**The First Battle of Manassas** John Hennessy, 1989-01-01

**First Manassas** Time-Life Books, 1997 Virginia had gained secession in April of 1861 and Federal troops flocked to Washington to defend the capitol. The series of clashes that ensued culminated in the battle at Manassas Junction where the Confederate army forced Federal troops to retreat north.

First Bull Run 1861 Alan Hankinson, 2013-06-20 A detailed illustrated account of the beginning of the Civil War. At Bull Run two inexperienced ill trained and poorly led armies clashed in the opening engagement of the American Civil War. Culminating in a stalwart defensive fight by Thomas Stonewall Jackson's Virginia Brigade this is the story of the Confederacy's first victory. Alan Hankinson investigates the personalities of the principal commanders and examines the opposing armies showing how the widely varying uniforms of different units caused mistakes of identity which affected the battle at crucial points. Weapons intelligence and the almost universal inexperience of troops on both sides are all discussed helping to explain the events of the battle itself.

The Greatest Civil War Battles Charles River Charles River Editors, 2018-02-14 Includes pictures of the battle's important generals and locations. Includes several maps of the battle. Includes accounts of the fighting written by important generals like McDowell, Longstreet, Sherman, Beauregard and more. Includes a Bibliography for further reading. Today will be known as BLACK MONDAY. We are utterly and disgracefully routed, beaten, whipped by secessionists. George Templeton Strong, Northern diarist. After the Battle of Fort Sumter in April 1861 ignited the Civil War many in the North expected a relatively quick victory including Abraham Lincoln. Days after the smoke had cleared in Charleston Harbor the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol recently relocated to Richmond. Despite the fact commanding general Irvin McDowell knew his troops were inexperienced and unready, pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia. McDowell's strategy during the First Battle of Bull Run was grand and in many ways it was the forerunner of a tactic Robert E Lee, Stonewall Jackson and James Longstreet executed brilliantly on nearly the same field during the Second Battle of Bull Run in August 1862. McDowell's plan called for parts of his army to pin down Beauregard's Confederate soldiers in front while marching another wing of his army around the flank and into the enemy's rear, rolling up the line. McDowell assumed the Confederates would be forced to abandon Manassas Junction and fall back to the next defensible line, the Rappahannock River. In July 1861 however this proved far too difficult for his inexperienced troops to carry out effectively. As the first major land battle of the Civil War the First Battle of Bull Run made history in several ways. McDowell's army met Fort Sumter hero

P G T Beauregard's Confederate army near the railroad junction at Manassas on July 21 1861 just 25 miles away from Washington D C Many civilians from Washington came to watch what they expected to be a rout of Confederate forces and for awhile it appeared as though that might be the case However Confederate reinforcements under General Joseph E Johnston's Army including a brigade led by Thomas Jonathan Jackson arrived by train on the eve of the battle evening up the numbers between Union and Confederate Shoring up the Confederates left flank Jackson's brigade helped reverse the Union's momentum and ultimately turn the tide along with Confederates that arrived by train during the middle of the battle itself As the battle's momentum switched the inexperienced Union troops were routed and retreated in disorder back toward Washington in an unorganized mass With over 350 killed on each side it was the deadliest battle in American history to date and both the Confederacy and the Union were quickly served notice that the war would be much more costly than either side had believed

The Greatest Civil War Battles The Battle of First Bull Run First Manassas comprehensively covers the campaign and the events that led up to the battle the fighting itself and the aftermath of the battle Accounts of the battle by important participants are also included along with maps of the battle and pictures of important people places and events You will learn about the First Battle of Bull Run like you never have before in no time at all *Maps of First Bull Run*

About the Author Bradley M Gottfried Ph D is the President of the College of Southern

Maryland An avid Civil War historian Dr Gottfried is the author of five books including Brigades of Gettysburg The Union and Confederate Brigades at the Battle of Gettysburg 2002 and The Maps of Gettysburg 2007 He is currently working with co editor Theodore P Savas on a Gettysburg Campaign encyclopedia **Centennial Commemoration, July 22-23, 1961** First Manassas Corporation (Manassas, Va.),1961 **Debacles at Bull Run** Charles River Charles River Editors,2017-12-19 Includes pictures of important people places and events Includes maps of the battles Analyzes the generalship of the battles most important leaders including Lee Longstreet McDowell Pope Stonewall Jackson and more Includes descriptions of the fighting from the post battle reports and memoirs of some of the leading generals including Pope Lee Jackson Longstreet and others Includes a Bibliography of each battle for further reading After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia McDowell s strategy during the First Battle of Bull Run was grand and in many ways it was the forerunner of a tactic Robert E Lee Stonewall Jackson and James Longstreet executed brilliantly on nearly the same field during the Second Battle of Bull Run in August 1862 McDowell s plan called for parts of his army to pin down Beauregard s Confederate soldiers in front while marching another wing of his army around the flank and into the enemy s rear rolling up the line McDowell assumed the Confederates would be forced to abandon Manassas Junction and fall back to the next defensible line the Rappahannock River In July 1861 however this proved far too difficult for his inexperienced troops to carry out effectively The Second Battle of Bull Run August 28 30 1862 was one of the most decisive battles fought during the Civil War and it was also one of the most unlikely Less than three months before the battle Joseph E Johnston s Army of Northern Virginia had been pushed back nearly all the way to Richmond by George B McClellan s Army of the Potomac so close that Union soldiers could see the church steeples of the Confederate capital And yet at the end of Second Manassas Robert E Lee s Army of Northern Virginia found itself in the field unopposed about 20 miles away from the Union capital of Washington D C How could such a remarkable reversal of fortunes take place so quickly After Lee succeeded the wounded Johnston he pushed McClellan s Army of the Potomac away from Richmond and back up the Peninsula in late June only to then swing his army north to face a second Union army John Pope s Army of Virginia Needing to strike out before the Army of the Potomac successfully sailed back to Washington and linked up with Pope s army Lee daringly split his army to threaten Pope s supply lines forcing Pope to fall back to Manassas to protect his flank and maintain his lines of communication At the same time it left half of Lee s army under Stonewall Jackson potentially exposed against the larger Union army until the other wing under James Longstreet linked back up Thus in late August 1862 the Army of Northern Virginia and the Army of Virginia found themselves fighting over nearly the exact same land the South and North fought over

in the First Battle of Bull Run 13 months earlier Debacles at Bull Run comprehensively covers both campaigns the events that led up to the battles the fighting itself and the aftermath of both battles Accounts of the battles by important participants are also included along with maps of the battles and pictures of important people places and events You will learn about First Manassas and Second Manassas like you never have before in no time at all *1st Manassas (Bull Run) and the War Around it* Joseph Brady Mitchell, Scott Hart, 1961
