First Ladies Of The United States A Biographical Dictionary:

First Ladies of the United States Robert P. Watson, 2001 Profiles all the first ladies from the first to Laura Welch Bush detailing the childhood and education family life presidential years and achievements of each first lady *First Ladies* Dorothy Schneider, Carl J. Schneider, 2010 A biographical dictionary profiling first ladies of the United States from Martha Washington to Michelle Obama *First Ladies of the United States* National Portrait Gallery, 2020-12-01 A gorgeous publication that reveals the historical importance of first ladies through portraiture Each first lady has brought her own priorities and flair to the position that has never been officially defined They have served as hostesses trendsetters activists and political players First Ladies of the United States features 84 portraits of the nation's first ladies as varied in style and representation as the individual women they depict From watercolors and oil paintings to engravings and photographs this book celebrates the legacy of first ladies throughout history First ladies are some of the most scrutinized public figures in the country praised or criticized on everything from their fashion to their level of political involvement There's no better way to explore their visibility and lasting impact than with First Ladies of the United States which places remarkable portraits alongside an insightful essay and lively entries that illuminate the history of the women who have shaped the White House

The Health of the First Ladies Ludwig M. Deppisch, M.D., 2015-01-28 This first comprehensive study of the medical histories of America's first ladies from Martha Washington to Michelle Obama discusses their illnesses their treatments and their physicians in the context of their times As the categories of illness afflicting Americans have changed through history so have the kinds of maladies affecting the first ladies Infectious diseases and the consequences of poorly supervised pregnancies have been replaced by cerebrovascular accidents and malignancies The secrecy with which the White House has traditionally handled inquiries about the health of the president's wife is explored in detail however several first ladies notably Betty Ford have been transparent about their illnesses in order to educate the public The effects of a first lady's responsibilities on her health is examined This book also seeks to discern how the well being of the first lady influences presidential performance

White House Studies Compendium Robert W. Watson, 2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendium consists of the combined and rearranged issues of the journal White House Studies with the addition of a comprehensive subject index Preface

The United States Biographical Dictionary and Portrait Gallery of Eminent and Self-made Men, 1877

Encyclopedia of Women and American Politics, Third Edition Lynne Ford, 2021-07-01 Encyclopedia of Women and American Politics Third Edition contains all the material a reader needs to understand the role of women throughout America's political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of

Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more **From Classroom to White House** James McMurtry Longo, 2011-11-28 President Eisenhower who was not always the best student once wrote One cannot always read a man's future in the record of his younger days Indeed this review of the classroom experiences of presidents and first ladies from George and Martha Washington to Barack and Michelle Obama reveals that few made model students Teachers reported that John F Kennedy could seldom locate his possessions found George H W Bush somewhat eccentric and dubbed a sixth grade Bill Clinton a motormouth In addition to chronicling the school days of these historic figures this volume also relates their teaching experiences the educational issues they addressed during their White House years and intricacies of education at their time in history providing an informative overview of American schooling over time

Feminist Collections University of Wisconsin System. Women's Studies Librarian, University of Wisconsin System.

Women's Studies Librarian-at-Large, 2001 **American Political Leaders, Third Edition** Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson's work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president

America's First Freedom Rider Jerry Mikorenda, 2019-12-17 In 1854 traveling was full of danger Omnibus accidents were commonplace Pedestrians were regularly attacked by the Five Points gangs Rival police forces watched and argued over who should help Pickpockets drunks and kidnappers were all part of the daily street scene in old New York Yet somehow they endured and transformed a trading post into the Empire City None of this was on Elizabeth Jennings s mind as she climbed the platform onto the Chatham Street horsecar But her destination and that of the country took a sudden turn when the conductor told her to wait for the next car because it had her people in it When she refused to step off the bus she was assaulted by the conductor who was aided by a NY police officer On February 22 1855 Elizabeth Jennings v Third Avenue Rail Road case was settled Seeking 500 in damages the jury stunned the courtroom with a 250 verdict in Lizzie s favor Future US president Chester A Arthur was Jennings attorney and their lives would be forever onward intertwined This is the story of what happened that day It s also the story of Jennings and Arthur s families the struggle for equality and race relations It s the history of America at its most despicable and most exhilarating Yet few historians know of Elizabeth Jennings or the impact she had on desegregating public transit

The Smithsonian Book of the First Ladies Edith Mayo, 1996-04-15 Documents the lives of the presidents wives and official hostesses while exploring their political achievements and considering the electorate s influence on each woman

