

First Voice is an amazingly good work with impressive writing skills that immediately places it as a valuable work to own. It puts Biblical characters and events in a fresh perspective. This is an impressive work that appears to be another Testament.

First Voice tells the story of Adam and Eve, Shem and Eber, Noah and the Flood, Sarah, Keturah, Hagar and Abraham, The Minus of Cene, Nimrod and Canaan, Chedorlaomer and the city of Babylon, Esau and Jacob, Judah and Shua, the Pharaoh and Joseph, the Tower of Babel, the great war of Abraham, the tragedy of Lot, the thinker Jacob and independent Judah. Many other stories presents an uncanny insight into the world's first personalities. This book transcends intelligence and religious narrative. It is a master's craft at its best.

First Voice is a great achievement into the world of Biblical literature. Historic events are rendered in grand depictions in epic proportions. It offers an insightful penetration into the word of God and seems to be a separate Testament speaking to the world how God interacts with mankind in real life. *First Voice* is a beautiful, wonderful, poetic work.

And perhaps, the greatest Biblical epic ever written!

Walter is an avid Bible student as well as a computer guru. He has written 10 other books.
