Ethical Marxism And Its Radical Critics:

Ethical Marxism and its Radical Critics Lawrence Wilde, 2016-07-27 Ethical Marxism and its Radical Critics argues that Marx's conception of human essence is the foundation for an ethic of liberation which permeates his social theory. It testifies to his significant debt to Greek philosophy and culture. Wilde examines how his humanistic ethic was developed by Marcuse and Fromm and how it has been rejected by Habermas and Gorz. He also explores reservations expressed from feminist and ecological standpoints. The book has been revised in the light of these criticisms and offers insights into how progress may be made towards a socialist ethical community.

Ethical Marxism and Its Radical Critics (Book Review)., 2000 **Political Theory, Science Fiction, and Utopian Literature** Tony Burns, 2010-02-19 Ursula K Le Guin's *The Dispossessed* is of interest to political theorists partly because of its association with anarchism and partly because it is thought to represent a turning point in the history of utopian dystopian political thought and literature and of science fiction. Published in 1974 it marked a revival of utopianism after decades of dystopian writing. According to this widely accepted view *The Dispossessed* represents a new kind of literary utopia which Tom Moylan calls a critical utopia. The present work challenges this reading of *The Dispossessed* and its place in the histories of utopian dystopian literature and science fiction. It explores the difference between traditional literary utopia and novels and suggests that *The Dispossessed* is not a literary utopia but a novel about utopianism in politics. Le Guin's concerns have more to do with those of the novelists of the 19th century writing in the tradition of European Realism than they do with the science fiction or utopian literature. It also claims that her theory of the novel has an affinity with the ancient Greek tragedy. This implies that there is a conservatism in Le Guin's work as a creative writer or as a novelist which fits uneasily with her personal commitment to anarchism.

Dialectics of the Self Ian Fraser, 2021-02-02 Charles Taylor is a philosopher concerned with morality and the nature of the identity of individuals and groups in the West. This book offers an evaluation of Taylor's conception of self and its moral and political possibilities.

Marx and Social Justice George E. McCarthy, 2017-11-01 In *Marx and Social Justice* George E. McCarthy presents a detailed and comprehensive overview of the ethical, political, and economic foundations of Marx's theory of social justice in his early and later writings. What is distinctive about Marx's theory is that he rejects the views of justice in liberalism and reform socialism based on legal rights and fair distribution by balancing ancient Greek philosophy with nineteenth-century political economy. Relying on Aristotle's definition of social justice grounded in ethics and politics, virtue and democracy, Marx applies it to a broader range of issues including workers' control and creativity, producer associations, human rights and human needs, fairness and reciprocity in exchange, wealth distribution, political emancipation, economic and ecological crises, and economic democracy. Each chapter in the book represents a different aspect of social justice. Unlike Locke and Hegel, Marx is able to integrate natural law and natural rights as he constructs a classical vision of self-government of the people by the people.

The Concept of Justice Thomas Patrick Burke, 2011-02-24 In *The Concept of*

Justice Patrick Burke explores and argues for a return to traditional ideas of ordinary justice in opposition to conceptions of social justice that came to dominate political thought in the 20th Century Arguing that our notions of justice have been made incoherent by the radical incompatibility between instinctive notions of ordinary justice and theoretical conceptions of social justice the book goes on to explore the historical roots of these ideas of social justice Finding the roots of these ideas in religious circles in Italy and England in the 19th century Burke explores the ongoing religious influence in the development of the concept in the works of Marx Mill and Hobhouse In opposition to this legacy of liberal thought the book presents a new theory of ordinary justice drawing on the thought of Immanuel Kant In this light Burke finds that all genuine ethical evaluation must presuppose free will and individual responsibility and that all true injustice is fundamentally coercive

