Ethno Techno Writings On Performance Activism And Pedagogy:

Ethno-Techno Guillermo Gomez-Pena, 2013-02-28 Guillermo Gomez-Pena has spent many years developing his unique style of performance activism his theatricalizations of postcolonial theory In **Ethno Techno Writings on Performance Activism and Pedagogy** he pushes the boundaries still further exploring what's left for artists to do in a post 9 11 repressive culture of what he calls the mainstream bizarre Over forty five photos document his artistic experiments and the text not only explores and confronts his political and philosophical parameters it offers groundbreaking insights into his and his company's methods of production development and teaching The result is an extraordinary and inspiring glimpse into the life and work of one of the most daring innovative and challenging performance artists of our age **Orozco's American Epic** Mary K.

Coffey, 2020-02-28 Between 1932 and 1934 Jos Clemente Orozco painted the twenty four panel mural cycle entitled **The Epic of American Civilization** in Dartmouth College's Baker Berry Library An artifact of Orozco's migration from Mexico to the United States the Epic represents a turning point in his career standing as the only fresco in which he explores both US American and Mexican narratives of national history progress and identity While his title invokes the heroic epic form the mural indicts history as complicit in colonial violence It questions the claims of Manifest Destiny in the United States and the Mexican desire to mend the wounds of conquest in pursuit of a postcolonial national project In **Orozco's American Epic** Mary K Coffey places Orozco in the context of his contemporaries such as Diego Rivera and David Alfaro Siqueiros and demonstrates the Epic's power as a melancholic critique of official indigenism industrial progress and Marxist messianism In the process Coffey finds within Orozco's work a call for justice that resonates with contemporary debates about race immigration borders and nationality **Theatre and the Digital** Bill Blake, 2014-10-02

Why should the digital bring about ideas of progress in the theatre arts This question opens up a rich seam of provocative and original thinking about the uses of new media in theatre about new forms of cultural practice and artistic innovation and about the widening purposes of the theatre's cultural project in a changing digital world Through detailed case studies on the work of key international theatre companies such as the Elevator Repair Service and The Mission Business Bill Blake explores how the digital is providing new scope for how we think about the theatre as well as how the theatre in turn is challenging how we might relate to the digital

The Creative Ethnographer's Notebook Melisa Cahnmann-Taylor, Kristina Jacobsen, 2024-10-28 **The Creative Ethnographer's Notebook** offers emerging and trained ethnographers exercises to spark creativity and increase the impact and beauty of ethnographic study With contributions by emerging scholars and leading creative ethnographers working in various social science fields e.g anthropologists educators ethnomusicologists political scientists geographers and others this volume offers readers a variety of creative prompts that ethnographers have used in their own work and university classrooms to deepen their ethnographic and artistic practice The contributions foreground different approaches in creative practice broadening the tools of multimodal ethnography as one designs a study works with collaborators and landscapes and

renders ethnographic findings through a variety of media. Instructors will find dozens of creative prompts to use in a wide variety of classroom settings including early beginners to experienced ethnographers and artists. In the eBook version of this book there are numerous pop up definitions to key ethnographic terms, links to creative ethnographic examples, possibilities for extending prompts for more advanced anthropologists, and helpful tips across all phases of inquiry projects. This resource can be used by instructors of anthropology and other social sciences to teach students how to experiment with creative approaches as well as how to do better public and engaged anthropology. Artists and arts faculty will also benefit from using this book to inspire culturally attuned art making that engages in research as well as research based art. Readers will learn how creative ethnography draws on aspects of the literary, visual, sonic, and/or performing arts. Information is provided about how scholars and artists or scholarartists document culture in ways that serve more diverse public and academic audiences.

