

ST. PAUL'S SECOND AND THIRD EPISTLES TO THE CORINTHIANS

PART I.

THE DATE OF THE FIRST EPISTLE TO THE CORINTHIANS

THE DISPUTED JOURNEY AND THE DATE OF FIRST CORINTHIANS

THERE are three passages in the Second Epistle to the Corinthians (as it appears in our Bibles) in which there are apparent references to a visit paid by St. Paul to Corinth at some date intermediate between the time of his first visit to that city and the time when these passages were written. They are 2nd Cor. ii. 1, *Ἐκρηνα δὲ ἑμαυτῷ τοῦτο, τὸ μὴ πάλιν ἐν Ἀθήνῃ πρὸς ὑμᾶς ἐλθεῖν*: xii. 14, *Ἰδοὺ, τρίτον τοῦτο ἑτοίμως ἔχω ἐλθεῖν πρὸς ὑμᾶς*: and xiii. 1, 2, *Τρίτον τοῦτο ἔρχομαι πρὸς ὑμᾶς ἐπὶ στόματος δύο μαρτύρων καὶ τριῶν σταθήσεται πᾶν ῥῆμα. Προεῖρηκα καὶ προλέγω, ὥς παρὼν τὸ δεύτερον, καὶ ἄπὼν νῦν, τοῖς προημартηκόσι, καὶ τοῖς λοιποῖς πᾶσιν, ὅτι ἐὰν ἔλθω εἰς τὸ πάλιν, οὐ φείσομαι.* These passages have been

The First Epistle to the Corinthians Anthony C. Thiselton, 2000 A new examination of a classic Christian text begins with the Greek text of the Corinthians and outlines the most important theological ethical and socio historical issues surrounding this seminal book

Paul's Offer of Leniency (2 Cor 10:1) Donald Dale Walker, 2002 Originally presented as the author's thesis Ph.D. University of Chicago 1998

Religious Books and Serials in Print 1978-1979 R.R. Bowker Company. Department of Bibliography, 1978-11

2 Corinthians: A Social Identity Commentary Philip Esler, 2021-09-23 Philip F Esler provides a comprehensive coverage of the issues in 2 Corinthians from the perspective of social identity with a focus on Paul's leadership Esler enlists social identity theory in critical dialogue with existing scholarship to show how Paul sought to persuade the Corinthian Christ followers to adopt certain views on four critical issues that had arisen in his relationship with them with his discourse demonstrably reflecting the ancient Mediterranean culture they shared Two introductory chapters set out those four issues summarise the events reflected in 1 and 2 Corinthians make an initial case for the integrity of the letter against partition theories explain and defend the use of social identity theory in biblical interpretation and describe the social identity approach to leadership In the commentary Esler explores how Paul re-establishes his leadership role by reconnecting with the Corinthians urges their participation in the collection for Jerusalem and defends his position against recently arrived opponents all the while reinforcing his addressees social identity as Christ followers Prominent features of the commentary fostered by its social identity perspective include its cumulative case for the letter's unity for Paul's opponents being similar to those in Galatia and for the interweaving of social and theological dimensions in the text

Subject Guide to Books in Print, 1997

Portrait of an Apostle Gregory S. MaGee, 2013-09-24 In Portrait of an Apostle Greg MaGee explores the claim that Colossians and Ephesians are works of forgery that use Paul's authoritative status to gain a hearing This hypothesis is so often restated in recent scholarship that it is arguably the default position in the field even though the theory is relatively untested MaGee argues that such a view does not stand up to close scrutiny Unsuccessful attempts to imitate Paul usually flounder in their portrayals of Paul as is evident with the pseudepigraphal Epistle to the Laodiceans and 3 Corinthians Such is not the case with Colossians and Ephesians

