First Strike Invasion:

First Strike Shlomo Nakdimon, 1999-10-16 Long ago before the days of myth and legend our worlds belonged to them Now they want them back Captain Kirk is stunned when the Federation receives an urgent plea for help from the Klingon Empire A mysterious starship has invaded Klingon space and resisted all their efforts to destroy it Establishing contact with the stranger s ship Kirk discovers that it is only the vanguard of a vast alien fleet obsessed with conquering the Klingons the Federation the Romulans and all who dwell in the space that was once their own The Invasion has begun Invasion Omnibus Diane Carey, Kristine Kathryn Rusch, Dean Wesley Smith, L. A. Graf, Dafydd ab Hugh, 1998 Four stories all linked together with one horrific theme INVASION Each generation must battle the invading Furies to save the Earth from ultimate destruction *The Great Turning (Volume 2 of 3) (EasyRead Super Large 24pt Edition)* , **The Great Turning** David C. Korten, 2009-02 Although the issues addressed in The Great Turning are global and universal I have chosen to focus my analysis on the United States It is the nation among all others that is most challenged by the imperatives of the Great Turning Few other nations are so accustomed to living beyond their own means so imbued with a sense of special virtue and entitlement or so burdened by a political leadership as out of touch with global reality and as incapable of accepting responsibility for the consequences of its actions Because of its global presence whether the United States responds to the imperatives with the logic of Empire or the logic of Earth Community is likely to have far reaching consequences for all nations Furthermore the United States is the nation of my birth the nation I know best and love most and the nation for whose role in the world I feel most responsible **A Strategy For Terminating A Nuclear War** Clark C Abt, 2021-11-28 Avoiding a nuclear war or ending one if avoidance fails is an important but relatively unexplored aspect of nuclear doctrine Dr Abt examines the feasibility of antagonists agreeing to exclude their open cities from nuclear targeting and to replace strategic bombardment with retaliatory invasion to create less of a hair 1 trigger deterrent Critical net assessments by U S strategists and the effects of such a strategy on the Soviet Union and on U S allies are considered along with problems implementation might pose The author contends that both deterrence and the potential for limiting damage are strengthened by pre war plans for a nuclear ceasefire and stalemate short of holocaust *Joel Barlow's Columbiad* Steven Blakemore, 2007 Steven Blakemore offers a close reading of The Columbiad within the context of contemporary national debates over the significance of America In doing so he helps the reader understand the variety of national discourses that Barlow was promoting challenging or subverting Long neglected The Columbiad fundamentally engages the core issues and strategies of national self definition and the creation of a vital republican culture This book will appeal to all those interested in early American literature the literature of the early Republic and American literary nationalism **Stalking the Antichrists (1940?1965) Volume 1** George E. Lowe, 2013-02 It is based on the inspiring definitions of the word introduction 1651 My actions of bringing in a newly weapon since August 1945 brought into the world and to its process of

the application in war and with an in depth initiation in the knowledge of elementary instruction regarding Deterrents and Deterrence thereof which leads to the knowledge or understanding of the impact of both fission and fusion nuclear weapons on war politics foreign policy strategy and the fate of the Earth Gaia God s Creation thanks to my insights gained personally at Grove City College the University of Chicago U S Navy Air Intelligence Officer and State Department Foreign Service Officer and herewith presented as my introduction to the formal introduction of my halting but determined attempts to deter a thermonuclear World War III and Armageddon too 1945 2012 Modified from Introduction Shorter Oxford English Dictionary Third Edition 1959 p 1036 **Invasion! First Strike** ,1996 The Last Mission Malcolm McConnell,2024-04-29

How close did the Japanese come to not surrendering to Allied forces on August 15 1945 The Last Mission explores this question through two previously neglected strands of late World War II history whose very interconnections could have caused a harrowing shift in the course of the postwar world On the final night of the war as Emperor Hirohito recorded a message of surrender for the Japanese people a band of Japanese rebels commanded by War Minister Anami s elite staff burst into the palace They had plotted a massive coup that aimed to destroy the recordings of the Imperial Rescript of surrender and issue false orders forged with the Emperor s seal commanding the widely dispersed Japanese military to continue the war If this rebellion had succeeded the military would have proceeded with large scale kamikaze attacks on Allied forces costing huge casualties and just possibly provoking the Americans to drop a third atomic bomb on Japan over Tokyo and continue to drop more bombs as Japanese resistance stiffened The Great Turning (EasyRead Edition) David C. Korten,2006 The Great Turning (Volume 1 of 2) (EasyRead Super Large 18pt Edition) , **Honest Broker?** John P. Burke,2009-04-20