School Library Journal ,2002

Caroline Lavinia Scott Harrison Anne Chieko Moore, 2005 Caroline Scott Harrison was the friendly enthusiastic and intelligent wife of the twenty third President of the United States Benjamin Harrison She was a graduate of Oxford Female Institute in Oxford Ohio where her father an advocate for women s education was president of the school In 1889 she walked gracefully into the limelight of the First Lady s position confidently assuming leadership in a number of activities and accomplishing much through the next three years She had little fear of performing social duties in Washington She learned to use the power of the First Lady s office to influence special requests When Johns Hopkins Hospital asked her for help in raising funds for their medical school she challenged them to improve the status of women And establishing the National Society of the Daughters of the American Revolution as the first president general required much more responsibility than an honorary chair implies

A Companion to First Ladies Katherine A.S. Sibley, 2016-03-14 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady

Sarah Childress Polk, First Lady of Tennessee and Washington Barbara Bennett Peterson, 2002 Dark ringlets of curls and a pretty oval face reflecting

integrity and charm were the endearing features of Sarah Childress Polk wife and First Lady of President James K Polk who served from 1844 to 1848 during America's era of expansionist Manifest Destiny. She was one of the first truly politically important First Ladies of America because she acted as her husband's main political adviser, close confidante and personal secretary and was blessed with a sound acumen and moral uprightness. Both in her domestic charm and political acumen, Sarah Childress Polk became a role model for future First Ladies to follow both in strength of character and political performance.

A History of Women in Medicine and Medical Research Dale DeBakcsy, 2022-12-15 In the nineteenth century, a small but dedicated group of European and American women rose to agitate for the inclusion of women in the medical profession. It is a historic tale that we have told and retold for decades, but it is far from where the story of women as physicians and healers begins. Stretching back into deepest antiquity, we possess accounts of women who were consulted by emperors and paupers alike for their medical expertise. They were surgeons, apothecaries, midwives, university lecturers, and medical researchers in correspondence with the most learned societies of their time. And then it all came crashing down. A History of Women in Medicine and Medical Research is the story of the women who participated in that early Golden Age and of a medical establishment closing ranks against them so effectively that by the early Victorian era, they not only were barred from practicing medicine but from so much as stepping into a classroom where medical topics were being discussed. It is the story of that intrepid band of reformers and pioneers who built back the women's medical profession from the ashes and constructed a thriving new community of researchers and practitioners who within a century had retaken not only the ground that had been lost but boldly advanced to levels of fame and achievement unimaginable to any previous era. Told through in-depth accounts of the lives of the pioneers and practitioners who built and rebuilt the women's medical movement, this title dives into the lives of not only legendary figures like Florence Nightingale, Gertrude Elion, Rosalyn Yalow, and Elizabeth Blackwell but visits women the world over whose medical contributions broke down doors and advanced the cause of women's and world health like the revolutionary medieval physician Trota of Salerno, the pioneering eighteenth-century midwife and businesswoman Madame du Coudray, the microbiological research trailblazer Mary Putnam Jacobi, and the HIV researcher and world epidemic response coordinator Francoise Barre Sinoussi. With over 140 stories spanning three millennia of global medicine, this book shines a light on the unknown heroes, towering discoveries, tragic missteps, and profound struggles that have accompanied the Rise, Fall, and Rebirth of the women's medical profession.

Women in the United States Military Judith Bellafaire, 2011-01-26 Women's participation in the U.S. Armed Forces has grown over time in response to the national need for their services. Throughout each era of American history, patriotic women volunteered to serve their country in a wide variety of official and unofficially sanctioned capacities. When there was a call to duty, the United States Armed Forces always relied upon women to be a part of the effort. This book provides information to enable students and scholars to understand the effect women have had on wars that have shaped the United States.

Lamb's Biographical Dictionary of the United

States John Howard Brown,1903 Life in the White House Robert P. Watson,2012-02-01 This unique perspective on the White House one of the most readily identifiable structures in the world brings together the views of librarians journalists political advisers attorneys researchers and professors Filled with anecdotes little known facts and scholarly analysis the book shows how The People s House has been shaped and molded both architecturally and philosophically by the different administrations over the past 200 years Erudite and entertaining Life in the White House looks at the social history of the first family the creation of the president s home and efforts by first families to carve out a space for the important business of family while preserving the history of their famous residence This public museum and private residence which began as the result of a 500 Jefferson era architectural design contest now symbolizes one of the world s great superpowers
