What's Your Road, Man? Hilary Holladay, Robert Holton, 2008-11-27 The ten essays in this groundbreaking compilation cover a broad range of topics employing a variety of approaches including theoretical interpretations and textual and comparative analysis to investigate such issues as race class gender and sexuality as well as the novel's historical and literary contexts What's Your Road Man Critical Essays on Jack Kerouac's On the Road illustrates the richness of the critical work currently being undertaken on this vital American narrative Combining essays from renowned Kerouac experts and emerging scholars What's Your Road Man draws on an enormous amount of research into the literary social cultural biographical and historical contexts of Kerouac's canonical novel Since its publication in 1957 On the Road has remained in print and has continued to be one of the most widely read twentieth century American novels Several essays enhance understanding of the book by comparing it with alternative versions of the text like the original 1951 scroll manuscript and some of Kerouac's other novels and with works by Kerouac's contemporaries such as Sylvia Plath's The Bell Jar Further studies explore ethnicity identity and the novel's place in American literature as well as its relevance to twenty first century readers On the Road has inspired readers for more than fifty years and the new research included in What's Your Road Man introduces fresh perspectives on this classic work of American literature Editors Hilary Holladay and Robert Holton have successfully woven little known material with new understandings of familiar topics that will enlighten current and future generations of Kerouac enthusiasts and scholars for years to come

**Why Are These Books in the Bible and Not Others? - Volume Three - The Apostolic Fathers and the New Testament Apocrypha** Gary F. Zeolla, 2016 Christians claim the Bible is the Word of God that it is absolutely reliable in all that it teaches But to put such confidence in the Bible requires that we have the correct books in the Bible But do we This subject is very important and complicated so complicated it took three volumes to fully cover it Volume One studied the books included in the Old Testament OT and considered other books that could have been included but were not Volume Two covered the books included in the New Testament NT This third and final volume will consider other writings which are not in the NT They are of three types The first type is the writings of the Apostolic Fathers These are Church leaders and writers of the late first to mid second centuries Most were direct disciples of the apostles and some of their writings were seriously considered for inclusion in the NT It will be explained why this was so

and why these writings were eventually rejected The second and third types are apocryphal books This term originally meant hidden but now means extra canonical meaning the books are not considered to be inspired by God and thus are outside of the canon list of authoritative books of Scripture These books are divided into two types ones that are mostly orthodox in their theology and ones that are heretical or Gnostic Among these apocryphal books are some that have received much publicity of late The media has been abuzz in recent years about books like the Gospel of Thomas the Gospel of Judas and the Gospel of Jesus Wife It is said these books present a radical new viewpoint of Christianity and are more reliable than the NT books In addition the conception many people have of early Christian history often comes from apocryphal books and not from NT books For instance at Christmastime the manner in which nativity scenes are displayed comes more from apocryphal infancy gospels than from the NT Gospels Therefore many people today will find a discussion of these books to be of interest

**The Beat Generation FAQ** Rich Weidman, 2015-09-01 FAQ The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting edge works that shaped this fascinating cultural and literary movement Disillusioned with the repression and conformity encompassing post World War II life in the United States the Beat writers sought creative alternatives to the mind numbing banality of modern culture Beat Generation writers were no strangers to controversy Both Allen Ginsberg's prophetic William Blakean style poem Howl 1956 and William S Burroughs groundbreaking novel Naked Lunch 1959 led to obscenity trials while Jack Kerouac's highly influential novel On the Road 1957 was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle The Beat writers shared a vision for a new type of literature one that escaped the boundaries of academia and employed an organic use of language inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism Kerouac coined this writing style spontaneous prose In search of deeper meaning Beat Generation writers experimented not only with language but also with spirituality art drugs sexuality and unconventional lifestyles Although the movement as a whole flamed out quickly in the early 1960s replaced by the onset of the hippie counterculture the Beats made an indelible
