Edward Westermarck

Ethical Argumentation A Study In Hsun Tzus Moral Epistemology:

Ethical Argumentation Antonio S. Cua,1985 The Grounds of Ethical Judgement Christian Illies,2003

Transcendental arguments have gained a lot of attention over the past twenty years mainly in the field of theoretical reason Yet few scholars have looked at their relevance to practical reason Christian Illies argues that although this methodological avenue is not yet well paved transcendental arguments have great potential in ethics as they promise rational justification of normative judgements There are two main types of transcendental argument that have been developed for this purpose in recent years One is based on an analysis of the implications of agency mainly by Alan Gewirth the other on an analysis of reason as a discursive process with normative presuppositions Karl Otto Apel and other continental philosophers but also Onora O'Neill Illies finds that these arguments have severe limitations and argues that practical reason should involve a different analysis judgement formation must be analysed as a form of agency Once this starting point is secured by showing that it cannot rationally be denied then two things can be transcendently inferred first that there exists a categorical demand upon agents to arrive at true judgements and second that we must respect freedom of agency in general Here our ordinary notions of right and wrong find secure ground Compelling and original The Grounds of Ethical Judgement offers ample evidence that transcendental arguments may provide long sought foundations for morality *Debunking Arguments in Ethics* Hanno Sauer,2020-11-12 In this crisply written book Hanno Sauer offers the first book length treatment of debunking arguments in ethics developing an empirically informed and philosophically sophisticated account of genealogical arguments and their significance for the reliability of moral cognition He breaks new ground by introducing a series of novel distinctions into the current debate which allows him to develop a framework for assessing the prospects of debunking or vindicating our moral intuitions He also challenges the justification of some of our moral judgments by showing that they are based on epistemically defective processes His book is an original cutting edge contribution to the burgeoning field of empirically informed metaethics and will interest philosophers psychologists and anyone interested in how and whether moral judgment works Companions in Guilt Arguments in Metaethics Richard Rowland,2023-05 Companions in Guilt is essential reading for advanced students and researchers working in moral theory and metaethics as well as those working in epistemology and philosophy of mathematics concerned with the intersection of these subjects with ethics Morality without Foundations Mark Timmons,1998-12-31 Morality Without Foundations investigates fundamental metaethical questions about the meaning truth and justification of moral thought and discourse Mark Timmons maintains that all versions of descriptivism in ethics particularly certain accounts of moral realism fail He argues instead that a correct metaethical theory should embrace some version of non descriptivism Timmons defends what he calls assertoric non descriptivism which unlike traditional non descriptivist views holds that moral sentences are typically used to make genuine assertions In defending this view he exploits contextual semantics providing him with the semantic flexibility to develop an irrealist

account of moral discourse Timmons goes on to support a contextualist moral epistemology completing his overall version of contextualism in ethics Like his foundationalist rivals Timmons recognizes that there are moral beliefs that are epistemically basic in providing a basis for the justification of non basic moral beliefs Yet he agrees with the coherentist in maintaining that there are no intrinsically justified beliefs that can serve as a single foundation for a system of moral knowledge Timmons ultimately finds that regresses of justification of moral belief end with contextually basic beliefs moral beliefs which in the relevant context are responsibly held but in other contexts might not be suitable as regress stoppers Timmons novel defense of morality without foundations offers provocative reading for philosophers working in the areas of ethics epistemology and metaphysics Yet written with the student in mind his lucid presentation of difficult ideas makes this book accessible to students and newcomers to the field of metaethics *Ethical Argument* Hugh Mercer Curtler,1993 This book teaches students about argument in ethics by involving them in an ethical argument about relativism The book argues against relativism and encourages students to question assumptions and present counter arguments The book also stresses basic ethical principles and includes a chapter with numerous cases for discussion An excellent teaching tool *The Range of Reasons* Daniel Whiting,2022 By developing a new theory of reasons for action Daniel Whiting addresses key debates in metaethics concerning normative reasons and epistemology concerning the norms for belief He offers a comprehensive account of the various norms governing belief the relations among them and the unifying principle that underlies them all

Moral Knowledge and Ethical Character Robert Audi,1997 This book presents an ethical theory that uniquely integrates naturalistic and rationalistic elements Robert Audi develops his theory in four areas moral epistemology the metaphysics of ethics moral psychology and the foundations of ethics Comprising both new and published work the book sets forth a moderate intuitionism clarifies the relation between reason and motivation constructs a theory of intrinsic value and its place in moral obligation and presents a sophisticated account of moral justification The concluding chapter articulates a new normative framework built from both Kantian and intuitionist elements Connecting ethics in novel ways to both the theory of value and the philosophy of action the essays explore topics such as ethical intuition reason and judgement and virtue Audi also considers major views in the history of ethics including those of Aristotle Hume Kant Mill Moore and W D Ross and engages contemporary work on autonomy responsibility objectivity reasons and other issues Clear and conceptually rich this book makes vital reading for students and scholars of ethics **Reasoning in Ethics and Law** A. W.

