A novel that grows more complex and more uproarious by the page, culminating in an unforgettable climax. Entertainment Weekly The Must List. A Real Simple Best Book of the Year So Far. A vibrant and perceptive novel about a father's plot to win back his children's inheritance. Arthur Alter is in trouble. A middling professor at a Midwestern college, he can't afford his mortgage, he's exasperated his much younger girlfriend, and his kids won't speak to him. And then there's the money, the small fortune his late wife Francine kept secret, which she bequeathed directly to his children. Those children are Ethan, an anxious recluse living off his mother's money on a choice plot of Brooklyn real estate, and Maggie, who would be doing better trying to fashion herself a noble life of self-imposed poverty. On the verge of losing the family home, Arthur invites his children back to St. Louis under the guise of a reconciliation. But in doing so, he unwittingly unleashes a Pandora's box of age-old resentments and long-buried memories, memories that orbit Francine, the matriarch whose life may hold the key to keeping them together. Spanning New York, Paris, Boston, St. Louis, and a small desert outpost in Zimbabwe, *The Altruists* is a darkly funny and ultimately tender family saga that confronts the divide between baby boomers and their millennial offspring. It's a novel about money, privilege, politics, campus culture, dating, talk therapy, rural sanitation, infidelity, kink, the American beer industry, and what it means to be a good person. **Young, Wise and Kick-S** Phillip

Making Acupuncture Pay L. Ac. Bauer, Matthew D. Bauer, 2011-04 Although acupuncture is currently experiencing a great increase in acceptance and growth, many acupuncturists are failing to earn a living. Recent statistics suggest that nearly 9 out of 10 acupuncturists end up in private practice, but most of those are struggling to earn solid incomes. This book offers candid and comprehensive advice about what it really takes to manage a successful acupuncture practice in the West today. Readers will learn the unique combination of skills needed to make acupuncture services effective and affordable while still allowing practitioners to earn a comfortable living. Distilled from 25 years of full-time private practice, this is real-world advice offered by one of the acupuncture profession's most experienced practitioners and authors. Not strictly a clinical guide or a business book or a political treatise, but rather an original fusion of the most important aspects of all three. Making Acupuncture Pay should be required reading for every student of acupuncture for any acupuncturist who is struggling to make a practice work and well for any acupuncturist. PERIOD Brent Ottley L. Ac. This book should be required reading before one enrolls in acupuncture school, as each chapter addresses the fundamental concepts and realistic prospects of the graduate earning a living as an acupuncturist. Pamela Howard, acupuncture student. Matthew Bauer began his practice in 1986 immediately after obtaining his State acupuncture license and as the sole source of support for his family of four. Learning how to manage his practice by trial and error, Matthew currently sees between 75-100 patients a week. In addition to his busy practice, Matthew also became involved with acupuncture organizations and as a consultant for the insurance industry, helping to pioneer acupuncture HMO plans. He is the author of The Healing Power of Acupressure and Acupuncture, which explores the Taoist roots of Chinese medicine as a means of educating the public about acupuncture's benefits. With Making Acupuncture Pay, Matthew begins his efforts to help fellow acupuncturists achieve the level of practice success he has been blessed to enjoy.

Heart to Heart--The Journey Inward Robert P. Vande Kappelle, 2023-01-20 Whether religiously, theists, atheists, agnostics, or simply seekers, each of us is on a journey of faith, spiraling through stages, seasons, or phases of spirituality. On this journey, we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning. At the center of Jesus' life and message

stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle's published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself This volume examines the spiritual journey inward and its companion volume the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren't concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others

