A collection of poems reflecting Thomas Hardy s tumultuous marriage to Emma Gifford In many of his poems the great Dorset poet and novelist Thomas Hardy referred to a certain romantic courtship a marriage which became progressively more problematical and finally to a bereavement in which a man loses his wife So who was Hardy writing about The clue is to be found in his early poems where the names of several locations in North Cornwall are mentioned this being the very same place which featured in Hardy s courtship of Emma Gifford who was to become his first wife The poems raise certain questions Given that Hardy and Emma gradually drifted apart so that in the end they lived mainly separate lives albeit under the same roof why was he so grief stricken when she died bearing in mind that their marriage was so unsatisfactory How did Hardy cope as he passed through the various stages of grief which he articulated so poignantly and expressively in his poems These stages are recognized today thanks to the work of Swiss US psychiatrist Elisabeth K bler Ross and US expert on grieving and loss David Kessler Finally how did Hardy survive and come out the other side and can his experience be a guide to others who find themselves alone and bereft after losing their partner      *Thomas Hardy* Claire Tomalin,2007-01-18 A

**Woman Much Missed** Mark Ford, 2023-06-14 Woman Much Missed is the first book length study of the many poems over 150 that Thomas Hardy composed in the wake of the death of his first wife Emma in November of 1912 Mark Ford uses these poems to develop a narrative of their four year courtship on the remote and romantic coast of Cornwall where they met and then follows Thomas's poetic recreation of the slow degeneration of their marriage and their embittered final decade Ford shows how Emma's writings and experiences during this time were fundamental to Thomas's evolution into both a best selling novelist and into one of the greatest poets of the twentieth century Although for over a decade the marriage between Thomas and Emma had been troubled and indeed Emma spent much time during her final years secluded in her attic rooms above his study her death stimulated him to write some of the greatest elegies in English Twenty one of these including masterpieces such as The Voice which opens Woman much missed how you call to me call to me and After a Journey were collected in Poems of 1912-13 While these have received much attention and are often read by school pupils and university students alike his numerous other poems about Emma have only rarely been discussed Ford corrects this oversight providing accessible and insightful readings from a poet's perspective
