Marriage and Divorce, 1867-1906 United States. Census Office, 1909 *The British Journal of Dermatology*, 1899 Vol 9 no 9 vol 28 includes a survey of current dermatological literature quarterly Marriage and Divorce, 1867-1906 United States. Bureau of the Census, 1909 Unauthorized Love Jane Lilly López, 2021-11-23 A rich narrative exploration of the ways love defies survives thrives and dies as lovers contend with US immigration policy For mixed citizenship couples getting married is the easy part The US Supreme Court has confirmed the universal civil right to marry guaranteeing every couple s ability to wed But the Supreme Court has denied that this right to marriage includes married couples right to life liberty and the pursuit of happiness on US soil creating a challenge for mixed citizenship couples whose individual level rights do not translate to family level protections While US citizens can extend legal inclusion to their spouses through family reunification they must prove their worthiness and the worthiness of their love before their relationship will be officially recognized by the state In Unauthorized Love Jane L pez offers a comprehensive critical look at US family reunification law and its consequences as experienced by 56 mixed citizenship American couples These couples stories of integration and alienation of opportunity and inequality of hope and despair make tangible the consequences of current US immigration laws that tend to favor Whiteness wealth and heteronormativity as well as the individual rather than the family unit in awarding membership and official belonging In examining the experiences of couples struggling to negotiate intimacy under the constraints of immigration policy L pez argues for a rethinking of citizenship as a family affair Transnational Marriage and Partner Migration Anne-Marie D'Aoust, 2022-02-11 This multidisciplinary collection investigates the ways in which marriage and partner migration processes have become the object of state scrutiny and the site of sustained political interventions in several states around the world Covering cases as varied as the United States Canada Japan Iran France Belgium or the Netherlands among others contributors reveal how marriage and partner migration have become battlegrounds for political participation control and exclusion Which forms of attachments towards the family the nation or specific individuals have become framed as risks to be managed How do such preoccupations translate into policies With what consequences for those affected by them in terms of rights and access to citizenship The book answers these questions by analyzing the interplay between issues of security citizenship and rights from the perspectives of migrants and policymakers but also from actors

who negotiate encounters with the state such as lawyers non governmental organizations and translators **The Aristocracy in the County of Champagne, 1100-1300** Theodore Evergates,2013-10-09 Theodore Evergates provides the first systematic analysis of the aristocracy in the county of Champagne under the independent counts He argues that three factors the rise of the comital state fiefholding and the conjugal family were critical to shaping a loose assortment of baronial and knightly families into an aristocracy with shared customs institutions and identity Evergates mines the rich varied and in some respects unique collection of source materials from Champagne to provide a dynamic picture of a medieval aristocracy and its evolving symbiotic relationship with the counts Count Henry the Liberal 1152 81 began the process of transforming a quasi independent baronage accustomed to collegial governance into an elite of landholding families subordinate to the count and his officials By the time Countess Jeanne married the future King Philip IV of France in 1284 the fiefholding families of Champagne had become a distinct provincial nobility Throughout it was the conjugal community rather than primogeniture or patrilineage that remained the core familial institution determining the customs regarding community property dowry dower and partible inheritance Those customs guaranteed that every lineage would survive but frequently through a younger son or daughter The life courses of women and men influenced not only by social norms but also by individual choice and circumstance were equally unpredictable Evergates concludes that imposed models of the aristocratic family fail to capture the diversity of individual lives and lineages within one of the more vibrant principalities of medieval France *Official Year Book of the Commonwealth of Australia, No. 5 - 1912* , **The Edinburgh Medical and Surgical Journal ...** ,1865

C.P. Snow N. Tredell,2012-09-24 Novelist and cultural commentator C P Snow was a large and controversial presence in his lifetime but his work has been largely neglected since his death in 1980 This is the first 21st century book to offer a clear informed and sympathetic survey of all his novels and major non fiction books and to affirm their importance for the world today **Faith @Home Revealed: What's Really Happening Outside of Church.** Mark Holmen,Brian

Siewert,2020-02-18 If it s true that we get what we measure can you conceive of a reality where we would put aside the archaic practice of measuring attendance and offerings and replace it with measuring the progress of faith life at home Now for the first time readers can discover what is truly happening in the homes of churchgoing people based on groundbreaking new research of over 6000 church goers across 12 denominations What good is our discipleship if it is not being lived and expressed at home What good is our evangelism if 60 % of our kids are walking away from the faith because of the hypocrisy they saw at home What good is our missionality if we are doing one thing in the world and another thing at home What good is our worship if that s all people do spiritually once a week Get ready this book is going to be revealing challenging yet incredibly helpful in showcasing faith life at home realities church leaders have overlooked for far too long *Female Bodies and Sexuality in Iran and the Search for Defiance* Nafiseh Sharifi,2018-01-22 This book uses storytelling as an analytical tool for following wider social attitude changes towards sex and female sexuality in Iran Women born in 1950s Iran grew up

during the peak of secularization and modernization whereas those born in the 1980s were raised under the much stricter rules of the Islamic Republic Using extensive ethnographic research the author juxtaposes narratives of body and sexuality shared by these different generations of women showing the intricate ways in which women construct and convey meanings and communicate their emotions about the unspoken aspects of their lives
