First Things First Critical Issues Series:

Action Dialogues Debbe Kennedy, 2000 To be used as a part of Debbe Kennedy's Diversity Breakthrough Strategic Action series this is a pack of 52 glossy cards each isolating specific roadblocks that organisations commonly face when looking to launch a diversity initiative The first for example reads Our leadership team does not reflect our stated commitment to inclusion Another reads Resistance to change keeps diversity out of reach Grouped into seven areas leadership culture involvement the business strategies and measures staffing and ownership they can be passed out in groups of any size to allow participants to literally put their cards on the table about internal issues they'd rather not bring up aloud The cards can be used alone or in conjunction with the six booklets in the Strategic Action series each of which focuses on a crucial phase in what Kennedy a veteran consultant and a former manager of Equal Opportunity and human resources at IBM calls the imperfect circle of change Assessment Acceptance Action Accountability Achievement and More Action

International Disaster Management Ethics Liza Ireni Saban, 2016-01-01 Responds to the demanding political and ethical challenges faced by the international disaster management community

Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40 8 The grass withers the flower fades But the word of our God stands forever