Marxism and Phenomenology Bryan Smyth, Richard Westerman, 2021-10-25 Marxism and Phenomenology The Dialectical Horizons of Critique edited by Bryan Smyth and Richard Westerman offers new perspectives on the possibility of a philosophical outlook that combines Marxism and phenomenology in the critique of capitalism Although Marxism's focus on impersonal social structures and phenomenology's concern with lived experience can make these traditions appear conceptually incompatible the potential critical force of a theoretical reconciliation inspired several attempts in the twentieth century to articulate a phenomenological Marxism Updating and extending this approach the contributors to this volume identify and develop new and previously overlooked connections between the traditions offering new perspectives on Marx Husserl and Heidegger exploring themes such as alienation reification and ecology and examining the intersection of Marxism and phenomenology in figures such as Michel Henry Walter Benjamin and Frantz Fanon These glimpses of a productive reconciliation of the respective strengths of phenomenology and Marxism offer promising possibilities for illuminating and resolving the increasingly intense social crises of capitalism in the twenty first century **The Marx Dictionary** Ian Fraser, Lawrence Wilde, 2011-11-17 The Marx Dictionary is a comprehensive and accessible guide to the world of Karl Marx Meticulously researched and extensively cross referenced this unique book covers all his major works ideas and influences and provides a firm grounding in the central themes of Marx's thought from a philosophical perspective Students will discover a wealth of useful information analysis and criticism A Z entries include clear definitions of all the key terms used in Marx's writings coverage of their German origins and detailed synopses of all his key works The Dictionary also includes entries on Marx's major philosophical and political influences and contemporaries It covers everything that is essential to a sound understanding of Marx's work offering clear and accessible explanations of often complex terminology The Marx Dictionary is the ideal resource for anyone reading or studying Marx or Nineteenth Century Political Thought more generally **Marxist Ethics within Western Political Theory** N. Fischer, Asher Z Milbauer, 2015-04-09 As widely applied as Marxist theory is today there remain a host of key western thinkers whose texts are rarely scrutinized through a Marxist lens In this philosophical analysis of Marx's never before translated German notes on Machiavelli Montesquieu Rousseau and

Lewis Henry Morgan Norman Fischer points to a strain of Marxist ethics that may only be understood in the context of the great works of Western political theory and philosophy particularly those that emphasize the republican value of public spiritedness the communitarian value of solidarity and the liberal values of liberty and equality The Early Sartre and Marxism Sam Coombes,2008 This work highlights key areas of common ground between the ethical aesthetic and political content of works from Sartre s early period and classic Marxist philosophy Taking account of both the specificity of early Sartrean thought and the heterogeneity of Marxist theories it affirms their lasting importance to the radical left critique

Marxism, the Millennium and Beyond M. Cowling,P. Reynolds,2000-10-31 This collection investigates the state of play in studies informed by Marxism Among other contributions it includes an essay on state theory by Bob Jessop a discussion of fundamental socialist values using analytical Marxism by Alan Carling *Global Solidarity* Lawrence Wilde,2013-01-31 This book explores the development of the goal of human solidarity at a time when the processes of globalisation offer the conditions for the development of a harmonious global community **Constructing Marxist Ethics** ,2015-02-04 Does Marxism possess an ethical impulse Is there a moral foundation that underpins the Marxist critique of capitalism and the vision for social progress The essays collected in Constructing Marxist Ethics Critique Normativity Praxis argue that there is such an ethical grounding for Marxist theory The essays each from different vantage points construct what a Marxian ethics should look like what kind of values should be at the heart of the Marxian enterprise Contributors are Dan Albanese Paul Blackledge Bob Cannon Tony Burns Ian Fraser Ruth Groff Wadood Hamad Christoph Henning Peter Hudis Lauren Langman George E McCarthy Sean Sayers Michael J Thompson and Lawrence Wilde **Political Thinkers** David Boucher,Paul Kelly,2017 The most comprehensive introduction to the greatest political thinkers written by a team of international experts **Karl Marx's Realist Critique of Capitalism** Paul Raekstad,2022-10-13 This book offers the first realist reconstruction of Marx s critique of capitalism Reading Marx through a realist lens enables us to make sense of the connections between 1 Marx s positive concept of freedom rooted in a theory of human development 2 his understanding of alienation as diagnosing capitalist unfreedom and 3 his conceptions of democracy and socialism respectively as the cures for this unfreedom Along the way it discusses and responds to some of Marx s most insightful critics such as Max Weber and Friedrich Hayek This clarifies Marx s ideas for a new generation of political thinkers explains the challenge they pose to contemporary debates about freedom democracy and future economic institutions and demonstrates that these ideas remain both defensible and compelling **Cultural Difference and Social Solidarity** Scott H. Boyd,Mary Ann Walter,2014-03-17 Cultural Difference and Social Solidarity Solidarities and Social Function explores solidarity as a social function bringing to the fore the critical value of the concept of solidarity in understanding contemporary societies The first part of the book Solidarities provides different theoretical approaches to the conception and exploration of solidarity that depart from the traditional and dominant perspectives within which debates about solidarity take place This part includes chapters on the

