Etheric Vision And What It Reveals Max Heindel, 2020-12-23 In 1918 Max Heindel wrote The process of preparation for the Aquarian Age has already commenced and as Aquarius is an airy scientific intellectual sign it is a foregone conclusion that the new faith must be rooted in reason and able to solve the riddle of life and death in a manner that will satisfy both the mind and the religious instinct As we have in the past evolved five senses by means of which we contact the present visible world so shall we in the far distant future evolve another sense which will enable us to see the denizens of the Etheric Region including those of our dear ones who have left the physical body and inhabit the ether and lower Desire World during the first stage of their career in the spiritual realms      The International Psychic Gazette, 1932      **The Inner Dimensions of Life** Niels Brønsted, 2024-02-15 The Inner Dimensions of Life is a compressed yet exhaustive educational presentation of the esoteric teachings in three volumes subtitled Esoteric Philosophy Esoteric Psychology and Esoteric Sociology With a background in many years of work as a teacher in his Esoteric School the author has gathered and edited a comprehensive and thoroughly tested curriculum including illustrations and copious source references Thus the work appeals to readers who will be content with a general view as well as those who wish to delve deeper into the subject The first volume Esoteric Philosophy offers an introduction to all the basic concepts of the esoteric teaching beginning with the esoteric Genesis or Creation Account The 7 Planes and further on to the Constitution of Man Death and New Birth Evolution Reincarnation and Karma the Path of Initiation the Path of Discipleship the 7 Rays the Evolution of Consciousness Cosmology the Esoteric World History the Inner World Government the New Evolutionary Impulse and the Deva Kingdom      *The Sixth Sense, Psychic Origin, Rationale and Development* Frederic Fletcher, 1907      **Light**, 1929      **Yoga, Science of the Self** Marcia Moore, Mark Douglas, 1967      *Clairvoyance* C. W. Leadbeater, 2013-12-10 Clairvoyance means literally nothing more than clear seeing and it is a word which has been sorely misused and even degraded so far as to be employed to describe the trickery of a mountebank in a variety show Even in its more restricted sense it covers a wide range of phenomena differing so greatly in character that it is not easy to give a definition of the word which shall be at once succinct and accurate It has been called spiritual vision but no rendering could well be more misleading than that for in the vast majority of cases there is no faculty connected with it which has the slightest claim to be honoured by so lofty a name This book is your guide into the world and secrets of clairvoyance      **The Messenger**, 1918      Initiation, Human & Solar: Treatise on Theosophy and Esotericism Alice Bailey, 2020-12-17 Initiation Human and Solar is book by Alice Bailey in which is explained her theory of the hierarchy of sacred entities and the part initiation plays in that system Initiation is presented as a growth of perception which serves as a guide to revelation and elucidation      **Initiation, Human and Solar** Alice Bailey, 2023-12-29 In Initiation

Human and Solar Alice Bailey offers a profound exploration of spiritual evolution and the transformative processes involved in initiation viewed through both human and cosmic lenses The book is marked by Bailey s characteristic blend of esoteric thought and accessible prose grounding complex metaphysical concepts within the spiritual context of the early 20th century Drawing from the teachings of Theosophy and her own extensive studies Bailey articulates a vision of initiation that transcends individual experience linking it to the broader cosmic purpose and the evolution of human consciousness within the universe Alice Bailey was a pioneering figure in the realm of esoteric spirituality co founding the Arcane School and establishing the Lucis Trust which continues to promote her teachings today Her works are informed by a rich tapestry of mystical traditions including Eastern philosophy and Western occultism Bailey s background in sociology and her personal experiences with spiritual leaders and movements have shaped her insight into the path of initiation as a universal quest for enlightenment and alignment with divine purpose For readers seeking to deepen their understanding of spiritual evolution Initiation Human and Solar is an indispensable guide Bailey invites us to engage with the mysteries of existence and encourages a reflective journey towards personal and collective awakening This book is not only a foundational text for students of esoteric traditions but also a thought provoking exploration for anyone interested in the unfolding of human potential

matter and liberates the pure flame of spirit from the limitation of form      The Light of the Soul Alice Bailey, Patanjali, 2012-05-14 This volume is an original paraphrase with commentary of the Yoga Sutras of Patanjali The Yoga Sutras are of ancient origin first reduced to writing by Patanjali who is considered the founder of the Raja Yoga School Control of the mind and its illumination by the soul are brought about through the practice of Raja Yoga The Sutras have a power and a timelessness about them which demonstrate the accuracy with which they pinpoint the basic truths of human evolution from subservience to personality clamours to the serene freedom of the soul Most human problems today originate in selfish desire the prostitution of the feeling nature to self centred action This is also brought out clearly in the teaching of the Lord Buddha the treading of the Noble Eight Fold path providing the only way out of the maze Right Values Right Speech Right Mode of Living Right Thinking Right Expression Right Conduct Right Effort Right Rapture or True Happiness These are attributes of the soul Patanjali explores exhaustively the means the techniques and the mental posture which create the connecting thread between the form centred personality and these stages towards spiritual achievement and soul fusion
