you make this paradigm shift when you see your spiritual life through this lens then religion changes to relationship performance gives way to acceptance the pursuit of knowledge becomes the experience of intimacy and the Bible becomes a book of God's longing to communicate His pursuit of you InFaith Painting Shawn Taylor challenges our unconscious notions of what matters most to the Father and our means of gaining His acceptance As people desperately seeking an encounter with God it appears we have settled for being in the presence of one who was in the presence of God rather than finding that intimate relationship ourselves We assume what we do is what matters most yet we're surprised when the Father doesn't applaud our performance For leaders the temptation to bow to the cultural demand for showmanship is even greater In a culture that worships athletes idolizes singers and exalts actors is it really any wonder that church leaders are expected to command attention Those at the pulpit are often more preoccupied with being dynamic speakers and attracting great crowds of people than ushering individuals into an intimate relationship with the Father Jesus called for a different standard As you read through the pages of this book you'll begin a journey to discover God's heart You'll be reminded that the creator of heaven and earth seeks a heart encounter with you which is not interpreted through a person on a platform When God shows up in person life changes Pick up your paint brushes and let God change your paint by number artwork into an amazing Faith Painting
