

🕒 **Protecting Employees and Shareholders :** Business ethics are required to protect the interest of employees, shareholders, competitors, dealers, suppliers, etc. It protects them from exploitation through unfair trade practices.

🕒 **Develops Good Relations :** Business ethics are important to develop good and friendly relations between business and society. This will result in a regular supply of good quality goods and services at low prices to the society. It will also result in profits for the businesses thereby resulting in growth of economy.

🕒 **Creates Good Image :** Business ethics create a good image for the business and businessmen. If the businessmen follow all ethical rules, then they will be fully accepted and not criticised by the society. The society will always support those businessmen who follow this necessary code of conduct.

🕒 **Smooth Functioning :** If the business follows all the business ethics, then the employees, shareholders, consumers, dealers and suppliers will all be happy. So they will give full cooperation to the business. This will result in smooth functioning of the business. So, the business will grow, expand and diversify easily and quickly. It will have more sales and more profits.

🕒 **Consumer Movement :** Business ethics are gaining importance because of the growth of the consumer movement. Today, the consumers are aware of their rights. Now they are more organised and hence cannot be cheated easily. They take actions against those businessmen who indulge in bad business practices. They boycott poor quality, harmful, high-priced and counterfeit (duplicate) goods. Therefore, the only way to survive in business is to be honest and fair.
