done for us William B Johnson Clerk By means of a carefully trained corps of ushers numbering two hundred there was no
confusion in finding seats and when all seating space had been filled no more were admitted until the next service The
church was filled for each service in about twenty minutes and was emptied in twelve in spite of the fact that many of the
visitors showed a tendency to tarry to examine the church It was children s day at noon for the service at half past twelve
was specially reserved for them They filled all the seats in the body of the church and when it came to the singing the little
ones were not a whit behind their elders their shrill trebles rising with the roll of the organ in almost perfect time In every
respect their service was the same as all the others There was no more impressive feature of the dedication than the silent
communion Devout Scientists said after the service that they would ever carry with them the memory of it THE ANNUAL
