Language, the Singer and the Song Richard J. Watts,Franz Andres Morrissey,2019-01-31 The relationship between language and music has much in common rhythm structure sound metaphor Exploring the phenomena of song and performance this book presents a sociolinguistic model for analysing them Based on ethnomusicologist John Blacking s contention that any song performed communally is a folk song regardless of its generic origins it argues that folk song to a far greater extent than other song genres displays communal or inclusive types of performance The defining feature of folk song as a multi modal instantiation of music and language is its participatory nature making it ideal for sociolinguistic analysis In this sense a folk song is the product of specific types of developing social interaction whose major purpose is the construction of a temporally and locally based community Through repeated instantiations this can lead to disparate communities of practice which over time develop sociocultural registers and a communal stance towards aspects of meaningful events in everyday lives that become typical of a discourse community *State of Paralysis* John Elsom,2019-01-01 We have not been driven into Brexit at the point of a gun or out of economic necessity but purely for cultural reasons *State of Paralysis* explores the climate of opinion in Britain that has led to more than seventy years of indecision about our relationship with our continental neighbours and our role on the world s stage The post war years saw many dramatic changes the arrival of weapons of mass destruction the nuclear industries space travel civil rights global warming the Internet the digitalisation of behaviour and the loss of Empire The aim of the European Union was to keep the peace on the continent and to face these global problems But has it done so Have we in Britain been able to adjust to the demands of the new world or are we clinging on to a past that can never be recovered John Elsom describes the political impasse in parliament and the country over the terms of Brexit to analyse what these motives were how they were obtained and where their consequences may lead He approaches these issues from the view of a political and cultural commentator who has seen at first hand many of the changes that have affected all our lives *AB Bookman's Weekly* ,1999 *Seven Years Bad Sex* Nicky Wells,2016-08-13 A newlywed couple is cursed with an unsexy fate in this fun lively read with lots of humour and lots of laughs *The French Village Diaries* Sex isn t everything At least that s what rock singer Casey and drummer Alex tell themselves when they are strangely unable to consummate their marriage on their wedding night Or the following night Or in fact any night They simply can t do it anymore and it s not for lack of trying Ever more inventive and increasingly desperate when tried and tested strategies fail them Casey and Alex experiment with every trick of the trade
