and experiences of the Christian mystical tradition Mabry explores the classic mystical journey which begins with the Awakening of a unitive consciousness that experiences everything as Divine and interconnected The journey continues with Purgation in which we empty ourselves of illusion Illumination in which we begin to see God in all things and all things in God and finally Union in which we marry our lives with God s life Our hands become God s hands our lips become God s lips our touch becomes God s touch in order to bring help comfort and healing to the world p Along the way and with an entertaining teacher s clarity Mabry recounts the stories of many Christian mystics including inspiring quotations He also enriches each chapter with questions and answers to simplify points as well as experiential practices to help readers embark upon the mystical journey themselves