Musschenga,Wim J. van der Steen,1999 Legal and moral reasoning share much methodology and they address similar problems This volume charts two shared problems the relation between theory principles and particular judgments and the role of facts and factual assertions in normative settings The relation between theory and practice and between principle and particular judgment has become the subject of much debate in moral philosophy In the ongoing debate some moral philosophers refer to legal philosophy for a support of their views on the primacy of practice over theory According to them

legal philosophy should have a more balanced view in that relation In the contributions to Part One this claim is critically analysed The role of the facts is underestimated in discussions on legal reasoning and legal theory as well as moral reasoning and ethical theory Factual statements enter into moral and legal discussions not only because they link the conclusion with a rule They also play a role as background assumptions in supporting a theory Its focus on the role of facts in normative reasoning makes this book of special interest to scholars of legal and moral argumentation Ethical Judgment Abraham Edel,1964 In Ethical Judgment Abraham Edel makes clear the part played by biological and social scientific information in ethical judgment and moral action using psychological anthropological and economic materials as well as historical studies Edel suggests that many controversies in ethical theory have emerged because different ethical theories made different scientific assumptions In the almost forty years since his book was first published life has become more complex and technological change has accelerated bringing changes to our morality and ethical theory as well as our conduct If anything his observations are even more pertinent compelling us to examine the empirical core of ethical statements Edel maintains that since our knowledge of social life and history is constantly growing moral theories and ethical judgments ought to embody the best knowledge available at any point in time However because all knowledge and belief is only probable there is never absolute certainty but only what Edel calls residual indeterminacy in human life and knowledge due to complexity and change Edel lists four factors that form the basis for moral decisions universal needs food perennial aspirations friendships central necessary conditions job security and critical contingent factors under special circumstances land reform in a landholder ruled society In his new introduction Edel applies those factors to the present day discussing societal changes over the past forty years such as the number of women in the workforce the impact of the civil rights movement and the fact that isolationism as a national policy is no longer feasible Ethical Judgment is a recognized classic in the modern study of ethical theory It will be valuable reading for sociologists historians and all scholars interested in the study of ethics and American culture Moral Epistemology Mark Timmons,1991 ~**The Truth and Objectivity of Practical Propositions** Dorothy E. Vawter,1985 The Philosophy of Right and Wrong Bernard Mayo,1986 **Moral Reasoning** Victor Grassian,1981 Ethical Argumentation Douglas Walton,2009-01-01 Bridging the gap between applied ethics and ethical theory Ethical Argumentation draws on recent research in argumentation theory to develop a more realistic model of how ethical justification actually works Douglas Walton presents a new model of ethical argumentation in which ethical justification is analyzed as a defeasible form of argumentation considered in a balanced dialogue Walton s new model employs techniques such as asking the appropriate critical questions probing accepted values finding nonexplicit assumptions in an ethical argument and deconstructing emotive terms and persuasive definitions This book will be of significant interest to scholars and advanced students in applied ethics and theory Ethical Relativity Edward Westermarck,2021-11-09 In Ethical Relativity Edward Westermarck presents a thought provoking exploration of the nature

of ethics and its dependence on cultural and social contexts Employing a clear and rigorous analytical style Westermarck argues against universal moral principles asserting that ethical norms are often shaped by collective societal experiences and attitudes The book delves into the implications of ethical relativism challenging readers to reconsider the foundations of morality amid a rapidly changing world Westermarck's examination of specific ethical systems highlights the variance in moral judgments making a compelling case for the understanding that ethics is not only subjective but also deeply intertwined with human experience and societal structure Edward Westermarck 1862 1939 was a prominent Finnish philosopher and sociologist whose work significantly influenced ethical theory and anthropology His background in sociology and keen interest in cultural practices propelled him toward exploring the nature of morality leading him to pen *Ethical Relativity* Westermarck's experiences living in various cultures underscored his belief in the contextual nature of ethics motivating him to critique prevailing positivist views that held morality to be universally applicable This book is essential for anyone interested in philosophy anthropology or ethics as it invites readers to engage with profound questions about morality's origins and applications Westermarck's lucid prose and incisive arguments make *Ethical Relativity* not only accessible but also a crucial text for those seeking to understand the complex interplay between culture and moral philosophy In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

The Theory of Morals Edgar Frederick Carrick, 1928 **Moral Philosophy** Gerald Jones, Daniel Cardinal, Jeremy Hayward, 2006 An accessible student centred guide to the key ideas in moral philosophy Suitable for both A Level and undergraduate study This book provides an accessible readable student centred guide to moral philosophy Through lucid explanation careful use of modern examples and engaging activities it leads students towards deeper understanding of all the key issues in the study of ethics Key features include a clear overview of the key ideas in moral philosophy including detailed examination of the prescribed areas of study meta ethics prescriptive ethics and applied ethics application of those ideas to the contemporary issues of abortion euthanasia and animal rights imaginative tasks and activities to stimulate thought and explore ethical ideas in an engaging and motivating way key quotes from the significant writers and interesting examples of ethical debate in film and literature a critical analysis of the various ethical theories end of chapter key point summaries covering what readers need to know to answer exam questions on moral philosophy and ethics an extensive glossary of key words and ideas thorough referencing to enable students to follow up key

ideas and quotes in independent study

An Introduction to the Study of Moral Evidence; Or, of That Species of Reasoning Which Relates to Matters of Fact and Practice James Edward Gambier, 2017-09-10 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Ethical Argumentation A Study In Hsun Tzus Moral Epistemology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Ethical Argumentation A Study In Hsun Tzus Moral Epistemology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ethical Argumentation A Study In Hsun Tzus Moral Epistemology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Ethical Argumentation A Study In Hsun Tzus Moral Epistemology free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Ethical Argumentation A Study In Hsun Tzus Moral Epistemology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Ethical Argumentation A Study In Hsun Tzus Moral Epistemology any PDF files. With these platforms, the world of PDF downloads is just a click away.