Dark Splendor Robert P. Vande Kappelle, 2015-06-29 Mistakes disappointments suffering and heartbreak can prevent us from growing physically emotionally even spiritually or they can propel us to a new way of life Building on the contributions of therapists holistic healers and spiritual mentors such as Richard Rohr James Hollis Elizabeth Lesser Bill Plotkin Ken Wilber and Thich Nhat Hanh *Dark Splendor* takes us on a journey into depth spirituality exploring the two halves of life noting how the perspectives and experiences of the first half of life either leave us frozen emotionally and spiritually or serve as stepping stones to the vibrant maturity called the second half of life This further journey is not chronological nor does one magically stumble upon it at midlife or in times of crisis though these often serve as catalysts The second journey is largely unknown today even by people we consider deeply religious since most individuals and institutions remain stymied in the preoccupations of the first half of life establishing identity creating boundary markers and seeking security The first half of life task while essential is not the full journey Furthermore one cannot walk the second journey with first journey tools One needs a new toolkit *Dark Splendor* provides the transformational tools that help transport us to the mystery and beauty of the second half of life The world is more magical less predictable more autonomous less controllable more varied less simple more infinite less knowable more wonderfully troubling than we could have imagined being able to tolerate when we were young James Hollis God comes to you disguised as your life Paula D Arcy **Get Me a Celebrity!** Stanley Jackson, 2012-02 *Get Me A Celebrity* is Stanley Jackson's hilarious account of famous personalities from the world of sport show business politics and the media generating extra income for themselves in the corporate market Stanley lifts the veil on this little known area of celebrity activity The book also examines the crucial role of TV in creating celebrities the use of agents and a host of contentious issues from political correctness to the perceived impartiality of the BBC *Analyzing Criminal Minds* Don Jacobs, 2011-04-19 An insightful book presenting cutting edge information on the newest most remarkable forensic science and methods used for understanding the criminal mind *Analyzing Criminal Minds Forensic Investigative Science for the 21st Century* explores new and emerging approaches to a perennially fascinating subject Author Don Jacobs looks at 10 tools and products that have revolutionized the discipline explaining how modern criminal mind analysis incorporates advances in criminal and forensic psychology forensic neuropsychology brain imaging adolescent neurobiology criminal profiling and brain fingerprinting as well as research into the paralimbic brain system and the impact of the DANE brain upon adolescent and young adult behavior Twenty three characteristics shared by jailed violent criminals are analyzed and

considered in terms of neuropsychology and developmental psychology The book also probes psychopathy in its various degrees in children adolescents and adults and explains a controversial but increasingly accepted theory that psychopathy is a natural outgrowth of evolution describing how this natural psychopathy can become a condition typified by violent sadistic and irreversible personality disorder *AARP Falling Upward* Richard Rohr,2011-12-12 AARP Digital Editions offer you practical tips proven solutions and expert guidance *Deeper Splendor* Robert P. Vande Kappelle,2022-03-03 Life s ultimate adventure its grandest game and greatest challenge is the spiritual transformation of the self According to Swiss psychiatrist Carl Jung personality and spirituality are interrelated spirituality flowing out of individuality Noting that people differ in fundamental ways even though they possess the same instincts to drive them from within Jung discovered that preference rather than instinct upbringing environment or genetic conditioning is central to personality The task of spirituality then is not to help us achieve correct doctrine or attain saintly status but rather to help us best understand our humanity This endeavor drives *Deeper Splendor* a study of spirituality and personality in modern literature We focus on modern literature rather than on theology philosophy psychology or sociology because as this volume makes clear one of the best resources for studying transformative spirituality is great literature The great power of literature is that it speaks of human action and thought not in the dry matter of fact terms of history ethics psychology or some other science but in ways that are lively uplifting and productive Engaging with great literature is like beginning a love affair Such encounters may appear daunting at first but when you fall in love you want to know everything about the object of your love and every encounter leaves you wanting more When literature enhances spirituality as is true in the dozen or more selections examined in *Deeper Splendor* each literary moment renders us more fully alive Like its companion texts *Wading in Water* and *Deep Splendor* this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection **Fish Heads and Duck Skin** Lindsey Salatka,2025-07-30 On the advice of a five dollar psychic Tina Martin a zany overworked mother of two quits her high powered job and moves her family to Shanghai Tina yearns for this new setting to bring her the zen like inner peace she s always heard about on infomercials Instead she becomes a totally exasperated fish out of water doing wacky things like stealing the shoes of a shifty delivery man spraying local women with a bidet hose and contemplating the murder of her new pet cricket It takes the friendship of an elderly tai chi instructor a hot Mandarin tutor and several mah jongg tile slinging expats to bring Tina closer to a culture she doesn t understand the dream job she never knew existed and the self she has always sought *Fish Heads and Duck Skin* will resonate with anyone who has ever wondered who they are why they were put here and how they ever lived before eating pan fried pork buns
