National Archives and Records Service,1970      **Inventory Series** National Archives (U.S.),1970      *Schubert's Fingerprints: Studies in the Instrumental Works* Susan Wollenberg,2016-04-01 As Robert Schumann put it Only few works are as clearly stamped with their author's imprint as his This book explores Schubert's stylistic traits in a series of chapters each discussing an individual fingerprint with case studies drawn principally from the piano and chamber music The notion of Schubert's compositional fingerprints has not previously formed the subject of a book length study The features of his personal style considered here include musical manifestations of Schubert's violent nature

the characteristics of his thematic material and the signs of his classicizing manner In the process of the discussion attention is given to matters of form texture harmony and gesture in a range of works with regard to the various fingerprints identified in each chapter The repertoire discussed includes the late string quartets the String Quintet the E flat Piano Trio and the last three piano sonatas Developing ideas which she first proposed in a series of journal articles and contributions to symposia on Schubert Professor Wollenberg takes into account recent literature by other scholars and draws together her own researches to present her view of Schubert s compositional personality Schubert emerges as someone exerting intellectual control over his musical material and imbuing it with poetic resonance

Behold, I AM Joyce Lynn Wulf, 2023-11-13 It was a childlike question but the answer was as stunning as it was profound If God is light what do the primary colors of the rainbow s spectrum signify The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us These enigmatic signs of light semeion imply the eight signs significance pointed to something other than what they appeared The themes of John s eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH s covenant names Behold I AM is a rich in depth study into God s Holyday appointed times His eight Festivals of Light what they meant then what they mean today and how they are fulfilling prophecy

**The Media Environment of Political Thought** Asaf Y. Shamir, 2017-10-11 The Media Environment of Political Thought offers a novel way of looking at the tradition of political thought by reconstructing the historical media landscapes in which great political texts of the past were produced It brings to light the little charted media environments in which two political innovators Jean Jacques Rousseau and Karl Marx operated and analyzes both how writing systems shaped their intellectual growth and how they used those systems to communicate their pioneering ideas The historical analysis is followed by a critical reflection on the future of political thought in the age of computer mediated communication Together the three studies presented in the book conjure up a view of the tradition of political thought as highly regulated stream of information shaped by historical writing systems
