Understanding the Whole Student Clifford Mayes,Ramona Maile Cutri,Neil Goslin,Fidel Montero,2016-03-03 Understanding the Whole Student presents a holistic approach to multicultural educational issues by viewing them in terms of the student as a physical psychosocial cognitive ethical and spiritual being Conversely these levels of a student s being cannot be seen apart from the student s cultural identities This unique book demonstrates that in a pluralistic democracy good teaching and deep learning must be multicultural and must

look at the student as a whole being not just as a future worker in a transnational corporate economy as is currently the case with both neo liberal and neo conservative programs for reform The authors contend that good education is and must be multicultural in order to gain a deeper perspective on issues under analysis in the classroom through the sharing and negotiating of many different cultural perspectives Living Ethics Michael J. Bugeja,2008 In a seamlessly wired world of television computers and BlackBerrys where does ethics fit in To address that question Living Ethics calls for a moral convergence to complement the technological one Identifying principles that apply across media platforms Michael Bugeja has created a thorough and well researched work that avoids the prescriptive language used by many texts instead he encourages critical thinking through examples that build challenge and enhance readers value systems While many ethics texts focus almost exclusively on journalistic ethics this award winning text recipient of the 2009 Clifford G Christians Award for Research in Media Ethics emphasizes unifying principles that collapse and transcend the boundaries of a wide variety of media sources including newspapers magazines radio television public relations photojournalism advertising and other forms of traditional and online mass communication As readers will discover the circumstances of ethical issues may vary but the moral processes used to resolve them are basically the same Resolutely practical Living Ethics is written in a clear and cogent style that helps readers Understand unifying principles from historical philosophical and political perspectives Grasp the utility of principles that engage audiences and clients while respecting the diverse cultures in an increasingly global media environment Explore moral convergence through the eyes of more than 100 practitioners at major newsrooms agencies and organizations Examine ethical issues visually through more than 20 photos and illustrations Develop a set of principles to guide their careers across a multitude of platforms **Interpersonal Divide** Michael J. Bugeja,2005 Michael Bugeja discusses the proposition that the media technology have created an interpersonal divide eroding the sense of community among people in the Western world The New York State Constitution, Second Edition Peter J.
