Elements Of Witchcraft:

Wicca Elemental Magic Lisa Chamberlain, 2014-10-22 Everything You Need to Know About Working with the Magic of the Elements For thousands of years our ancestors believed that the Elements Earth Air Fire and Water were the building blocks of the Universe and their inherent properties and energies could be directed to manifest particular outcomes This belief grew and evolved over time as part of the Western Mystery Tradition a body of beliefs that has had significant influence on the dynamic nature based religion known as Wicca Through ritual and magic Wiccans interact with the primal forces of the Elements in a variety of ways calling upon them for assistance in the transformation of their realities just as the earliest shamans did in the ancient world You may already be aware of some aspects of how the Elements figure into Wiccan practice For example you may know that each is represented by different ritual tools the pentacle for Earth the wand for Air the cup for Water and the athame for Fire But did you know that the psychic energies of each Element are found within each and every person on the planet Or that by connecting spiritually with a particular Element you can help address an imbalance in your life And let's not forget the all important Fifth Element known in many traditions as Akasha or simply Spirit which contains the other four and yet is an Element in its own right But if all of the above is news to you don't worry it really doesn't matter how much you've learned so far about Wicca or the Elements Elemental Magic was created for both beginners and more experienced Witches alike In this guide best selling author Lisa Chamberlain covers it all the basics of incorporating the Elements into your rituals as well as less often discussed topics like animism Elemental personalities and using these forces of nature to help you enhance your magical perception Indeed as you will see an Element centered practice is a rich and rewarding way to deepen your connection to the Goddess and God to Nature the Universe or whatever terms your particular belief system ascribes to the power of All That Is Foundations of Elemental Magic In order to truly grasp the underlying concepts behind working with the Elements it's important to learn how these components Earth Air Fire Water and Spirit came to be defined in Western magical traditions You'll also need a close look at each individual Element to understand its inherent properties and its potential to transform your magical practice You'll find all of this in Elemental Magic and much more Our earliest civilizations understandings of the Elements and their relationship to magic How recent scientific observations reflect these ancient concepts The core magical properties of each Element Earth Air Fire Water and Spirit and how we are personally influenced by these energies Ways of attuning with individual Elements for enhanced living and magical practice Elemental relationships with deities elemental beings and spirit animals An overview of Wiccan ritual with a focus on the Elements including altar layout casting the circle and calling the quarters Techniques and magical practices for working with individual Elements Spells rituals and charms focused on each individual Element In addition you'll find tables of correspondence covering the magical properties of each Element as well as associated colors spell ingredients ritual tools and more at the end of the guide Elemental Magic will be a treasured reference magical guide and
