

# ETHICAL DILEMMA

An ethical dilemma occurs when individuals or groups are faced with a challenging situation that requires them to make a choice between conflicting moral principles or values.

## OVERVIEW

An ethical dilemma presents a difficult decision where there is no clear right or wrong answer, and each option has potential ethical consequences. Resolving an ethical dilemma involves careful consideration of the potential outcomes, weighing the ethical principles at stake, and often necessitates making difficult trade-offs.

## EXAMPLES

- **Truth vs Loyalty:** caught between absolute honesty and allegiance.
- **Individual vs. Community:** Involves discrepancies between personal interests and collective benefits.
- **Short-term vs. Long-term:** a choice between immediate benefits or long-term consequences.
- **Justice vs Mercy:** tension between fair consequences and compassion.