Portable Borders Ila N. Sheren, 2015-08-15 After World War II the concept of borders became unsettled, especially after the rise of subaltern and multicultural studies in the 1980s. Art at the U.S.-Mexico border came to a turning point at the beginning of that decade with the election of U.S. President Ronald Reagan. Beginning with a political history of the border with an emphasis on the Chicano movement and its art production, Ila Sheren explores the forces behind the shift in thinking about the border in the late twentieth century. Particularly in the world of visual art, borders have come to represent a space of performance rather than a geographical boundary, a cultural terrain meant to be negotiated rather than a physical line. From 1980 forward, Sheren argues the border became portable through performance and conceptual work. This dematerialization of the physical border after the 1980s worked in two opposite directions: the movement of border thinking to the rest of the world as well as the importation of ideas to the border itself. Beginning with site-specific conceptual artwork of the 1980s, particularly the performances of the Border Art Workshop/Taller de Arte Fronterizo, Sheren shows how these works reconfigured the border as an active site. Sheren moves on to examine artists such as Guillermo Gómez-Peña, Coco Fusco, and Marcos Ramírez. Although Sheren places emphasis on the Chicano movement and its art production, this groundbreaking book suggests possibilities for the expansion of the concept of portability to contemporary art projects beyond the region.

Performing Remains Rebecca Schneider, 2011-03 *Performing Remains* is a collection of essays from one of Performance Studies' leading scholars exploring the role of the fake, the false, and the faux in contemporary theatre. Divided into seven essays, this book examines both contemporary and historical performance with a wide scope, questioning the importance of representation and reassessing the ritual value of failure. (In) *Hospitable Encounters in Chicanx and*

Latinx Literature, Culture, and Thought Maria Antònia Oliver-Rotger, Pere Gifra-Adroher, 2024-10-17 This volume addresses the notion of in-hospitality in the culture, literature, and thought of Chicanx and Latinx in the United States. It underscores those stranger others against whom nativist fear and state violence are directed: undocumented migrants, refugees, and asylum seekers. Critical analyses focus on the topics of immigration and state violence, hospitality in written and visual

narratives and the role of hospitality in the translation of academic and literary works All essays explore the conditional character of hospitality towards Chicanx and Latinx and its attending myths and discourses Dwelling on the predicament that individuals and groups face as strangers unwelcome guests and unwilling hosts the essays also explore the ways in which Chicanx and Latinx writers artists and filmmakers may or may not challenge the guest host relationship The ethical concern that runs through the volume considers material history and the institutional disciplinary regulation of the uncertainty of hospitality acts as factors determining the narratives about foreign others

Subjectivity and the Political Gavin Rae, Emma Ingala, 2017-10-12 Despite or quite possibly because of the structuralist post structuralist and deconstructionist critiques of subjectivity master signifiers and political foundations contemporary philosophy has been marked by a resurgence in interest in questions of subjectivity and the political Guided by the contention that different conceptions of the political are at least implicitly committed to specific conceptions of subjectivity while different conceptions of subjectivity have different political implications this collection brings together an international selection of scholars to explore these notions and their connection Rather than privilege one approach or conception of the subjectivity political relationship this volume emphasizes the nature and status of the and in the subjectivity and the political schema By thinking from the place between subjectivity and the political it is able to explore this relationship from a multitude of perspectives directions and thinkers to show the heterogeneity openness and contested nature of it While the contributions deal with different themes or thinkers the themes thinkers are linked historically and or conceptually thereby providing coherence to the volume Thinkers addressed include Arendt Butler Levinas Agamben Derrida Kristeva Adorno Gramsci Mill Hegel and Heidegger while the subjectivity political relation is engaged with through the mediation of the law political ethics politics theological political inside outside subject person and individual institution relationships as well as through concepts such as genius happiness abjection and ugliness The original essays in this volume will be of interest to researchers in philosophy politics political theory critical theory cultural studies history of ideas psychology and sociology

Staging Democracy Emily Beausoleil, 2023-08-07 *Staging Democracy* responds to compelling calls in democratic theory for communication and coalition across social difference by asking how we realize these ideals in concrete terms It shifts the focus from if and why marginalized difference should find entry into politics to the practical question of how this is to be done What explains those rare moments when

marginalized voices break through in contemporary politics And how might a closer look at the strategies and resources at play within such moments enhance how we understand and enact civic engagement Political theory and practice have traditionally overlooked the performing arts as a site of civic politics and yet marginalized communities continually turn to them to communicate challenge and catalyze change This book brings vivid moments of creative practice from three continents together with performance studies and political scholarship to argue that artistic performance offers a potent form of democratic voice for claims from the margins Across political contexts democratic aims and artistic genres Staging Democracy shows how the very qualities that lead some to think of the arts as unclear irrational and irresponsible and thus politically suspect shape artistic performance s distinct capacity to enact democratic engagement in conditions of deep difference and inequality
