Selected Plays by Griselda Gambaro Griselda Gambaro, 2022-04-21 Griselda Gambaro is arguably one of Argentina's most important dramatists as well as a playwright of international significance whose poetics not only interpret Argentine reality but transcend cultural and geographical borders Despite international recognition her plays remain little performed in the UK an absence which makes this anthology of new translations a welcome contribution to British theatre culture and to the English speaking stage Prolific since the 1960s Gambaro's plays are radical subversive and endlessly inventive in the use of form and theatricality This is a theatre of resistance which has the potential to make searing comments on our own domestic and political contexts an experience which may not be comfortable but is always vital Dazzling original incisive and poetic this anthology shows Griselda Gambaro at the height of her creative powers
