South Asia Uma Pradhan, Karen Valentin, Mohini Gupta, 2023-06-20 This edited volume offers new analytical and
 methodological approaches to the study of education in the post pandemic educational context through case studies from
 countries in South Asia such as Bhutan India Nepal Pakistan and Sri Lanka Crossing disciplinary and national boundaries to
 advance collaborative knowledge production in South Asian education the book explores how different colonial legacies
 religious orientations and positions in the global economy are played out in regional education systems In doing so this
 volume focuses on the educational challenges faced by the region to better understand South Asian society and the existing
 societal inequalities in the wake of COVID-19 The book highlights how the pandemic invites a rethinking of current ways of
 approaching educational research in hybrid forms and also opens up new areas of research ranging from pedagogical
 innovations to the well being of teachers and students Offering interdisciplinary perspectives on education in this unique
 context this timely book will be highly relevant to students researchers and academics in the fields of international and
 comparative education South Asian studies teacher education and education policy and politics *The Story of America*
