Ethical Problems In Higher Education:

Ethical Problems in Higher Education George M. Robinson, Janice Moulton, 2005 The Ivory Tower Myth suggests that the world of higher education has no moral problems Unlike ethical conflicts in business politics and medicine ethical problems in higher education receive little publicity But devotion to the pursuit of knowledge does not ensure ethical behavior Power competition pressure and lust for recognition create moral conflicts Some are unique to higher education but many are common to the world off campus This book uses ethical theories as a tool to analyze real examples from our colleges and universities Topics include academic freedom plagiarism cheating research fraud equal opportunity evaluation tenure student faculty relationships

Academic Ethics Today Steven M. Cahn, 2022-05-15 An all star cast of philosophical thinkers about higher education more than half women offers new essays exploring major ethical problems facing American higher education today Among the crucial topics discussed are free speech on campus challenges to the tenure system the proliferation of adjunct faculty historical injustices affirmative action admission policies opportunities for applicants from the working class faculty and administrative responsibilities student life threats to privacy treatment of those with disabilities the impact of technology on teaching and learning curricular controversies the impact of unions philanthropy sports and intercollegiate athletics and the aims of liberal education The authors are leading researchers and teachers many with extensive administrative experience and they are members of the faculties at public and private institutions throughout the country The essays are jargon free and address the most pressing problems for higher education weigh alternative policies and assess future prospects for overcoming present challenges Philosopher scholar teacher and novelist Rebecca Newberger Goldstein provides a foreword to this unique collection List of Contributors Christa Davis Acampora Anita L Allen Alexandra Bradner Harry Brighouse Steven M Cahn Ann E Cudd N Ann Davis Judith Wagner DeCew Richard De George Kyla Ebels Duggan Deni Elliott Dan Edelstein Keota Fields Leslie P Francis Peter A French Alan H Goldman Karen Hanson Elizabeth Harman David A Hoekema Laura M Howard James F Keenan Anthony Laden Meira Levinson Peter Markie Mary Kate McGowan Jennifer M Morton Debra Satz David Shatz Robert Simon Cynthia A Stark Bryan Warnick Shelley Wilcox

Moral Problems in Higher Education Steven M. Cahn, 2021-04-16 *Moral Problems in Higher Education* brings together key essays that explore ethical issues in academia The editor and contributors all noted philosophers and educators consider such topics as academic freedom and tenure free speech on campus sexual harassment preferential student admissions affirmative action in faculty appointments and the ideal of a politically neutral university Chapters address possible restrictions on research because of moral concerns the structure of peer review telling the truth to colleagues and students and concerns raised by intercollegiate athletics Cahn selects two key readings in each are to offer a readable introductory guide to these critical subjects for students studying academic ethics and higher education policy In addition to the selections and a general introduction Cahn provides study questions for use in the classroom

Critical Review [of] Ethical Problems in Higher Education [by] Robinson, G.M. & Moulton, J. Po-keung Ip,Lingnan College (Hong Kong, China),1986*

The Ethics of Asking Deni Elliott,1995 In *The Ethics of Asking* Deni Elliott and her co authors offer practical guidance for those who must be able to recognize these

difficult situations and do the right thing when confronted with them **Higher Education Ethics** Russell Porter, Janet Gordon, 2023-09-01 This book provides a typology of higher education ethics that infuses both cognitive and affective domains to help mitigate ethical issues in colleges and universities at the global level The five ethical domains presented are decision ethics with 24 ethical theories and 14 ethical decision making processes professional ethics business ethics organizational ethics and social ethics at the national and global levels Higher education accreditation issues are presented with a call to implement ethics committees to help provide proactive ethics programs to better educate faculty and staff in colleges and universities Using 220 educational objectives and 16 ethical cases as well as the Ethics Statements of the American Association of University Professors AAUP and the Society of Corporate Compliance and Ethics SCCP ethics and compliance officers higher education administrators higher education graduate students and higher education student advisors are provided with specific ethical theories and ethics decision making processes to tackle ethics issues in higher education **Ethics in Higher Education** Rebecca M. Taylor, Ashley Floyd Kuntz, 2022-10-18 CHOICE Outstanding Academic Title 2022 In this thought provoking volume editors Rebecca M Taylor and Ashley Floyd Kuntz invite readers to explore the many facets of on campus ethical dilemmas and the careful nuanced decision making processes required to address them Taylor and Kuntz demonstrate how to apply collaborative multidisciplinary philosophical inquiry to deeply complex issues They present seven normative case studies focusing on a variety of campus quandaries from urgent matters such as Title IX violations and free speech in social media policy to long simmering concerns such as admissions and access and the future of historically Black colleges and universities The editors then bring together a diverse group of scholars and practitioners with a broad array of disciplinary and personal backgrounds to offer their commentary and insight on the cases Leaders in higher education are under immense pressure to respond to campus crises quickly to quell controversy and to avoid the backlash of public scrutiny in an ever shifting sociopolitical terrain Yet in tension with such pressures adequate responses to these dilemmas require leaders to make ethical contextual choices that effectively foster inclusion respect individual and institutional freedoms and promote equity Expanding the scope of inquiry the contributors challenge underlying assumptions raise points that had been omitted from the original cases and imagine alternative solutions **Ethics in Higher Education** appeals to readers to do the same in the interest of advancing ethical decision making on campuses **Ethics in Higher Education** Susan Madsen, 2009 This presentation focuses on the following Robinson and Moulton quote found in the book *Ethical Problems in Higher Education* The myth that institutions of higher education are sheltered from the struggles and conflicts of the real world is widely accepted even by people who ought to know better those of us in academic settings who confront struggle with bemoan or try to ignore the serious ethical issues that arise People outside academia may tease us about the ivory tower world and our innocence and naivete With a twinge of guilt we in academia accept their teasing because the myth tells us that we are a privileged lot protected as others are not Naive Perhaps we think but isn't it nice that

we don't have to get our ethical feet dirty in the moral slime outside our refuge There is great comfort in the myth This presentation will cover many areas of ethics within higher education but will focus primarily on issues related to faculty

Accountability in Higher Education: Navigating Current Issues and Trends Singleton, Topeka Small, 2025-03-28

Accountability in higher education has become a critical issue as higher education institutions face scrutiny over student outcomes financial transparency and the value of a college degree As the cost of tuition is on the rise and student debt growing the concerns on equitability and the concerns of student engagement have left many in the public to lose trust in higher education From government regulations to accreditation standards and data driven assessment models accountability measures are evolving to ensure that higher education remains both effective and accessible As the public become more distrustful of higher education discussing the problems issues is effective in seeking change Accountability in Higher Education Navigating Current Issues and Trends explores the current trends and issues with accountability in higher education It discusses how accountability in higher education is essential and is the most impactful This book covers topics such as accountability diversity and inclusion and educational training and is a useful resource higher education professionals who seek to know more about navigating the landscape of accountability in higher education
