

The book cover features a central illustration of a rugged, green mountain range. The mountains are depicted with a textured, almost painterly style, showing deep valleys and steep slopes. A winding road or path is visible on the left side of the mountains. The background of the cover is a red and white geometric pattern, resembling a woven textile or a quilt. The title 'ELEMENTS OF CARTOGRAPHY' is prominently displayed in the upper center, with 'SIXTH EDITION' above it. The authors' names are listed in the lower right corner.
