First And Second Corinthians:

First and Second Corinthians Maria A. Pascuzzi, 2016-12-01 What was originally part of an ongoing dialogue between Paul and the community at Corinth has become vital in today's Christian worship Maria A Pascuzzi CSJ helps us look at the Corinthian community through Paul's viewpoint highlighting the struggles and issues of the Corinthian society Pascuzzi highlights how Paul's attempt to reform this early society can be used to refocus the Christian community today a community that faces similar struggles Pascuzzi gives the background of Corinth its Greek and Roman inhabitants the development of the Christian community and the importance of Corinth's location to Paul's ministry Maria A Pascuzzi CSJ STD teaches Scripture at the University of San Diego *First and Second Corinthians* John Proctor, 2015-03-23 Books in the Westminster Bible Companion series assist leaders and students in their study of the Bible as a guide to Christian faith and practice Each volume presents the text under discussion explains the biblical book in its original historical context and explores the text's significance for faithful living today These books are ideal resources for preparing text based sermons and a worthy addition to seminary courses and advanced Bible study groups In this volume John Proctor provides an accessible study on First and Second Corinthians Paul's first letter to the Corinthians addresses the basic components of human life such as leadership marriage hospitality and bereavement The second letter mostly revolves around the pains and joys of a pastoral relationship Proctor's volume provides insightful commentary that examines how the letters spoke to the people of Corinth and how they are received today **A Teacher's Commentary on First and Second Corinthians** Dan R. Owen, 2021-09-07 A Teacher's Commentary on First and Second Corinthians is especially designed as a practical tool for those who preach from the Corinthian letters or teach Bible studies from them The reflective questions at the end of each chapter as well as the appendices at the end of the book are designed to help the teacher in personal understanding instruction and in practical matters of the church The material on First Corinthians will help ministers with many practical church matters and encourage them to work for unity in the church during times of conflict The material on Second Corinthians will help ministers navigate relationships with people in their churches over time and at the same time remain faithful to Christ in ministry **Letters to a Troubled Church** Ray C. Stedman, 2011-09-01 Your faith is challenged daily We live in a society that has few absolutes where truth is defined by personal philosophies It's really not so different from the culture of Corinth during the apostle Paul's ministry Believers were struggling with the gray areas of life so Paul wrote letters 1 and 2 Corinthians to remind them of what God intended as black and white In *Letters to a Troubled Church* Bible teacher Ray Stedman uses Paul's epistles to guide us through difficult matters **1 & 2 Corinthians** Livingstone, 2021-03-02 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary This volume provides in depth explanation background and application for every verse in the books of 1 2 Corinthians Perfect for sermon preparation and lesson planning this one of a kind reference provides excellent quotes and a

First and Second Letters of Paul to the Corinthians Margaret E. Thrall,1965-01-02 This is a series of commentaries on the New English Bible designed for use in schools and training colleges and for the layman It replaces the old Cambridge Bible for Schools Each volume will comment on one book or two or three short books of the Bible beginning with the New Testament already published In each the text will be given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references but the commentary does convey the latest and best scholarship The general editors all have experience of teaching or examining in schools and working with adults It is hoped to have the series complete in a few years There will also be a general introductory volume Understanding the New Testament and a volume of maps and plates The New Testament Illustrated

The Homilies On First And Second Corinthians St. Chrysostom,2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life The Homilies on the Epistles to the Corinthians have ever been considered by learned and devout men as among the most perfect specimens of his mind and teaching They are of that mixed form between exposition and exhortation which serves perhaps better than any other first to secure attention and then to convey to an attentive hearer the full purport of the holy words as they stand in the Bible and to communicate to him the very impression which the preacher himself had received from the text The date of these Homilies is not exactly known but it is certain that they were delivered at Antioch were it only from Hom xxi 9 ad fin Antioch was at that time in a temporal sense a flourishing Church maintaining 3 000 widows and virgins maimed persons prisoners and ministers of the altar although St Chrysostom adds its income was but that of one of the lowest class of wealthy individuals
