with riveting courtroom confrontations where good and evil stand in stark contrast It is also a love story in depths both tender and compelling

Lone Voyager Joseph E Garland, 2000-07-07 This fascinating story of sailing and adventure is also a heart-felt celebration of a man who remains an iconic figure among all sailors who take to the sea alone In 1883 Howard Blackburn set sail from Gloucester Harbor with another fisherman to fish from a dory When a sudden squall erupted the situation they encountered was anything but routine

Saving Straitsmouth Island Paul St. Germain, 2020-07-20 Just off the coast of Rockport Straitsmouth Island has enjoyed a noteworthy history that belies the island's small size From the Pawtucket Indians who summered there more than one thousand years ago to its discovery by famous explorers Samuel de Champlain and Captain John Smith in the seventeenth century it has seen fishermen shipwrecks and piracy From 1835 to 1935 three lighthouses were built all with fascinating stories of the keepers and their families Thanks to tireless restoration efforts by the Thacher Island Association and Massachusetts Audubon Society the island was opened to the public for the first time in 180 years Local historian Paul St Germain details the rich history of this unique New England treasure and the efforts to preserve both its structures and natural beauty