origins of the concept of solidarity in French social thought in the nineteenth century a critical discussion of the later Foucault's augmentation of his concerns with a critical politics of difference with a politics of parrhesia Theodor Adorno and the identitarian logic that underpins reconciliation between difference and solidarity in initiatives such as multiculturalism Alisdair MacIntyre and his rearticulation of Aristotelian virtue ethics to explore the value of solidarity ingrained in the practice of politics as a means of developing solidarity and a transitional chapter that explores the social function of postcolonial theory The second part of the book *Social Function* seeks to explore particular cases in which solidarity is constituted The cases are diverse in global location level of association focus on cultural political and policy contexts and different approaches to analysis As such they provide a set of cases from which different aspects of the problems of making and remaking solidarity can be explored These chapters include a case study in Israel exploring solidarity and social cohesion through migration globalisation and modernising processes a case study of the African Village Market in Sydney Australia an example of the complexities of solidarity and identity in the Slovene context and an exploration of how state action in Turkey dissolves solidarity in a community through urban housing policies

Why Spirituality is Difficult for Westerners David Hay, 2017-05-09 Dr Hay is Honorary Senior Research Fellow at the University of Aberdeen A zoologist by profession his research has been guided by the hypothesis that religious or spiritual awareness is biologically natural to the human species and has been selected for in the process of organic evolution because it has survival value Although naturalistic this hypothesis is not intended to be reductionist with regard to religion Nevertheless it does imply that all people including those who have no religious belief have a spiritual life His research has included a number of national and in depth surveys of reports of religious or spiritual experience in the United Kingdom

Dignity Remy Debes, 2017-06-01 In everything from philosophical ethics to legal argument to public activism it has become commonplace to appeal to human dignity Dignity refers to the fundamental moral worth or status supposedly belonging to all persons equally But this is relatively new In this volume leading scholars across a range of disciplines attempt to clarify the variegated and murky history of dignity and explain how it arrived at its current and historically unusual meaning

Becoming Marxist Ted Stolze, 2019-01-04 In *Becoming Marxist* Ted Stolze offers a series of studies that take up the importance of philosophy for the development of an open and critical Marxism He argues that an adequate philosophy for Marxism must be open to engagement with a diverse range of traditions texts and authors from Paul of Tarsus via Averroes Spinoza and Hobbes to Althusser Deleuze Negri Habermas and in fact Stolze also explores such practical contemporary issues as the politics of self emancipation the nature of Islamophobia and climate change

Socialism as the Development of Liberalism Satoshi Matsui, 2022-01-15 This book addresses the question of what socialism is according to fundamental values rather than institutions Arguing that Marxist socialism is not only more gradual but also more radical than how it is usually understood this book shows that socialism extends liberalism by inheriting and furthering liberal justice including fundamental human rights Simultaneously socialism

ultimately rejects liberalism because it does not consider liberal values such as liberty and equality society's primary principles Satoshi Matsui offers a new theory alienation has two dimensions Marxists seek to rectify policies that violate justice in a capitalist society and injustice in capitalism is alienation's first dimension From a communist society's perspective however justice itself is an alienated idea and the second dimension of alienation Marx's theory of alienation does not deny the liberal theory of justice but is rather a universal system that encompasses it By fundamentally reexamining Marxism this volume provides a basic guideline for overcoming capitalist society and constructing a communist society

Ethical Marxism And Its Radical Critics Introduction

Ethical Marxism And Its Radical Critics Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Ethical Marxism And Its Radical Critics Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Ethical Marxism And Its Radical Critics : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Ethical Marxism And Its Radical Critics : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Ethical Marxism And Its Radical Critics Offers a diverse range of free eBooks across various genres. Ethical Marxism And Its Radical Critics Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Ethical Marxism And Its Radical Critics Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Ethical Marxism And Its Radical Critics, especially related to Ethical Marxism And Its Radical Critics, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Ethical Marxism And Its Radical Critics, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Ethical Marxism And Its Radical Critics books or magazines might include. Look for these in online stores or libraries. Remember that while Ethical Marxism And Its Radical Critics, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Ethical Marxism And Its Radical Critics eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ethical Marxism And Its Radical Critics full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ethical Marxism And Its Radical Critics eBooks, including some popular titles.

FAQs About Ethical Marxism And Its Radical Critics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ethical Marxism And Its Radical Critics is one of the best book in our library for free trial. We provide copy of Ethical Marxism And Its Radical Critics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ethical Marxism And Its Radical Critics. Where to download Ethical Marxism And Its Radical Critics online for free? Are you looking for Ethical Marxism And Its Radical Critics PDF? This is definitely going to save you time and cash in something you should think about.
