Revised Edition** ENGLISH GRAMMAR., 1930 The First Lines of English Grammar Goold Brown, 2015-06-16 Excerpt from The First Lines of English Grammar Being a Brief Abstract of the Author s Larger Work the Institutes of English Grammar Designed for Young Learners Since the completion and

publication of my Grammar of English Grammars it has frequently been suggested to me that a new and critical revision of the Institutes and First Lines to present them in a state of stricter conformity to that more elaborate work and to obviate at the same time some remaining defects which had occasionally been noticed might be the means of increasing the usefulness and sustaining the reputation of these pretty widely known school books Such an improvement of the Institutes the author carefully prepared for the stereotypers during the last year Having now performed in like manner and with proportionate pains a new revision or a sort of recasting of the First Lines of English Grammar he may perhaps without lack of modesty commend this little book to the managers of schools as being in his own estimation at least the best and cheapest epitome of English Grammar yet offered to their choice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **First English Grammar Abridged** ,1898
