Cataloging Policy and Support Office,2009      *Symbols of Sacred Science* René Guénon,2004 In Symbols of Sacred Science Gu non a master of precise even mathematical metaphysical exposition reveals himself as a consummate exegete of myth and symbolism as well superior in many ways to Mircea Eliade and comparable perhaps only to his respected friend Ananda K Coomaraswamy This extraordinary text unveils the cosmological meanings of root symbols organized under such general headings as The Center of the World Cyclic Manifestation Symboic Weapons Axial Symbolism and the Symbolsim of Passage The Symbolism of

Building and The Symbolism of the Heart Far more than a simple catalogue of myths and symbols from many traditions Symbols of the Sacred Science lays the foundation for a universal esoteric symbology In this work Gu non demonstrates the fundamental unity across all cultures and ages of the images with which the Absolute clothes itself in its cosmic self revelation

**Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them

**Symbols of Church and Kingdom - New Edition** Robert Murray,2004-12-09 A new edition of the study of Syriac Christianity up to the early fifth century CE its beliefs and worship its life and art In this classic work Robert Murray offers the fullest and most vivid picture yet available of the development and character of the culture illustrating both its original close relationship to Judaism and its remoter background in Mesopotamian civilization He is interested in the subsequent influence of Syriac Christian culture particularly on European literature The largely revised Introduction now assisted by a sketch map locates Syriac as an Aramaic dialect then traces the origins of Syriac Christianity its relationship to Jewish Christianity and the Syriac Bible version the character of Syriac asceticism including Marcionism and Manichaeism and of the Christian schools Key Syriac terms are explained and all citation of Syriac texts throughout the work are given in translation either by other scholars or by the author The second part of the introduction reviews the literature studied in the following chapters concentrating on Aphrahat and Ephrem In both parts a number of positions adopted in the first edition are revised in the light of recent studies the bibliographical details of which are given in the greatly increased number of footnotes This book deals with a topic of interdisciplinary importance at the cultural crossroads of the ancient and medieval worlds of east and west and of Christianity Judaism and Islam It will be of interest to a wide range of scholars and students