Quis custodiet ipsos custodes Who will be guarding the guardians Juvenal The U S president s decisions on national security and foreign policy reverberate around the world The National Security Council NSC and the national security advisor are central to the decision making process But how was the role of the national security advisor originally understood and how has that understanding changed over time Above all how has the changing role of the national security advisor affected executive decisions and the implementation of policy Now presidential scholar John P Burke systematically and thoroughly addresses these questions In Honest Broker he reviews the office of national security advisor from its inception during the Eisenhower presidency to its latest iteration in the White House of George W Bush He explores the ways in which the original conception of the national security advisor as an honest broker who rather than directly advocate for any certain policy direction was instead charged with overseeing the fairness completeness and accuracy of the policymaking process has evolved over time In six case studies he then analyzes the implications of certain pivotal changes in the advisor s role providing thoughtful and sometimes critical reflections on how these changes square with the role of honest broker Finally Burke offers some prescriptive consideration of how the definition of the national security advisor s role relates to effective presidential decision making and the crucial issues of American national security Honest Broker will be an

important resource for scholars students political leaders and general readers interested in the U S presidency foreign policy and national security

[The Last Mission](#) Jim Smith,Malcolm McConnell,2007-12-18 A gripping account of the final American bombing mission of World War II and how it prevented a military coup that would have kept Japan in the war How close did the Japanese come to not surrendering to Allied forces on August 15 1945 The Last Mission explores this question through two previously neglected strands of late World War II history whose very interconnections could have caused a harrowing shift in the course of the postwar world On the final night of the war as Emperor Hirohito recorded a message of surrender for the Japanese people a band of Japanese rebels commanded by War Minister Anami s elite staff burst into the palace They had plotted a massive coup that aimed to destroy the recordings of the Imperial Rescript of surrender and issue false orders forged with the Emperor s seal commanding the widely dispersed Japanese military to continue the war If this rebellion had succeeded the military would have proceeded with large scale kamikaze attacks on Allied forces costing huge casualties and just possibly provoking the Americans to drop a third atomic bomb on Japan over Tokyo and continue to drop more bombs as Japanese resistance stiffened Meanwhile in the midst of an end of war celebration on Guam Air Force radio operator Jim Smith and his fellow crewmen received urgent orders for a bombing mission over Japan s sole remaining oil refinery north of Tokyo As a stream of American B 29B bombers approached Tokyo Japanese air defenses fearing the approaching planes signaled the threat of a third atomic bomb ordered a total blackout in Tokyo and the

Imperial Palace completely disrupting the rebels plans Smith and his fellow crewmembers completed the mission and a few hours later the Emperor announced the surrender over Japan s airwaves dictating the end of the war The Last Mission is an insightful piece of speculative investigation that combines narrative storytelling with historical contingency and explores how two seemingly unrelated events could have profoundly changed the course of modern history **Afghanistan** Abid Ullah Jan,2006-01-01 Cuba Libre Philip Brenner,Peter Eisner,2017-08-31 This timely book provides a balanced and deeply knowledgeable introduction to Cuba since Christopher Columbus s first arrival in 1492 With decades of experience studying and reporting on the island Philip Brenner and Peter Eisner provide an incisive overview for all readers seeking to go beyond stereotypes in their exploration of Cuba s politics economy and culture As Cuba and the United States open their doors to each other Cuba Libre gives travelers policy makers businesspeople students and those with an interest in world affairs an opportunity to understand Cuba from a Cuban perspective to appreciate how Cubans quest for independence and sovereignty animates their spirit and shapes their worldview and even their identity In a world ever more closely linked Cuba Libre provides a compelling model for US citizens and policy makers to empathize with viewpoints far from their own experiences

The Cold War Reference Guide Richard Alan Schwartz,2015-09-17 For over forty years much of the world was held captive by a conflict between two wholly incompatible economic ideologies capitalism and communism and the two primary superpower countries who practiced them the United States and the Soviet Union Written in accessible language for readers with little or no previous knowledge about the subject this work is first a general history of the Cold War with an overview of its root causes and the policies and theories that were in place from 1947 through 1990 A thoroughly annotated chronology of important Cold War events follows Short biographies of some of the major United States political figures and world leaders conclude the work The Cuban Missile Crisis and the Cold War Michelle Getchell,2018-09-15 In October 1962 when the Soviet Union deployed nuclear missiles in Cuba the most dangerous confrontation of the Cold War ensued bringing the world close to the brink of nuclear war Over two tense weeks U S president John F Kennedy and Soviet premier Nikita Khrushchev managed to negotiate a peaceful resolution to what was nearly a global catastrophe Drawing on the best recent scholarship and previously unexamined documents from the archives of the former Soviet Union this introductory volume examines the motivations and calculations of the major participants in the conflict sets the crisis in the context of the broader history of the global Cold War and traces the effects of the crisis on subsequent international and regional geopolitical relations Selections from twenty primary sources provide firsthand accounts of the frantic deliberations and realpolitik diplomacy between the U S the U S S R and Fidel Castro s Cuban regime thirteen illustrations are also included CONTENTS Introduction The Making of a global Crisis The Origins of the Cold WarA New Front in the Cold WarThe Cold War in Latin AmericaThe Cuban Revolution and the Soviet UnionU S and Regional Responses to the Cuban RevolutionOperation Zapata The Bay of PigsOperation Anadyr Soviet Missiles in CubaCrisis D nouement The Missiles of NovemberEvaluating the Leadership on All