This book attempts to demonstrate that interpretations based on the assumption of Paul's authorship of Colossians and Ephesians are consistently superior to interpretations positing that an admirer of Paul wrote the letters 2 Corinthians: The Christian Standard Commentary David E. Garland, 2021-03-15 2 Corinthians is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book while paying special attention to balancing scholarship with practical application **Colometric Analysis of Paul's Letters** Priscille Marschall, 2024-03-13 Priscille Marschall explores some stylistic aspects of Paul's letters in particular their oral oriented logic of structuration employing Chapters 10-13 of Second Corinthians as a case study The method of analysis draws upon the rhetorical treatises of the Greco-Roman world **Paul and First-Century Letter Writing** E. Randolph Richards, 2025-07-29 Traditional Christian art depicts Paul the letter writer pen in hand attentive to the Spirit We might think we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians But in reality neither of these pictures is accurate In Paul's day producing a letter was a time consuming and costly business And we have ample resources from the ancient world to piece together what it must have been like A secretary was usually part of the picture But so were notes drafts corrections and careful rewrites not to speak of scratchy pens sooty ink and coarse papyrus Interestingly there is evidence that Paul involved his missionary team in the writing of letters And then came the delivery over land and sea the reading and circulation as well as the epistolary afterlife of copying collecting and storing E Randolph Richards has extensively studied ancient letter writing and secretaries Informed by the historical evidence and with a sharp eye for telltale clues in Paul's letters he takes us into this world and places us on the scene with Paul the letter writer What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Servants of Satan, False Brothers, and Other Opponents of Paul** Jerry L. Sumney, 1999-12-01 This book sets out a method for identifying the opponents in view in Paul's letters and then applies it to the relevant writings of the Pauline corpus The method limits the use of parallels or prior constructions as a basis for identification dealing with each letter on an individual basis and taking full account of the historical and social context Sumney concludes that the Pauline letters address different kinds of opposition in different places including two distinct anti-Paul movements Here is a fundamental study for research into a basic problem of the Pauline correspondence The United States Catalog Mary Burnham, Carol Hurd, 1928 Religious Books and Serials in Print, 1982 *Puzzling Passages in Paul* Anthony C. Thiselton, 2018-10-22 Few Christian writings have had the world-changing impact of St Paul's epistles to the churches and yet from the very beginning these works proved themselves to be tricky texts The Second Letter of Peter commenting about them says There are some things in them that are hard to understand 2 Pet 3:16 Indeed To this day many issues of their

interpretation remain highly contested In this book Anthony Thiselton grasps the nettle and examines forty puzzling passages from Paul's epistles He considers the various scholarly proposals about their meaning and offers his own reflections in the hope of dispersing fog and shedding light and of expounding a coherent and self-consistent Paul **Colossians** Jerry L. Sumney, 2008-01-01 The New Testament Library offers authoritative commentary of every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text C Clifton Black M Eugene Boring and John T Carroll are series editors The letter to the Colossians offers great insight into the faith life and problems of an early Christian church Understanding this letter to be one of Paul's prison epistles but aware of the differences between this and his other writings Jerry Sumney shows how the church struggled with expressing its new faith in the diverse settings of the Greco-Roman world Paying special attention to the ways of forgiveness and salvation through the power of Christ this fine commentary offers compelling new insights into Colossians' expansive Christology and expectant eschatology **Patrology** Otto Bardenhewer, 1908 Otto Bardenhewer's Patrology is certainly not the most recent work in the field But sound judgment is never obsolete Bardenhewer's concise pellucid analysis of the church fathers is still valuable today over a century after it was published For generations his work has been treasured by experts and novices alike for its penetrating insight and easy accessibility Many fathers are given fuller treatment here than in any modern handbook And today every work cited in Bardenhewer's copious bibliographies has entered the public domain what a boon to researchers of the information age **Theology and Practice in Early Christianity** Troy W. Martin, 2020-08-12 Early Christianity did not originate in a vacuum but in a world of linguistic social religious and cultural richness and diversity The twenty-two seminal essays in this volume some previously published some newly written represent almost three decades of research by Troy W Martin to understand how early Christianity developed in the ancient world The broad-ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts but also to the social philosophical physiological and medical contexts in which these texts were written The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith hope and love that characterized early Christian communities They include new medical and physiological explanations of early Christian sacraments pneumatology and eschatology and furthermore investigate early Christian communal life and practice including the veiling of women male-female relationships and time-keeping The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship Those familiar with the well-trodden ground of New Testament studies will find in these essays new insights and previously unexplored comparative material for understanding early Christianity and the world in which it originated **The Unity of Male and Female in Jesus Christ** Gesila Nneka Uzukwu, 2015-11-19 This detailed exegetical study of Gal 3:28c in the light of 3:14-29 and 4:21-31 shows not

only how integral this verse is to chapters 3 and 4 of the letter but also that it is the key to understanding Paul's theological argument of promise in Galatians Paul's use of the story of Abraham in 3:14-29 and of Sarah in 4:21-31 in light of God's promise to the patriarch and the matriarch in Genesis 17 have implications displays the joint role of Abraham and Sarah in bringing about the promise and underscores the unity of the believers in Christ In light of this Uzukwu examines important aspects of the history of the interpretation of Gal 3:28c Uzukwu sheds light on the link between Gal 3:28 and the three expressions of gratitude found in Greek writings Links are also revealed to the three blessings of gratitude that appear at the beginning of the Jewish cycle of morning prayers Gen 1:27c in the Septuagint and the alleged pre Pauline baptismal formula She goes further to demonstrate how 3:28c is related to the unity of Galatians 3:4 focusing on the theme of the promise as the text discusses the effect of the Christ event in bringing about the fulfillment of that promise A commentary, critical and explanatory, on the Old and New Testaments, by R. Jamieson, A.R. Fausset and D. Brown. (Portable comm.). Robert Jamieson, 1863
